The Best Part of Me 2 A'zayler,2017-06-17 Have you ever prayed for something harder than you've ever prayed for anything, and then it happens, and you don't know if you're really ready for it? Well, so has Goody. Praying for a good man then actually getting one were two totally different things. In her mind, her world would be complete if that happened, so naturally, when it did, she was happy but then came fear. Fear of what the future would hold, or whether or not she was even good enough for her answered prayers. Lucky for her, Jerrico Blake is well equipped and intently focused on Goody and every need she has. A man with many honorable traits, Jerrico is a Godsend, but he's not to be taken lightly. Though he can withstand the toughest times with the hardest people, that doesn't mean he wants to. Desiring love and happiness as much as the next person, Goody's rejection may have worn thin. Not sure whether she's worth the fight, Jerrico second guesses his initial intentions. Will Goody's past destroy her future, or will she be woman enough to pick up her pieces and put her own future back together?

The Heir T.K. Leigh, 2023-01-28 Since the day I was born, my life's been planned for me. When you're heir apparent to the crown, you don't have much choice about your future. I made my peace with that years ago. Or so I thought. Until I learn I may not have as long of a future as I originally believed. So I do what most people do when forced to come to terms with their own mortality. I take a road trip. I'm not sure what I hope to find along the way. I certainly didn't expect to find her. I should walk away. We don't just live in two different countries. We come from two different worlds. Not to mention, she doesn't even know who I am. Or, more appropriately, what I am. But I can't ignore this strange connection I feel toward her, as if I knew her in another life. Until I realize I did know her in another life, one I hoped to leave in my past. When she learns the truth of who I am and what I've done, will she be able to look beyond that and see the man beneath the crown? Or will I forever be punished for what I am? Thinking Tools for Young Readers and Writers Carol Booth Olson, Angie Balias, Emily McCourtney, Mary Widtmann, 2018 In her new book, bestselling author and professional developer Carol Booth Olson and colleagues show teachers how to help young readers and writers construct meaning from and with texts. This practical resource offers a rich

array of research-based teaching strategies, activities, and extended lessons focused on the “thinking tools” employed by experienced readers and writers. It shows teachers how to draw on the natural connections between reading and writing, and how cognitive strategies can be embedded into the teaching of narrative, informational, and argumentative texts. Including artifacts and written work produced by students across the grade levels, the authors connect the cognitive and affective domains for full student engagement. “This book seamlessly bridges the gap from research to everyday practice.... You get an extremely well-organized set of overarching instructional principles that are right for our era and brought to life through well-explained instructional guides and classroom activities.” —From the Foreword by Judith Langer, University at Albany, SUNY “I have always admired Carol Booth Olson’s work with secondary students and teachers. She now applies those essential principles and practices to elementary and middle school students. Bravo!” —P. David Pearson, professor emeritus, University of California, Berkeley

THE WORKS OF HENRY FIELDING, Esq[ue] IN TWELVE VOLUMES. WITH The LIFE of the AUTHOR. Henry Fielding,1775

Look Through the Mirror Jovan Ortiz,2022-06-01 Look through the Mirror: Change Your Perspective to Change Your Life is a beautiful book with a unique perspective focused on the fundamentals of mastering your mind by positive thinking, visualization, the power of positive self-talk, and observing your thoughts so you can choose your thoughts so you can positively change your life. This book is about how to go within yourself to conquer mental and emotional challenges that everyone deals with in life so that people can feel the love, happiness, and peace within themselves. The reason why it’s so important to conquer those mental and emotional challenges is so that people realize for themselves how special and gifted they are to the point where they can do anything they put their mind to and have anything that they desire to have. Look through the mirror is also based on having faith and believing in yourself in all aspects to help yourself throughout your life to conquer all personal challenges and any obstacle(s) that life throws your way. You are much more powerful than you think, you are the spirit of God expressing yourself through the vessel you are in. It’s a matter of realizing that the spirit of God flows all throughout your body. The first key takeaway is realizing that if you can see the vision you desire to bring it into your reality with your imagination, then you can do it and bring it into your reality. Another key takeaway is the realization that everything in life happens for you and nothing is happening to you. Jovan shares multiple techniques of how to heal all internal pain by detaching, forgiving, and letting go, rather than holding on to negative thought patterns and emotions. Jovan also will share with you how to overcome obstacles like anxiety, depression, fear, anger, overthinking, low self-esteem, and self-judgment. To free the spirit of the God within you, it is important to set your mind, heart, and soul free of all pain and negativity so you can be in tune with the spirit of God within yourself.

Diary of a Romance Scam Beth Hyland, 2025-07-24 When Beth Hyland swiped right, she thought she had found love. Instead, she found herself ensnared in a sophisticated web of deception—one that would not only shake her trust but threaten her financial and emotional well-being. *Diary of a Romance Scam* is a raw, courageous, and eye-opening account of how expertly trained criminals manipulate, groom, and exploit victims in ways that mirror the coercive control seen in domestic abuse. This is not just a story of loss but one of survival, resilience, and transformation. As Beth bravely unpacks the intricate psychological tactics used against her, she also shines a light on the devastating stigma that keeps so many victims silent. Society must understand that these scams are not simply about “giving money to strangers”—they are calculated, deeply personal betrayals that thrive in the shadows of shame and victim-blaming. To break the cycle, we must listen to survivors like Beth, amplify their voices, and demand systemic change. Beth's journey from victim to advocate is a testament to the strength that can emerge from even the darkest experiences. Her story is not only a warning—it's an essential educational tool that exposes the brutal reality of romance fraud and urges us all to take it seriously. This book is a powerful call to action, challenging us to replace judgment with empathy and ignorance with awareness. Book Review 1: “Beth Hyland's *Diary of a Romance Scam* is a raw, courageous, and deeply human story that exposes the psychological warfare behind romance fraud. As someone who has studied manipulation and social engineering for over two decades, I can tell you this book is not just a personal memoir—it's a masterclass in how emotional abuse is weaponized by skilled criminals. Beth's vulnerability and strength in sharing her experience will not only educate, but empower readers to recognize red flags, protect themselves, and begin healing. This is a must-read for anyone who thinks it could ‘never happen to them.’”

—CHRISTOPHER HADNAGY, Author; CEO of Social-Engineer, LLC and The Innocent Lives Foundation Book Review 2: “Beth Hyland’s book on romance scams is a powerful, personal look at what it’s like to be caught in one of these devastating cons. She doesn’t just break down how the scam works—she takes you through the emotional rollercoaster of trust, betrayal, and heartbreak that so many victims experience. But what makes this book stand out is that Beth doesn’t stay in the darkness. Instead, she turns her story into something bigger—a mission to educate, warn, and empower others so they don’t have to go through what she did. It’s raw, eye-opening, and ultimately a testament to resilience and hope.” —ERIN WEST, Founder of Operation Shamrock

A few surprises lead to them learning things about each other as they go through situations they've never gone through together before. Will they be able to stick it out or will Maliah's fear of letting go and allowing Murk to love her, the way a man should love his woman, push him away?
