Carpenters On Track Paul Tornbohm, 2024-05-15 The brother and sister team of Karen and Richard Carpenter rank as one of the most successful acts in pop music history. Between the first Carpenters' album released in 1969 and their final studio album together in 1981, they achieved three Grammy awards, 18 hits in the US Top 20 (and ten in the UK) and multiple platinum discs, leading to eventual sales of over 100 million copies worldwide. Although the group's career was brought to a tragic and premature end by the untimely death of Karen Carpenter in 1983, they remain a much-loved band. The Carpenters crafted their own distinctive sound with multi-part harmonies and lush arrangements. A unique singer and gifted interpreter of songs, Karen was also passionate about playing the drums, with Richard's talents extending to keyboards, singing, composing, arranging and producing. This book explores the background to each of their studio albums and classic singles, as well as their solo recordings, live albums and compilations of rare tracks. From their earliest recordings in a jazz trio through to Richard's reinterpretations of their best-known songs with the Royal Philharmonic Orchestra, and as a solo pianist, this appraisal looks at over 55 years of Carpenters material. Paul Tornbohm is a songwriter and musician. As befits a Carpenters fan, he has recorded an album of his songs, August Afternoons, with his sister Cathy on lead vocals. A former member of the 'ghost-rock' group Piano Magic, Paul has also released the solo EP Down an English Lane. Additionally, he composes for Spontaneous Productions, a theatre company in Sydenham, London. Paul has a Masters in music production from Kingston University, teaches music qualifications at a sixth-form college in Surrey and lives in Crystal Palace, London, with his wife, the composer Yumi Mashiki. This is his first book.

The Assignment Penelope Ward, 2022-02-28 From New York Times bestselling author Penelope Ward, comes a new standalone novel. Reasons why I should not be drawn to Troy Serrano. Number one: He's obnoxious. Number two: He and I were enemies over a decade ago in high school. Number three: He's my friend's ex-boyfriend. I could go on and on, really. When my boss gives me an unwanted assignment and tells me it involves spending time with the grandson of one of our residents—the grandson turns out to be Troy. He's now as successful as he is undeniably handsome. Lucky me. Four hours a week of having to deal with his insufferable personality and unsolicited advice. The only consolation is getting to stare at his annoyingly gorgeous face in between our many arguments. Eventually, though, we slowly warm to each other and our outings become something I actually look forward to. What's happening to me? Apparently, I misunderstood the assignment, because it certainly didn't include thinking about Troy when I close my eyes at night, imagining what it would be like with him—just once. All the while hating myself for fantasizing about a guy who's all wrong for me. A guy whose car I keyed back in the day. (Long story, but he deserved it.) That's all this is—a fantasy. Well, until that one night at the bar. The night Troy and I run into each other, and all of our pent-up frustration comes barreling out. Still, I refuse to accept that it means anything. There's no way the guy I'm supposed to hate is also the one I can't live without.

Carpenters Mike Cidoni Lennox, Chris May, 2021-11-16 Introduction by Richard Carpenter The definitive biography of one of the most enduring and endeared recording artists in history—the Carpenters—is told for the first time from the perspective of Richard Carpenter, through more than 100 hours of exclusive interviews and some 200 photographs from Richard's personal archive, many never published. After becoming multimillion-selling, Grammy-winning superstars with their 1970 breakthrough hit (They Long to Be) Close to You, Richard and Karen Carpenter would win over millions of fans worldwide with a record-breaking string of hits including We've Only Just Begun, Top of the World, and Yesterday Once More. By 1975, success was taking its toll. Years of jam-packed work schedules, including hundreds of concert engagements, proved to be just too much for the Carpenters to keep the hits coming—and, ultimately, to keep the music playing at all. However, Richard and Karen never took their adoring public, or each other, for granted. In *Carpenters: The Musical Legacy*, Richard Carpenter tells his story for the first time. With candor, heart, and humor, he sheds new light on the Carpenters' trials and triumphs—work that remains the gold standard for melodic pop. This beautifully illustrated definitive biography, with exclusive interviews and never-before-seen photographs, is a must-have for any Carpenters fan.

Funny Boy Jessica Max Stein, 2024-03-15 The most sensational, perpetual teenager in the world.” —Jim Henson To know him was to love him, and we do. —Mark Hamill *Funny Boy: The Richard Hunt Biography* tells the life story of a gifted performer whose gleeful irreverence, sharp wit and generous spirit inspired millions. Richard Hunt was one of the original main five performers in the Muppet troupe. He brought to life an impressive range of characters on *The Muppet Show*, *Sesame Street*, *Fraggle Rock* and various Muppet movies, everyone from eager gofer Scooter to elderly heckler Statler, groovy girl Janice to freaked-out lab helper Beaker, even early versions of Miss Piggy and Elmo. Hunt also acted, directed and mentored the next generation of performers. His accomplishments are all the more remarkable in that he crammed them all into only 40 years. Richard Hunt was just 18 years old when he joined Jim Henson's company, where his edgy humor quickly helped launch the Muppets into international stardom. Hunt lived large, savoring life's delights, amassing a vivid, disparate community of friends. Even when the AIDS epidemic wrought its devastation, claiming the love of Hunt's life and threatening his own life, he showed an extraordinary sense of resilience, openness and joy. Hunt's story exemplifies how to follow your passion, foster your talents, adapt to life's surprises, genuinely connect with everyone from glitzy celebrities to gruff cab drivers – and have a hell of a lot of fun along the way.
