The Djinn Waits a Hundred Years Shubnum Khan,2025-01-07 A NEW YORK TIMES BOOK REVIEW EDITOR'S CHOICE Rich and swoony...an ambitious delight, with rich characters and some exceptionally lovely writing...This is the start of a major career. -- The New York Times Book Review AN INDIE NEXT PICK A LIBRARY READS PICK "A dark and heady dream of a book" (Alix E. Harrow) about a ruined mansion by the sea, the djinn that haunts it, and a curious girl who unearths the tragedy that happened there a hundred years previous Akbar Manzil was once a grand estate off the coast of South Africa. Nearly a century later, it stands in ruins: an isolated boardinghouse for eclectic misfits, seeking solely to disappear into the

mansion's dark corridors. Except for Sana. Unlike the others, she is curious and questioning and finds herself irresistibly drawn to the history of the mansion: To the eerie and forgotten East Wing, home to a clutter of broken and abandoned objects—and to the door at its end, locked for decades. Behind the door is a bedroom frozen in time and a worn diary that whispers of a dark past: the long-forgotten story of a young woman named Meena, who died there tragically a hundred years ago. Watching Sana from the room's shadows is a besotted, grieving djinn, an invisible spirit who has haunted the mansion since her mysterious death. Obsessed with Meena's story, and unaware of the creature that follows her, Sana digs into the past like fingers into a wound, dredging up old and terrible secrets that will change the lives of everyone living and dead at Akbar Manzil. Sublime, heart-wrenching, and lyrically stunning, *The Djinn Waits a Hundred Years* is a haunting, a love story, and a mystery, all twined beautifully into one young girl's search for belonging.

Super Subversive Cross Stitch Julie Jackson, 2021-11-02 From the OG of the Subversive Cross Stitch movement (and brand of the same name) comes Super Subversive Cross Stitch. Featuring 50 easy-to-make designs—both brand-new patterns and fan favorites—stitched together with trademark wit. Don't freak out. Don't make this about you. May your life be as amazing as you pretend it is on Facebook. What fresh hell is this? Not today, Satan. Super Subversive Cross Stitch is here to provide crafters with the snarky inspirations they love to stitch. The book features 50 patterns—23 brand-new designs and 27 fan favorites—along with easy-to-follow instructions for the beginner and fonts and designs for adventurous crafters looking to customize their creations. It recasts a traditional, dare we say sentimental, craft into a modern, relevant art form. It's the latest offering in the Subversive Cross Stitch brand, beloved by legions of DIYers. Less messy than graffiti, Super Subversive Cross Stitch allows crafters to adorn walls with political pith and irreverent twists on classic quotes (I think, therefore I drink, Let the good times be gin). “This book reminds me that I'm not alone in being crafty and swearsy all at the same time. Pass the gin.” —Jenny Lawson, New York Times bestselling author of *Furiously Happy*, *Let's Pretend This Never Happened*, and *Broken Julie* is the true OG of the subversive cross-stitch movement. Modern cross-stitch design would not be what it is today without her. She is a positive and supportive force in the cross-stitch community, providing mentorship to other designers and welcoming new stitchers into the hobby. I am so excited about her new book! —Stephanie Rohr, author of

Feminist Cross-Stitch

Judgmental Maps Trent Gillaspie, 2016-11-08 A sharp tongued and fierce witted full-color collection of maps of America's greatest cities in all their brutally honest glory. Your City. Judged. When you move to a new city you look at a map to get you where you need to be, but a Google Map of San Francisco won't tell you where you can get "Real Dim Sum" or where "The Worst Trader Joes Ever" is. Or if you're visiting Chicago, you might want to see the Magnificent Mile, but not know it's right next to where "Suburbanites Buy Drugs" and "Retired Mafioso." This is where Judgmental Maps comes in - a no holds barred look at city life that is at once a love letter and hate mail from the very people who live there. What started as a joke between comedian Trent Gillaspie and his friends in Denver, quickly grew into a viral sensation with a rabid and enthusiastic community labeling maps of their cities with names and descriptions we all think of, but are a bit too shy to say out loud. Collected here in a full color, beautifully packaged book with all new, never before published material, Judgmental Maps is laugh out loud funny from New York to Los Angeles, Minneapolis to Atlanta and offending everyone else in between.

Drunk-ish Stefanie Wilder-Taylor, 2025-01-07 This "perfect balance of bold honesty and riotous wit" (Shelf Awareness) from the author of *Sippy Cups Are Not for Chardonnay* explores Stefanie Wilder-Taylor's journey to breaking up with alcohol for good. For Stefanie Wilder-Taylor, alcohol was the seasoning that could give almost any activity more flavor—from liquor cabinet concoctions in high school to tequila shots in her early stand-up comedy days to grocery store wine in young motherhood. A drink instantly took the edge off and made even the most difficult adversary (be it a tough crowd in a comedy club or a judgmental PTA mom) not just bearable but fun. As the years go by, Stefanie wonders if her relationship with alcohol is different from other people's. Is everyone else struggling this hard to moderate? Is it even legal to watch *The Bachelor* without a glass of white wine? Having spent a lifetime grappling with the question of whether or not she is a "real" alcoholic, one evening brings Stefanie close to the edge of losing it all. Miraculously unscathed, she decides that she doesn't need to dive all the way down to a stereotypical rock bottom before deciding to stop drinking; if sobriety will improve her life, that's a good enough reason to quit. A tender and funny farewell letter to a beloved but toxic friend, *Drunk-ish* is "a roller coaster of a book. You will love this candid and funny memoir even if you're not sober. Trust me" (Jenny Lawson, New York Times bestselling author).

