

Amar A Dios En Tierra De Indios

Philip Garrison

Tierras bárbaras Alfredo Espinosa,2004-01-01

El indio y la indianidad en la obra de Jean-Marie Gustave le Clézio Yvonne Cansigno,2002

Because I Don't Have Wings Philip Garrison,2022-10-04 For Mexican workers, the agricultural valleys of the inland Northwest are a long way from home. But there they have established communities, settlements recent enough that it feels like these newly arrived immigrant mexicanos are pioneers, still getting used to the Anglos and to each other. This book looks at the inner lives of Mexican immigrants in a northwestern U.S. boomtown, a loose collection of families from Michoacán and surrounding states living a mere 150 miles from Canada. They are more isolated than most mexicano communities closer to home, and they endure severe winters that make life more difficult still. Neighborhoods form, dissolve, and re-form. Family members who leave may stay in touch, but friends very often simply vanish, leaving only their nicknames behind. Without a market or a plaza, residents meet at weddings, christenings, and funerals—or at the food bank. Philip Garrison has spent most of his life in this region and shares in vivid prose tales of immigrant life, both contemporary and historical, revealing the dual lives of first-generation Mexican immigrants who move smoothly between the Yakima Valley and their homes in Mexico. And with a scholar's eye he examines figures of speech that reflect mexicano feelings about immigrant life, offering glimpses of adaptation through offhand remarks, family spats, and town gossip. Written with irony but bursting with compassion, Because I Don't Have Wings features vivid characters, telling anecdotes, and poignant reflections on life, unfolding an immigrant's world strikingly different from the one we usually read about. Adaptation, persistence, and survival, we learn, are traits that mexicano culture values. We also learn that, over time, mexicano immigrants don't merely adapt to the culture of el norte, they transform it.

La anarquía del lenguaje en la América española Darío Rubio,1925

Dichos! The Wit and Whimsy of Spanish Sayings Joseph J. Keenan,2019-02-19 A language guide “exploring nearly 300 old and new expressions, proverbs and folk wisdom” from the author of Breaking Out of Beginner’s Spanish (The Eagle). One of the most challenging—and entertaining—aspects of learning another language is the idiom. Those quirky phrases, steeped in metaphor and colorful cultural references, enliven conversation and make your cross-cultural communication familiar, fun, and meaningful. ¡Dichos! (Sayings) brings us a vibrant compendium of both age-old and brand-new expressions from across

Latin America, compiled by the language enthusiast whose *Breaking Out of Beginner's Spanish* transformed thousands of readers' interactions with the Spanish language. *iDichos!* is divided into thematic sections covering topics ranging from games and relaxation to politics, macho men, and Mondays. Spanish speakers can also use the book to identify the spot-on/best slangy English equivalent for a Spanish-language idiom. Packed with gems like *La barba me huele a tigre, y yo mismo me tengo miedo* (My beard smells of tiger, and I'm even afraid of myself) and *Para todo mal, mezcal; para todo bien, también* (For everything bad, mezcal; for everything good, likewise), this book is the ultimate tool for taking your language skills to the next level as you navigate nuance with humor and linguistic agility.

Relacion historial de las misiones de indios chiquitos que en el Paraguay tienen los padres de la Compañía de Jesús Juan Patricio Fernández, 1895

Archivo Documental Espanol., 1948

Relación historial de las misiones de indios Chiquitos que en el Paraguay tienen los padres de la Compañía de Jesús J. Patricio Fernández, 1895

Las misiones de indios chiquitos que en el Paraguay tienen los padres de la Compañía de Jesús Juan Patricio Fernández, 2020-02-24 El libro *Las misiones de indios chiquitos que en el Paraguay tienen los padres de la Compañía de Jesús* de Juan Patricio Fernández ofrece una detallada exploración de las reducciones jesuíticas en Paraguay, enfocándose en la vida cotidiana de los indígenas en estas comunidades. A través de un estilo narrativo accesible y una prosa que alterna entre lo descriptivo y lo testimonial, Fernández proporciona un valioso contexto histórico y social del siglo XVIII. Su obra no solo se adentra en los aspectos religiosos y educativos de las misiones, sino que también revela las complejidades de las interacciones culturales entre europeos y nativos, en un marco que pone de relieve el entrelazamiento de ideologías y prácticas cotidianas. Juan Patricio Fernández, un destacado investigador y académico, ha dedicado su carrera al estudio de la historia colonial de América del Sur, especialmente la influencia de los jesuitas en las comunidades indígenas. Su formación

en antropología e historia le ha permitido acercarse a estos temas con una perspectiva crítica, analizando no solo el impacto directo de las misiones, sino también las resonancias culturales que perduran hasta el día de hoy. La profundidad de su investigación se ve reflejada en sus fuentes primarias y su atención al detalle. Recomiendo encarecidamente Las misiones de indios chiquitos a cualquier lector interesado en la historia colonial, la antropología cultural o el estudio de las relaciones entre Europa y América. La obra de Fernández es fundamental para entender no solo el fenómeno de las misiones jesuíticas, sino también su legado y las dinámicas sociales que aún afectan al Paraguay contemporáneo. Su perspicacia y claridad hacen que el libro sea accesible a un amplio público académico y general.

Kino en California. Textos, cartografías y testimonios 1683-1711 Carlos Lazcano Sahagún, Gabriel Gómez Padilla ,2021-09-07 Cuando el jesuita Eusebio Kino conoció California, quedó impresionado de esta gran región y sus habitantes indígenas. A pesar de que ya no regresó a ella, nunca la olvidó. A lo largo de sus cartas, informes, y de su famoso diario Favores Celestiales, Kino la menciona constantemente. Todos sus proyectos y su presencia misma en Sonora, estuvieron en función de California. Sin su apoyo, la misión evangelizadora de Juan María Salvatierra se hubiera sumado a la larga lista de fracasos por establecer esta provincia. Es así que sin Kino no se explica California, y sin California no se explica la Pimería. La edición digital de esta obra ofrece, relatos, mapas y fotografías espectaculares para hacer un viaje al pasado y ser parte de esa excepcional y apasionante relación entre el padre Kino y California, de la cual nació lo que hoy son los estados de Baja California Sur y Baja California.
