

Roots Of A Plant Jump When Tickled

R.I. Paul

Grandpa, Tell Me a Story R.I. Paul, 2020-07-08 *Grandpa, Tell Me a Story* is a collection of short stories inspired by the inquisitive minds of children looking for a way to comprehend the world around them with stories like Freddie the Flicker, Randy the Raindrop, and Douglass Dirt; the complex interactions between people with stories like Recluse the Moose and Trust; and life-lessons stories like Be Kind to Animals, Robbie and Bobbie Boots, and Thought that Became a Word. Each of the stories is based on actual interactions between Grandpa and his Grandchildren. The author used his imagination, the Bible, and the wisdom of a grandparent to provide stories that young people can understand. The author hopes the stories provide insight and a framework for moms and dads to explain the tough questions kids can ask.

The Gardeners' Chronicle, 1885

The Hitchhiker's Patchwork of Photons Monique Elizabeth Savoie, 2019-04 The novel is fiction, a tapestry of family saga with chaos and order. Is it possible to survive a misstep? The characters don't walk away from their purpose or people they care. They live with passion. They create. They stop to listen their surroundings. They hear and see. They breathe in the fresh air. It is organic; a theatrical life-survival homage. Unconditional love no matter what. The characters have the incentive to improve and do better with mindfulness-steps. They hop for a hitchhike of creative Flow. A vivid poignant 'parcour' of colourful wondering of day to day events. Perhaps invisible photons helping out to heal and learn new stitches for a decorative patchwork, a unique human masterpiece. Each character has the will to act with kindness. No bullying. No guns. But life is never perfect. Spontaneously, the characters try to modify their daily steps; a hitch-lift-ride to discover more about why do we live? and what for? This fast pace story is a recipe of flavoured ingredients from the 60s to now; spiced with historical data; homemade gardens adding to the sugary sound of musical hits. Life is mysterious. One must have good reflexes, and guidance from the elders, family, and caring friends to contour multiple happenstance twists that occurs. This is a contemporary metaphorical voyage on Blue Planet Earth. From Montréal, Québec, Ottawa, Toronto, West Coast, and abroad, do the characters appreciate? Do they make a difference? If so, how? This is a learning experience. It is up to the reader to find out. In the meantime, hug a tree with gratitude, and dally with the lightness of being towards a bountiful promise green land-of-no walls.

CRIMEAN WAR THROUGH THE EYES OF GREAT WRITERS Leo Tolstoy,Alfred Tennyson,James Joyce,2021-01-08

The Crimean war is unconventionally presented in this book, in which classic literary works are collected representing from different points of view the artistic interpretation of the legendary events. It was a military conflict taking place from October 1853 to February 1856 in which the Russian Empire lost to an alliance of the Ottoman Empire, France, Britain and Sardinia.
