La reinvención no debe surgir como reacción ante un evento negativo, como cuando ha perdido clientes o está siendo atacado por un competidor voraz. De hecho, cuando las compañías se embarcan en el contraataque -en mucho caracterizado por tácticas como recortar recursos a las áreas de investigación y desarrollo o marketing- es muy difícil que recuperen su posición. Reinventar (y reinventarse) es más que una buena idea; es una práctica esencial. Para ayudarle a construir y mantener su propio sistema de desestabilización creativa, Josh Linkner ha llenado este libro con métodos y técnicas paso a paso que sirven para aplicar las ideas innovadoras. Con demasiada frecuencia sentimos que la vida es algo que nos sucede, como si solo fuéramos pasajeros que viajan sin control de su destino. Este es el momento de sentarse en el asiento del conductor y acelerar hacia las enormes oportunidades que se encuentran adelante en su Ruta hacia la reinvención.
