C. M. Nascosta

**Morning Glory Milking Farm** C. M. Nascosta, 2021-08-03 Violet is a typical, down-on-her-luck millennial: mid-twenties, over-educated and drowning in debt, on the verge of moving into her parent's basement. When a lifeline appears in the form of a very unconventional job in neighboring Cambric Creek, she has no choice but to grab at it with both hands. Morning Glory Milking Farm offers full-time hours, full benefits, and generous pay with no experience needed . . . there's only one catch. The clientele is Grade A certified prime beef, with the manly, meaty endowments to match. Milking minotaurs isn't something Violet ever considered as a career option, but she's determined to turn the opportunity into a reversal of fortune. When a stern, deep-voiced client begins to specially request her for his milking sessions, maintaining her professionalism and keeping him out of her dreams is easier said than done. Violet is resolved to make a dent in her student loans and afford name-brand orange juice, and a one-sided crush on an out-of-her-league minotaur is not a part of her plan-unless her feelings aren't so one-sided after all. Morning Glory Milking Farm is a short human/monster romance novel, featuring a high heat slow burn with a lot of heart, and a guaranteed HEA. CWs include: cock milking, non-human anatomy, size difference, and a lot of fluid. It is the first book in the Cambric Creek monster romance series, and can be read as a standalone.

**Untethering Dark** Desirée M. Niccoli, 2025-02-04 In the shadows of the forest, he waits... A bloody and bewitching monster romance from Desirée M. Niccoli. A winter hag in training, Astrid spends her days in the Black Forest sharpening her spell craft and flinging axes at tourists, and her nights leaving offerings to the ancient eldritch monster that guards the woods. She's one sex ritual away from leaving the last trace of her unwanted humanity behind and stepping into her full power. It's the perfect life. Until a group of unruly humans brings that same deadly monster to her doorstep. Now, her only hope for survival is a plate of poisoned cookies. Gudariks has roamed the Black Forest since it sprouted its first trees, consuming any who violate his beloved land. Lured to the witch's gate, he is amused at her attempt to poison him with sweets...but spending time with her awakens millennia of repressed desire. Astrid doesn't shy away from the gentle caress of his claws or his most ravenous attentions. As witch and monster find long-buried heat in the wintry landscape they call home, signs of a dark, lost magic begin to appear in the forest. When a rising supernatural threat has them questioning not only their ability to protect the forest, but Gudariks's own immortality, their only solution may be to share their strength and create a union beyond mortal comprehension.
