

Hour Of The Wolf Meaning

Vanessa Sinclair

Wolf's Hour Robert McCammon, 1990-08-15 Michael Gallatin--masterspy, romancer, and werewolf--bears an ancient curse that can rapidly transform him into an insatiably bloodthirsty carnivore, and this terrifying other self becomes America's only hope against Nazi brutality

Ingmar Bergman Richard Lippe, Robin Wood, 2012-12-15 An expanded version of Robin Wood's influential study of Ingmar Bergman, including more recent essays on the director. At a time when few reviewers and critics were taking the study of film seriously, Robin Wood released a careful and thoroughly cinematic commentary on Ingmar Bergman's films that demonstrated the potential of film analysis in a nascent scholarly field. The original Ingmar Bergman influenced a generation of film scholars and cineastes after its publication in 1969 and remains one of the most important volumes on the director. This new edition of Ingmar Bergman, edited by film scholar Barry Keith Grant, contains all of Wood's original text plus four later pieces on the director by Wood that were intended for a new volume that was not completed before Wood's death in 2010. In analyzing a selection of Bergman's films, Wood makes a compelling case for the logic of the filmmaker's development while still respecting and indicating the distinctiveness of his individual films. Wood's emphasis on questions of value (What makes a work important? How does it address our lives?) informed his entire career and serve as the basis for many of these chapters. In the added material for this new edition, Wood considers three important films Bergman made after the book was first published--*Cries and Whispers*, *Fanny and Alexander*, and *From the Life of the Marionettes*--and also includes significant reassessment of *Persona*. These pieces provocatively suggest the more political directions Wood might have taken had he been able to produce *Ingmar Bergman Revisited*, as he had planned to do before his death. In its day, Ingmar Bergman was one of the most important volumes on the Swedish director published in English, and it remains compelling today despite the multitude of books to appear on the director since. Film scholars and fans of Bergman's work will enjoy this updated volume.

Klein, Sartre and Imagination in the Films of Ingmar Bergman Dan Williams, 2015-07-28 This book explores connections between the diverse ideas of Melanie Klein, Jean-Paul Sartre and Ingmar Bergman. These ideas are explored in relation to their shared focus on imagination and through detailed readings of a number of Bergman's key films.

Psychoanalytic Perspectives on the Films of Ingmar Bergman Vanessa Sinclair, 2022-12-01 Psychoanalytic

Perspectives on the Films of Ingmar Bergman presents a contemporary Freudian-Lacanian assessment of this classic director. This collection is the first to bring together this unique psychological perspective on Bergman's work. While Bergman and his films have been written about throughout the decades, until now there has not been a collection anthologizing Freudian-Lacanian perspectives on his work. Vanessa Sinclair brings together an international community of scholars and practicing psychoanalysts - some of whom are also filmmakers - to reflect on Bergman's films, life, and work in philosophical, historical, and cultural contexts. They assess individual films in depth, compare multiple films, and focus on Bergman's life and work in a cultural context. This book includes chapters on seminal films including *Persona* and *The Silence*. *Psychoanalytic Perspectives on the Films of Ingmar Bergman* will be essential reading for academics and students of film studies, psychoanalytic theory, and Lacan, and of great interest to psychoanalysts and psychotherapists.

A STUDY OF THE MEANING AND SYMBOLISM OF THE ARTHURIAN POETRY OF CHARLES WILLIAMS. CORNELIUS PATRICK. CROWLEY,1952

The Midnight Hour Eve Chase,2025-08-05 In this thrilling, richly woven novel that spans from bustling London streets to the boulevards of Paris, a woman with a dark family secret tries to turn back the hands of time before it's too late. "A wonderful twisty novel of family and secrets—the perfect summer read."—Kate Morton, bestselling author of *Homecoming* Notting Hill, London: One May evening, seventeen-year-old Maggie Parker's mother walks out of their front door and doesn't return. With her little brother in tow, desperate to find their mother, Maggie is drawn into a labyrinthine world of secondhand shops and shadowy figures, far from the grand townhouses in her comfortable neighborhood. As Maggie struggles to maintain a stable life for herself and her brother, she befriends Wolf, another young person also living on his wits alone. But can he help solve the mystery of her mother's disappearance—or will her growing feelings for him just cause her further pain, upending her life even more? When she discovers that her beloved house now holds a dangerous new secret, and Wolf is involved, Maggie, heartbroken, makes her escape. Twenty-one years later, in her Paris apartment, Maggie gets a phone call that shatters her hard-won new life. While in London, the incoming owner of the Parkers' old Notting Hill house is excavating the basement, unaware of what might lie beneath—and the clock starts ticking on buried secrets.

Wolf's Fall J.D. Tyler,2014-12-02 A top secret team of wolf shifters, the Alpha Pack are former Navy SEALs that use their Psy powers to take on the world's greatest predators. But while each member is loyal to the pack, it can be hard to deny the call of desire... Still tormented by his recent captivity, Alpha Pack commander Nick Westfall isn't sure he's fit to lead—especially when he meets the one woman he can't claim without reliving the torture he endured at the hands of a rogue vampire. Vampire princess Calla Shaw has seen her own share of heartbreak, but she can tell that the wild attraction she and Nick feel for each other could turn into something significant—if only he'd let it. But Calla isn't about to give up on her mate without a fight. Time is running out, not only for Nick to claim his mate, but for Calla and her coven. A vampire war is on the horizon, one the Alpha Pack can't hope to win if their leader can't pull himself back from the abyss...

The Value and Meaning of Life Christopher Belshaw,2020-10-28 In this book Christopher Belshaw draws on earlier

work concerning death, identity, animals, immortality, and extinction, and builds a large-scale argument dealing with questions of both value and meaning. Rejecting suggestions that life is sacred or intrinsically valuable, he argues instead that its value varies, and varies considerably, both within and between different kinds of things. So in some cases we might have reason to improve or save a life, while in others that reason will be lacking. What about starting lives? The book's central section takes this as its focus, and asks whether we ever have reason to start lives, just for the sake of the one whose life it is. Not only is it denied that there is any such reason, but some sympathy is afforded to the anti-natalist contention that there is always reason against. The final chapters deal with meaning. There is support here for the sober and familiar view that meaning derives from an enthusiasm for, and some success with, the pursuit of worthwhile projects. Now suppose we are immortal. Or suppose, in contrast, that we face imminent extinction. Would either of these threaten meaning? The claim is made that the force of such threats is often exaggerated. *The Value and Meaning of Life* is essential reading for students and researchers in philosophy, ethics, and religion, and will be of interest to all those concerned with how to live, and how to think about the lives of others.
