Think Like a Man Linda Porter Harrison, 2011-06-09 Think Like a Man and here's a thought: Start Acting Like a Man The 25 mistakes men make that prevent them from finding and keeping true love This is the perfect companion book to Steve Harvey's book Act Like a Lady. There are hundreds of books written for women on how to find a man. Yet, very few books that address the critical things that men do or don't do that prevent relationships from thriving and going to the next level. One of my personal goals is to promote marriage, and to help people stay in love. When Steve Harvey wrote the book Act Like a Lady, Think Like a Man, millions of women flocked to purchase a book that was going to show them how to get a man. To be perfectly honest with you, I didn't realize the magnitude of how naive we were as women when it came to men. However, I was equally disturbed by the fact that no one was addressing what men needed to do to rectify this relationship thing. Relationships don't simply fail because of women; men play a vital role too. I could have easily written one hundred mistakes that men make, but I chose to focus on the twenty-five mistakes that I hear repeatedly from married and single women. It is my hope, that this book will cultivate a more balanced conversation between men and women. More importantly, that this book will shed some light for men on their own relationships and that they will begin to take the necessary steps to foster and create the ultimate love.

ACT Like a Gentleman, Think Like a Woman Maria Bustillos, 2009-08-24 Writing in response to Steve Harvey's 'Act Like a Lady, Think Like a Man,' author Maria Bustillos reveals the secrets of women in order that men, too, can get what they want from women--which is to get them into bed. An absurdist meditation on the battle of the sexes--and required reading for would-be Lotharios as well as parents of teenage girls--from the author of Dorkismo: the Macho of the Dork.

Act Like a Lady, Do Not Think Like a Man Raymond Sturgis, 2011-12-20 (REVISED EDITION) Love is a beautiful gift that many people search for a lifetime to experience. However, the hardship and disappointment in relationships and marriage lead them down roads that stymie their ability to attain love. The fame comedian Steve Harvey wrote the book ACT LIKE A

LADY, THINK LIKE A MAN, and his book and movie did not prove why women should think like men. However, it revealed the obvious, that when women tried to think like men, they lost their individuality and wisdom, which invigorate their quality. This book is not a direct attack of the validity of the fame comedian; however, it is Raymond Sturgis continuation of the conversation, why should women think like a man? Moreover, women success in education, medicine and entrepreneurship is a valid indication that they achieve their success independent of what men think of them. Therefore, I submit to you, realistic analogies of why women should ACT LIKE LADY, and continue to make the world respect them for their intelligence and ability to transform this world. From faith, self-esteem, and intimacy, marriages and relationships can and will be empowered by the information in this book that evoke quality reasons why women would not be thought of inferior if they continue to think like themselves.

Act Like a Man, Think Like a Lady Should April Joy Smith, 2017-06-22 *Act Like a Man, Think like a Lady Should*, is everything men need to know about the thoughts, feelings, and desires of women. Everyone has asked the question: What do men want, need, and desire? As we ponder on desires to get it right in a relationship, men are beginning to ask the question; what about women? Men, it's time to learn and become more familiar and knowledgeable about what drives women? What makes a woman and what breaks a woman as you enter into a committed relationship of the unknown. Women are always told what to look for in men, what to expect of men, and why men do what they do. It's finally time for men to get educated on what a woman wants and need from her man. After reading New York Times #1 Bestseller *Act Like a Lady, Think Like a Man* by Steve Harvey, a man's point of view. Act Like a Man Cedrick Brown, 2013-10 The book *Act Like a Man: Woman, Can You Help Me?* by Cedrick Brown unmistakably and intimately reiterates in a fresh way the words of the Apostle Paul found in 1 Corinthians 16:13-14 Be on the alert, stand firm in the faith, act like men, be strong. Let all that you do be done in love. The three words: act like men found in the above passage of Scripture are strong, weighty, and pack a potentially offensive statement. Nevertheless, these explosive words could, should ignite a sense of responsibility within the heart of every man across the planet, or at least in the heart of you, the reader. *Act Like a Man: Woman, Can You Help Me?* like the three words: act like men was not written to scold the men of this age or to reprimand the American male or to shame men around the world into action. May I say, that it

was inspired by God, put to paper through the pen called man to perpetually communicate an intentional message to men alone. This book will be guaranteed to sound an alarm within the heart of every man that reverberates throughout generations.

Act Like A Man, Think Like a Lady Aaron Fraser, 2009-10-30 This book answers the many questions that Steve Harvey not only omitted but failed to disclose. This book is also a page by page analysis of Steve's ,or should I say, Denine Milners' book. It uncovers the lies, myths and false truths of someone that clearly has missed the mark and fails to practice what he preaches.
