American dream Vojtěch Žák, Personal development fable about a young delinquent who was given a second chance. No friends, two hundred hours of community service, and an obligation to attend ten sessions with a coach acting as a probation officer. David is definitely not happy about this. Why should he care about some random dude who pretends to know

everything? David won't tolerate this mistreatment and will sabotage it in every way possible. At least, that's what he believes... American Dream takes you on the journey of a young boy, mistreated by the world, who begins to understand that his life is his own responsibility. If he wants happiness, he'll have to create it for himself.

The New Early Childhood Professional Valora Washington,Brenda Gadson,Kathryn L. Amel,2015-08-14 For today's early childhood educator, change is a non-negotiable reality. While the size, force, and direction of change can often seem overwhelming, this book shows the way toward overcoming these gigantic odds or Goliaths. The New Early Childhood Professional recounts some of the heroic stories and strategic approaches used by early childhood educators who participated in the CAYL Institute Fellowship programs. The authors share a specific framework with concrete steps to help educators become positive change makers in the field of early care and education. Complete with resources, tools, and questions for reflection, this handbook takes readers through four progressive paths toward becoming an architect of change: Analysis, when confronting seemingly insurmountable situations, instead of being overwhelmed, think and reflect about the situation

and discover hidden insights; Advance, better understand the nature of problems while also strengthening your vision and identity through planning and preparation; Act, begin with everyday challenges and use what you know from every situation, in every interaction with a child, parent, peer, or administrator; and Accelerate, focus on what you want to change, gather allies, document, and communicate.

Summary of The Four Agreements , Summary of The Four Agreements - every action we take is the result of agreements we have made, including agreements with God, other people, ourselves, and the universe. The agreements we establish with ourselves, though, are the most significant. We define who we are, how to act, and what is feasible and impractical for us in these agreements. A single agreement may not be a big deal, but we frequently make agreements out of fear that drain our strength and make us feel less valuable. It explores the root of self-limiting ideas that rob us of joy and cause unnecessarily pain. A strong rule of behavior based on the wisdom of the Toltecs, can quickly change our lives and forge a new sense of liberation, genuine happiness, and love.