Teacher Reflections on Transitioning From K-12 to Higher Education Classrooms Broemmell, Amy D., Vines, Nora, 2022-04-15 Education is a field in which reflective practice is imperative for teacher and student success and for maintaining the desire to remain in the profession. During times of uncertainty, particularly as teachers faced the dual pandemics of social injustice and the COVID-19 pandemic over the past year, they have felt demoralized and powerless. As a result, burnout among educators is becoming increasingly prevalent. It is crucial for teachers to hear reflections of others' experiences to remind them that they are not alone in their work, provide opportunities for them to find connections with fellow educators, and encourage them to engage in reflective practices of their own. Teacher Reflections on Transitioning From K-12 to Higher Education Classrooms provides a collection of reflections from educators on their varied experiences within education and how and why they have pursued a place in academia. This book speaks to the humanistic side of academia by acknowledging the multiple passions, professions, and pathways that led each of the authors to academia. It is unique in that it is laced with the lived realities of the human side of academia from a shared stories perspective. Covering topics such as lifelong learners and identity shifts, this major reference work is ideal for academicians, researchers, scholars, practitioners, principals, administrators, educators, and students.

Hello Stranger Katherine Center, 2023-07-11 The glorious novel from the beloved author whose bright, hopelessly romantic New York Times bestsellers have been called “My perfect 10 of a book” (Emily Henry) and cheered for their “speedy pacing and sexual tension for miles” (People). Love may be blind. But what if . . . what you see isn't what you get? It's all starting to come together for struggling artist Sadie Montgomery. She was just named a finalist in the national portrait competition of her dreams. But when she winds up with a rare, but real, condition where human faces look like jumbled puzzle pieces . . . it is, to say the least, not good. With only a few weeks to paint the best portrait of her entire life, Sadie will do anything to reverse her condition and get back to work, but it's anyone's guess when (or even if) that'll happen. Enter her dog's charming veterinarian (who may or may not be Sadie's daydream fiancé), and her bowling-jacket-wearing, Vespa-riding neighbor (who she can't seem to stay away from)—both vying for her attention and adding to the chaos. It's a lot, but that doesn't mean it's bad. Because the truth is, seeing the world differently has its upsides. And love has an undeniable way of giving us courage. And the best way of looking is always, always with the heart. With its emphasis on its central character, combined with its “swoony” romance, “Hello Stranger” is a hit. Sadie is everything you could want in a protagonist — the right amount of quirky, sunshiney and stubborn, and the men she's in love with are equally fascinating. All the side characters provide humor and comfort, and even those characters who you aren't really supposed to like are annoyingly intriguing and captivating. Center created a brilliant cast of characters, set to a plot that's sure to keep you reading. --Michigan Daily

Miss Ex-Yugoslavia Sofija Stefanovic, 2019-04-16 A “funny and tragic and beautiful in all the right places” (Jenny Lawson, #1 New York Times bestseller author of *Furiously Happy*) memoir about the immigrant experience and life as a perpetual fish-out-of-water, from the acclaimed Serbian-Australian storyteller. Sofija Stefanovic makes the first of many awkward entrances in 1982, when she is born in socialist Yugoslavia. The circumstances of her birth (a blackout, gasoline shortages, bickering parents) don't exactly get her off to a running start. While around her, ethnic tensions are stoked by totalitarian leaders with violent agendas, Stefanovic's early life is filled with Yugo rock, inadvisable crushes, and the quirky ups and downs of life in a socialist state. As the political situation grows more dire, the Stefanovics travel back and forth between faraway, peaceful Australia, where they can't seem to fit in, and their turbulent homeland, which they can't seem to shake. Meanwhile, Yugoslavia collapses into the bloodiest European conflict in recent history. Featuring warlords and beauty queens, tiger cubs and Baby-Sitters Clubs, Sofija Stefanovic's memoir is a window to a complicated culture that she both cherishes and resents. Revealing war and immigration from the crucial viewpoint of women and children, Stefanovic chronicles her own coming-of-age, both as a woman and as an artist. Refreshingly candid, poignant, and illuminating, “Stefanovic's story is as unique and wacky as it is important” (Esquire).

Charlie Chaplin and A Woman of Paris Wes D. Gehring, 2021-01-29 Charlie Chaplin's *A Woman of Paris* (1923) was a groundbreaking film which was neither a simple recycling of Peggy Hopkins Joyce's story, nor quickly forgotten. Through heavily-documented period research, this book lands several bombshells, including Paris is deeply rooted in Chaplin's previous films and his relationship with Edna Purviance, Paris was not rejected by heartland America, Chaplin did romantic research (especially with Pola Negri), and Paris' many ongoing influences have never been fully appreciated. These are just a few of the mistakes about Paris.
