**The Patmos Paradigm** James Hendershot, 2013-11-01 One hundred billion years in the future, another empire discovers the Patmos, which is the complete history of humanity, good and bad. Upon the private viewing, the resident gods declare it

too dangerous. The Patmos has within it material that, when viewed, could release the Knowledge of Evil, a concept that could, like a virus, destroy their universe. Likewise, this small Patmos ball is composed of complete atoms, as they could destroy millions of stars. Their governing council sends the Patmos through a series of wormholes to other dimensions. They also call back all their giant space worlds, as ships are a far-distant memory, if another Patmos was somehow dispatched. Life in the Patmos witnessed the chosen earthlings and viewed the earth as it passed through the Great Tribulation, where humanity is rendered extinct. They survived World War III in which the Eagle, Dragon, and Bear die, allowing a silent monster to recreate an old empire and rule the world. He begins his genocide, sparing Israel, which he gives a nice new temple, only to betray them. His empire suffers through twenty-one judgments, which leaves those with his mark doomed as he loses both the physical and spiritual last war and gets a kick from the archangel Michael for the bottomless pit, as the journey for the victors is only beginning.

**Jack the Ripper's New Testament** Nigel Graddon, 2019-09-12 This book offers evidence, for the first time, that those responsible for the Whitechapel murders were members of a hit team associated with a centuries-old European occult confederacy dedicated to human sacrifice. This was first mooted by Jim Keith in his 1993 book *Secret and Suppressed*, and then corroborated in the private papers of a Monsignor who carried out intelligence work for Pope Pius X in the run-up to the outbreak of global conflict in 1914. The priest told of the existence of a Vatican-based cabal of assassins (known to its members by the maxim “Dead Men Carry No Tales”) formed by the infamous Borgias that is in alliance with a Teuton occult group formed in the 9th century. It was from within this unholy alliance that assassins travelled to London to carry out the Ripper murders to “solve a sticky problem for the British Royal Family” (Keith’s Vatican informant). Part of the substantiation for this evidence derives from Joseph Farrell in his recent *Hess and the Penguins* book for AUP. The evidence also substantiates Keith’s informant’s astonishing claim that the assassins came together in a conference in Basle in 1897 to put the building blocks together for National Socialism and to prepare the blueprint for the Holocaust. For the first time also, the book substantiates a new line of research that suggests that the work of key figures from America and Britain within the nineteenth-century’s highly influential and richly funded Bible Revision movement was associated with the grisly events in London’s East End during 1888’s Autumn of Terror. Topics include: “Mr. Splitfoot”; Whitechapel; Martha; HPB; “Polly”; The Occult Underground; “Dark Annie”; The Occult Establishment; “Long Liz”; The Lady with the Lilacs; From Lilacs to Violets—Mary Kelly; Baconalia; “Rothschild’s” Bible; Basle, 1897; Through the Looking Glass; more.

Angels: The Seen and Unseen Joseph J. Randazzo,2024-01-12 The Angels have not always existed, GOD created them, and He did so before He even made the universes. Angels are beings who have greater power and ability than humankind. They exist and appear in physical form or spiritual here on earth or in the heavens with a level of existence higher than the physical universe. Thus, some levels of Angels are also referred to as spirits and known as the "Unseen." When we observe and meet up with these messengers doing supernatural things, there is no complete understanding how they do these miracles as heavenly beings. However, those who believe it GOD the Fathers know these private messengers, work for the ultimate benefit to help evolve humans century after century and live and walk among us. Angels may work hard to guard the people they are assigned to protect from danger. Stories about Angels rescuing people facing destructive overbearing situations are popular in our culture. Some people from religious traditions like Catholicism believe that everyone has a guardian Angel divinely assigned to them for their entire life. Angels in worldly religions such as Judaism, Christianity, and Islam state that an important part of the Angels' work is to worship the GOD who created them, such as by praising him in heaven. Some religions, such as Islam, state that all Angels serve GOD faithfully. Other religions, such as Christianity, state that some Angels are faithful to GOD, while others have rebelled against him and are now known as demons and the evil

ones. Angels are mentioned 273 times in the Bible referencing special messages, unique events, unexplainable miracles, promoting creational benevolence or following orders of death and destruction, hence Sodom and Gomorrah. The Bible states some Angels are GOD's messengers and likewise beware the Bible also states some Angels are GOD's Spiritual Army, telling us about facts not to forget of such legions of warring Angels with unlimited capacities. Some Angels have been described as "participants" in the creation and providential continuance of the cosmos though out the Heavens. Clement of Alexandria, influenced by Hellenistic cosmology, mentioned that the functions and the moving of the stars and control the four elements such as, earth, air, fire and water are controlled by GOD's assigned participating hierarchy of Angels. There are NINE (9) distinct types of Angels identified in biblical scripture. We know by popularity the Archangels are the most recognizable, however reviled in the Bible are many more Angel types whose functions are assigned to protect, care and inspire the humankind on earth. Both in the Old and in the New Testament, we see Angels have been named numerous times and each have a key position and chain of command in GOD's plan in addition to belonging to the army of GOD thought out the Universes. Angels are interwoven within the culture of man regardless of religion or your belief system, become informed in this study about "Angels" - "The Seen and Unseen".
