The laws of Human nature Unity of Universal love ,2023-12-22 Introduction A life of Healing, a life of Health, A life worth living is a life of Wealth. I have practiced over 25 years as a chiropractor and I have learned that most people come to me to treat their pain. I'm sure that most doctors and therapists have the same experience, people want to receive a treatment that will cure their illness. As I treat my patients I'm also analyzing how their problem was created. I'm looking at various factors like diet, lack of exercise, injurious repetitive movements or anything else that could provoke the problem. I'm trying to get the patient to take responsibility for their problem and help me with their treatment. It appears that I'm treating their physical illness but over the years I have come to a new realization, that a person's emotional, mental and spiritual side can also affect their health. The reality of the situation is that we can't separate an illness into a physical, emotional, mental or spiritual ailment, because everything works together. I now understand that attitudes play an essential role in our health and wellbeing. Attitudes have characteristics that are physical, emotional, mental and spiritual. In psychology attitudes are labeled as behavioral (physical), affective (emotional) and cognitive (mental). In this book attitudes have a spiritual side as well, attitudes will have a positive spiritual value or a negative spiritual value. Attitudes that bring people together and unite them has an energy with a positive spiritual value and attitudes that are divisive and cause separation has a negative value. If we have attitudes with a negative spiritual energy then they will cause illness; physical illness, mental illness and emotional illness. We need to adopt attitudes with a positive spiritual energy if we want to stay healthy and grow spiritually. Spiritual growth is there for all of us but we have to make the effort, no one can make us grow spiritually. Looking for someone to cure our ills is a short-term proposition, the long term cure is when we discover what is causing us harm and create a healthy lifestyle. The 7 Laws of Human Nature is a scientific philosophical study into the human consciousness, the 7 chakras and the human aura. We use theories to make sense about what we are observing in life, to explain ideas and interpret facts. The 1st chapter is the Theory of the Oneness of Universal Love, which will present 7 hypotheses. These hypotheses will present facts and suppositions of facts, which will be followed up by a theory. This is all happening on four energy levels; physical, emotional, mental and spiritual. Life on Earth has to have a reason, our lives aren't an accident and this book presents a logical theory on the how and why of life. This is a book on love and how love works in our lives. Even the Devil Quotes Scripture Robyn J. Whitaker, 2023-05-11 "We are meant to take the Bible seriously, not literally." —from the Introduction In *Even the Devil Quotes Scripture*, Robyn J. Whitaker looks to the Bible as a guide to interpreting the Bible, and her findings breathe new life into our understanding and use of Scripture. As it turns out, the uses of Scripture within Scripture are flexible, open to frequent reinterpretation, and rarely literal. For instance, Ezra and Nehemiah reinterpret laws about whether Jews can marry foreigners in the wake of the Babylonian exile. Their contradiction of earlier traditions found in Deuteronomic law do not invalidate Scripture but rather represent its diverse applications for the prophets' specific situations. In the Gospel of Matthew, Jesus presents a more demanding interpretation of Mosaic law in the Sermon on the Mount, while in Mark's Gospel he all but ignores its prohibition of working on the Sabbath. Yet the common ethos of the two gospels prioritizes compassion over legalism. Ultimately, Whitaker ascertains one definitive characteristic of inner-biblical interpretation: love. After all, the Old Testament passage most frequently quoted in the New Testament is Leviticus 19:18: "Love thy neighbor." Thus, Whitaker proposes a hermeneutic of love—a litmus test for the validity of a scriptural interpretation measured in charity. Ideal for any devoted reader of the Bible, *Even the Devil Quotes Scripture*

opens our eyes to the Bible as a living, loving gift of God's unfolding revelation.

Texting Faith, Hope, and Love JoAnn Willoughby Hays, 2023-05-22 I started writing down favorite scriptures, quotes, and sayings in fifth or sixth grade. I taught children's Bible classes for 42 years and public school classes for 29 years and I always found a way to use many of the quotes and sayings in all my classes. I still get excited when I see a great quote in a book or magazine, or even on a T-shirt. I have four grandchildren I adore, and I don't get to see them as often as I did when they were children, or during the pandemic. Cale is a graduate of Oklahoma Christian University and is busy with his career. Mackenzie will be a senior at the University of Oklahoma. Tate is a newlywed and is attending the Oklahoma State University's Fire Academy to become a firefighter, and our youngest, Danny, is a 6'4 basketball player who will be a junior at Edmond Memorial High School. I found a quote a few years ago from the gymnast, Gabby Douglas. She said, By now, you've probably caught on to something: my mother is always standing by with just the right scripture or inspirational saying to get me through any tough situation. I was so blessed to have my grandchildren living in the same town when they were growing up and all four of them were in my sixth grade Sunday school class. I think all of us who are grandmothers want to be like Timothy's grandmother, Lois. I read Gabby's quote and realized how important that was to her. I can't stand by my grandchildren, but I thought I can text scriptures and quotes to them. Also, Corrie ten Boom's book, *The Hiding Place* came out when my girls were babies. I read it during their nap times. I also watched as many of her interviews as I could. She and her family were Christians in Holland and hid hundreds of Jews being smuggled to safety in a secret hiding place in their combination home and watch and clock repair store. Her entire family was caught by the Nazis and sent to concentration camps. They weren't allowed Bibles, so they taught people using the scriptures they had memorized. I heard her tell a story of finding a broken piece of pencil and writing scriptures down on little scraps of paper and giving them to people to give them hope. That inspired me to memorize more scriptures, so I could always have a Bible close to me. I started texting scriptures and different quotes to my grandkids group once or twice a week. I prayed that this would keep them in the Word and remind them their words and actions need to glorify God. One night I needed to send a new text and it took me about thirty minutes to write one and send it. I remember thinking I wish I could go online or go to Mardel's store to find a book that had the type of devotionals I wanted. My next thought was why don't I write one. I'm retired and I already have over thirty devotionals finished. I could just add about a hundred more and I would have a book of devotionals. I said a prayer and started compiling my devotion lesson plan book the next day.
