*Domo's Quotes of Inspiration Part 1* D.J. Domo ,2023-07-24 On a daily we all go through things. Some expected and some unexpected. Some we can control the outcome and others we can't. As I went back and thought about my hard times and the quotes I came up with while trying to press forward through all my tribulations and trials. These quotes seem to make a lot of sense today. So why not share them, and hopefully they can help you right along with words of inspiration. For so long after dealing with my hard times I've always been someone who people can come to talk to. We all need someone to vent to. Not everyone is genuine with that listening ear either. I've given real advice and am not judgmental while giving it. I allow people to see things both ways and advise them of what I would do. When I approach the conversation with the advice, I give I don't force a person to take my advice and use it. The final choice is up to you to make the final decision in whatever choice you choose to use and I'm going to support you every which way. Everyone needs, deserves, and go looking for encouragement. That happens often. So why not a better way to incorporate quotes with genuine words of encouragement to inspire someone within this book.

**How to Preach the Miracles** John E. Sumwalt, 2007 With contemporary stories and insight into ancient texts, John Sumwalt invites readers into the mystery of God's active, palpable presence in the world. When we decide to live in God's presence, we are in position to see, hear, believe, and experience the miraculous in our daily lives. Bishop Rueben P. Job Author of *Living Fully, Dying Well* Former editor, *The Upper Room* Since modern culture explains the world through scientific rationalism, there are many people in our pews who are skeptical about miracles. No matter how credible the source, our society tends to view those who speak of miracles as purveyors of superstition and magical thinking. That presents a significant problem when discussing the resurrection and the other miracles recorded in scripture -- so what can the preacher do? John Sumwalt says the answer is to begin, like Jesus did, by telling stories of the mysterious, saving presence of God. This is the realm in which Jesus did his miracle work, a dimension of reality that is readily accessible to all who are hungry for it. Tell the miracle stories from the Bible along with those that are happening in our own time. In this fascinating volume, Sumwalt brings a storyteller's perspective to nine miracle passages in Cycle A of the Revised Common Lectionary. His rich biblical commentary is filled with numerous illustrations and tellable sermon stories, including over 30 contemporary accounts of miracles. In this beautifully written book, John Sumwalt shows you how to preach the miracle stories in ways that reach modern congregations. Full of warm and engaging stories, it reaches straight for the heart. This is a wonderful book that will connect you and your congregation to the scriptures in fresh ways. It's certain to warm the heart of anyone who reads it. I look forward to using it over and over again as a source for my sermons. Deacon Eddie Ensley Author of *Prayer That Relieves Stress and Worry* John E. Sumwalt is the lead pastor of Wauwatosa Avenue United Methodist Church in suburban Milwaukee. A noted storyteller and seminar leader, he is the author of nine christian books, including the acclaimed *Visions* series (CSS). John and his wife, Jo Perry-Sumwalt, served for three years as co-editors of the online service StoryShare [www.sermonsuite.com](http://www.sermonsuite.com).
