**Rapid Dominance [Black Ops Brotherhood 1]** Bella Juarez,2012 [Siren Classic: Erotic Romantic Suspense, public exhibition, light bondage, spanking, food play, HEA] Engineering student Victoria Saenz lands a dream job as a housekeeper while she attends graduate school. Major Reese Thompson, USMC, is no ordinary master of the house. His hard body and strict military manner are male perfection. Reese is stuck in a loveless marriage with a hypochondriac wife. He returns from Iraq to divorce papers left with his maid. Victoria agrees to stay, to help him pick up the pieces, but Reese's attraction to Victoria grows every day as the house seems to get smaller. The brunette beauty is there at every turn, tempting him. They discover a deep, sometimes dark love for one another as danger looms. The terrorist cell Reese has worked tirelessly to take down has a secret weapon in their war against Reese. Will Reese and Victorias love withstand the storms of war, despite all the forces threatening to tear them apart? \*\* A Siren Erotic Romance

*Big Research Questions about the Human Condition* Arne Jarrick,2020-11-30 The book is a manifesto-like essay aiming to redress some globally present drawbacks characterizing current research in the humanities: 1. Fragmentation and thematic volatility; 2. A reluctance to acknowledge that humanities research is a truth seeking enterprise as all scientific research; 3. A certain unwillingness (or inability) to ask clear questions and to provide distinct answers to these questions. The book consists of three parts: A. Introduction, where the problem and the purpose of the book is presented; B. six chapters, each presenting a certain topic that I suggest that humanist scholars gather around with sustained efforts; C. Conclusion with some words of how to proceed and a section discussing what the humanities or should and are not or should not be.

**Dance of Love (Ubuntu African Romance series)** Inge Saunders,2015-06-02 All roads lead to Rome when Ashley Solomons embarks on fulfilling her dream to become a world-class dancer. But there's one person who stands in her way. "It's a no from me," Antonio Machiavelli. When Antonio's auditions for a lead principal end in wintry Cape Town, the last thing he expects is to have more than a knee-jerk reaction to an audition. Ashley not only verbally challenges him, but also translates her fire and cheekiness into an edge of your seat performance. Can Antonio keep his distance from Ashley? Can Ashley focus on fulfilling her dream of becoming a lead principal? Or will love have its way?

**Remember the Alamo** Amelia E. Barr,2021-04-25 In *Remember the Alamo*, Amelia E. Barr presents a compelling narrative that intricately weaves historical fact with richly imagined characters, illuminating the legendary struggle of Texan independence. Barr's literary style is marked by vivid imagery and a poignant, lyrical quality, drawing readers into the heart of the Texan Revolution. Set against the backdrop of the Alamo, her prose captures the courage, despair, and unwavering spirit of those involved, situating the work within the tradition of historical fiction that aims to resurrect and reflect on pivotal moments in American history. Amelia E. Barr, an English-born author who immigrated to America, was deeply influenced by her own experiences and the cultural narratives surrounding her. Her understanding of the complexities of frontier life and the American spirit lends authenticity to her depiction of the Alamo's events. Barr's background as a novelist and her engagement with themes of valor and sacrifice in the face of adversity resonate profoundly throughout this work, revealing her passion for storytelling and history. *Remember the Alamo* is not just a recounting of historical events; it is a rich tapestry of human emotion and resilience that invites readers to reflect on the past while drawing parallels to contemporary struggles. This book is a must-read for history enthusiasts and lovers of gripping narratives alike, as Barr masterfully transports readers to a defining moment in American history.

**Iris Murdoch and the Ancient Quarrel** Lyra Ekström Lindbäck,2024-04-18 Lyra Ekström Lindbäck revisits the crucial distinction between literature and philosophy in Iris Murdoch's work to make a convincing case for understanding the particularity of literature and her insistence on the separation between the two. *Iris Murdoch and the Ancient Quarrel* makes a break with existing scholarship on Murdoch's philosophy and literature that ultimately re-states the philosophical value of literature, alongside literary aspects of philosophy. This book differs by deepening Murdoch's insistence on the differences between the disciplines, providing a consistent and polemical argument for the distinction between literature and philosophy more generally. Engaging thinkers such as Plato, Kant, Hegel, Sartre, Weil, and Cavell, *Iris Murdoch and the Ancient Quarrel* delves into the aesthetic characteristics that distinguish philosophy and literature. Through a discussion of the illusion of

sense, the role of conceptual thinking in literature, the clash between epistemology and fiction, the artifice of tragedy, and the ambiguous morality of artistic inspiration and experience, this study reveals literature as essentially other to philosophy.
