Jackie, 2024-11-30 The Love on the Ice series delivers a pulse-pounding journey through five heart-stopping books that redefine love on and off the hockey rink! Book #1: Melting the Ice Between Us (Novella) I'm not sticking around for long, just a few days. And those days? Oh, they're dedicated to one thing and one thing only: Blake's sweet taste of payback. Revenge is a dish best-served cold. Good thing my heart's already turned into a freezer. Book #2: Blades of Desire The fiery passion I once held for revenge transforms into an insatiable craving for Grayson himself. Desperate to resist, I grapple with conflicting emotions and the unraveling of a sinister plot that goes deeper than our bitter rivalry. Book #3: Cross Blades Now, Alex May is my bitter rival, his indifference cutting deeper than any blade. The looming national state championships intensify the stakes, fueling the fire of that unforgettable night. Book #4: Heated Rivalry

Graduation approaches and the choices we make will determine our fate—whether bitter separation or a love that transcends the icy battleground we call home. Book #5: *Eternal Ice Things* took a turn for the worse when I found out Coach Casey wasn't exactly who he said he was. Our relationship was forbidden, and Casey's past threatened to unravel all of it. Get ready for a ride that blends the intensity of the game with the fire of forbidden love in this MM gay hockey romance series.

Breaking the Ice Bernd Frick, 2017-11-17 This book provides a survey of the academic research and knowledge on the economics and management of professional hockey. While professional football, baseball, and basketball have been the focus of sports economists for decades, professional hockey has been left out of most economic analyses of the sports industry. This book fills that gap by presenting a selection of research focusing specifically on hockey, such as labor relations and player behavior in the NHL, salary determination and player careers, ticket demand and ticket pricing, and emerging topics such as diversity and discrimination. Expanding the available literature dramatically, this book will be an important tool for researchers as well as sports managers, and students at the advanced undergraduate and graduate level.

Title Quests: A Complete History of the National Football League's Championship Series Kelly Bell, 2024-05-24 *Title Quests: A Complete History of the National Football League's Championship Series* is a retelling of a fascinating series of championship NFL Football contests that have seen scores ranging from 7-0 to 73-0, dark suspicions of underworld interference, a game played just inshore from a roiling Gulf of Mexico hurricane, featuring teams with names such as the Boston Redskins, Chicago Cardinals, and Cleveland Rams. These games have been played in blizzards, downpours, and deserts, interrupted by power failures, featuring brothers versus brothers, witnessing wild comebacks and collapses, with a team winning the title in its very first year in the league, and marking the birth and death of dynasties. Expect the unexpected.

Leveling the Ice Steven Sandor, 2025-09-16 A deep dive into the institutional racism and prejudice in the sport of hockey that persists across all levels - and how it will impact the future of the sport While professional sports leagues claim to promote diversity and inclusivity, institutional racism remains apparent in all sports, but especially hockey. In *Leveling the Ice*, sportswriter Steven Sandor challenges the perception that hockey is open to everyone and the idea that the hockey

establishment wants more inclusion and diversity. Featuring interviews with NHL players of color like Darnell Nurse, Matt Dumba, Nazeem Kadri, Zach Whitecloud, Ethan Bear, Jason Robertson, Sandor reveals their stories of exclusion to highlight the deeply ingrained racism in the sport. The players share insights into the racism they faced while they built their careers as well as the racism, they still face today from the hockey establishment From hockey's racist past to the ongoing reluctance of the hockey establishment to embrace grassroots diversity initiatives, Sandor delves into how members of communities of color (who only make up 5% of the NHL) are being driven away from the sport to more inclusive ones like soccer and basketball, despite the NHL's expansion to new markets and demographics with billion-dollar TV deals. Comprehensive and timely, *Leveling the Ice* grapples with how the institutional racism in hockey will directly affect the future of the sport.

Ice Warriors Jon C. Stott,2011-04-15 Technically it was a minor league, but for hockey fans west of the Mississippi, the Western Hockey League provided major-league entertainment for over 25 years. The WHL was a determined and ambitious professional league, with some 22 teams based in major American and Canadian cities. Known as the Pacific Coast Hockey League prior to 1952, the WHL aspired to establish itself as North America's second major league, a western counterpart to the early eastern Canada-based National Hockey League. But it never quite managed to make the jump to the majors. *Ice Warriors* is a play-by-play history of the Western Hockey League, recalling the league's beginnings as the Pacific Coast League, how it came to rival the NHL and what led to its disbanding in 1974. By interviewing former players, coaches and fans, and examining statistical records, Jon C. Stott captures the WHL's glory days and pays tribute to a time when hockey was played with heart.

And for Rob, the last person he thought he'd find forever love with was an elementary school teacher. **SCORIN' ON THE FOURTH OF JULY:** Mikael, who just signed a free agent with the Storm, agrees to play in a charity hockey tournament over the Fourth of July weekend, where he meets Terri, a female goaltender who recently won an Olympic gold medal. Both Mikael and Terri are facing turning points in their careers.
