What happens when you remove someone from your family group Keeps their Google Account and any content on their device purchased with the family payment method. Can't make new purchases with the family payment method, or access any services your family group shares. Loses access to your shared storage if your family shares a Google One membership.

Set up your child's contacts - Google For Families Help Important: In the Family Link app, the new contact is added only to the child's device but not the parent's contact list. Those contacts aren't actually added to the child's profile. Unless the parent-managed contacts are synced to Google contacts, those contacts will be lost when your child turns 13 (or applicable age in your country) and chooses to update their account.
