The Missing JFK Assassination Film Gayle Nix Jackson, 2016-07-12 Orville Nix is not the typical JFK assassination book. This book does not attempt to answer the question of who killed John F. Kennedy; instead, it addresses why we should question the actions of those involved and why the truth was withheld from the people. Though copies of Orville Nix's film exist, the original film is missing. Why? The FBI confiscated Orville's camera for several months, then returned it in pieces. Were these actions sinister or were they just examples of governmental incompetence? Orville Nix exposes information about the House Select Committee staff's involvement in the missing film. Author Gayle Nix Jackson's interviews with people who were close to Orville and the film will shed light on the government's involvement with the filmmaker. Gayle Nix Jackson is the granddaughter of Orville Nix. As his eldest granddaughter, Nix Jackson shares experiences growing up with her beloved grandfather and on how his views changed after that fatal day. Hearing his story precipitated the quest Jackson is still on to find the film. Her grandfather was there that day for a reason, and if the original Nix film could be located, modern-day technology could determine if there was indeed another person behind the stockade fence or not. Questions still abound today as to whether or not the film was altered. Finding the original Nix film would answer one of the most enduring questions related to this horrific event: Was there a conspiracy to kill John F. Kennedy on November 22, 1963? Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Twilight Zone Harlan Ellison, Whitley Strieber, Peter Crowther, Joe R. Lansdale, Loren D. Estleman, Peter S. Beagle, Laura Lippman, 2009-08-12 An original anthology celebrating Rod Serling's landmark television series. When it first aired in 1959, The Twilight Zone was nothing less than groundbreaking television. Freed from much of the censors' strict oversight because

of the show's classification as science fiction, the 156 filmed episodes explored powerful and moving human themes—love, hate, pride, jealousy, terror—in their own unique style. The show has since inspired two revivals, as well as fiction, comic books, and magazines, and even a pinball game and theme park rides. Just as important, it sparked the imaginations of countless writers, filmmakers, and fans around the world, and is considered a seminal show for broadening the horizons of television. This anthology will be an all-new collection of stories written in the vein of the original television show. Edited and featured and introduction by Carol Serling, the anthology will include brand new stories by science fiction and fantasy luminaries such as Whitley Strieber, Loren D. Estleman, Joe Lansdale, R. L. Stine, Timothy Zahn, and Peter S. Beagle, as well as writers from the original series, Earl Hammer and Harlan Ellison®, all in honor of Rod's incredible vision. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
