The Glass Islands Mark Heyward,2023-07-01 When Australian Mark Heyward decides to build a home and raise a family on the island of Lombok, east of Bali, he has little idea of what is to come. Riots and battles, mythical princesses, magical voyages, birth and death, love and loss – the story takes us into the heart of Indonesia, a country where Mark has lived on and off for twenty years, but never on an island like this. The call to prayer echoes in the valleys as the sun drops behind the island. The oceans answer to the tug of the moon, the seasons turn, the rains come and go. Some things never change. The love of a man for his wife, for his children; his desire to build, to create, to leave a mark on this good earth; his struggle to survive, his love of life, his fear of death. This is the heart-warming story of one family's attempt to build a new life in paradise.

Lin-Manuel Miranda Daniel Pollack-Pelzner,2025-09-09 An intimate and captivating exploration of Lin-Manuel Miranda's artistic journey, revealing how the creator of the Broadway musicals *Hamilton* and *In the Heights* found his unique

voice through bold collaborations, redefining the world of musical theater. How did Lin-Manuel Miranda, the sweet, sensitive son of Puerto Rican parents from an immigrant neighborhood in Manhattan, rise to become the preeminent musical storyteller of the 21st century? *Lin-Manuel Miranda: The Education of an Artist* is his incredible story as never told before, tracing Miranda's path from an often isolated child to the winner of multiple Tonys and Grammys for his Broadway hits *Hamilton* and *In the Heights*; a global chart-topping sensation for his songs in Disney's *Moana* and *Encanto*; and the recipient of a Pulitzer Prize and a MacArthur Genius Grant. Miranda's journey is a testament to the power of creativity, collaboration, and cultural synthesis. He was not a musical prodigy, but an insatiable drive to create art and learn from those around him propelled him to fuse his Latino heritage with pop, hip-hop, and the musical styles of Broadway. His was a new way of telling American stories, and of speaking to new audiences. Drawing on interviews with Miranda's family, friends, and mentors—and many conversations with Miranda himself—Daniel Pollack-Pelzner delves into the formative experiences that shaped Miranda as an artist, from his early musicals in high school and college to the creation of his Broadway and Hollywood triumphs. With full access to Miranda's inner circle, this behind-the-scenes origin story is sure to captivate his legions of fans and beyond.

The Wild Tchoupitoulas' The Wild Tchoupitoulas Bryan Wagner, 2019-10-31 *The Wild Tchoupitoulas* is a definitive expression of the modern New Orleans sound. From *Hey Pocky A-Way* to *Big Chief Got a Golden Crown*, the album draws on carnival traditions stretching back a century, adapting songs from the Mardi Gras Indians. Music chanted in the streets with tambourines and makeshift percussion is transformed throughout the album into electric rhythm and blues accented funk, calypso, and reggae. The album bridges not only genres but generations, linking the improvised flow from group leader George Landry, better known as Big Chief Jolly, to the stacked harmony vocals by his nephews Aaron, Art, Charles, and Cyril—the core members of the soon-to-be-formed Neville Brothers, playing together here for the first time. With production from Allen Toussaint and support from The Meters, the city's preeminent funk ensemble, *The Wild Tchoupitoulas* brings an all-star brigade, pressing these old anthems into new arrangements that have since become carnival standards. In the process, the album helped to establish the terms by which processional second-line music in New Orleans would be commercialized through the record industry and the tourist trade, setting into motion a process that has raised more questions than it has answered about autonomy, authenticity, and appropriation under the conditions of a new cultural economy.

The Great Dobro Sessions Stacy Phillips, 2011-02-24 Includes every note of every solo by the nine top resonator guitarists who contributed to the Grammy Award-winning album of the same title. All 20 tunes (including the 11 solos on *Fireball Mail*) appear in tablature with commentary and chordal accompaniment. Features Jerry Douglas, Buck Graves, Mike Auldridge, Curtis Burch, Sally Van Meter, etc. (This book does not include Gene Wooten's rendition of *Day Tripper* from the CD.)

Massacre in Norway Stian Bromark, 2014-04-15 On July 22, 2011, a bomb went off outside government buildings in Oslo,

Norway, killing eight people and injuring more than two hundred. Less than two hours later, a gunman claimed sixty-nine lives in a shooting spree at a summer camp on the island of Utøya, while terrified and desperate youths tried to hide or swim to the mainland to escape. *Massacre in Norway* is the first detailed, hour-by-hour account of the two sequential terrorist attacks by lone-wolf terrorist Anders Behring Breivik. To inform his literary reportage, Stian Bromark compiled interviews with survivors, police officers, government employees, boatmen rescuers, and others who experienced the attacks—the deadliest in Norway since World War II. *Massacre in Norway* provides crucial, in-depth context for the story including a riveting background portrait of Breivik, the right-wing extremist the police arrested, charged, and convicted of the crime, as well as a history of the Labor Party youth camp on Utøya and its significance in the country's political landscape. An epilogue covers the trial in 2012 and interviews with the survivors. *Massacre in Norway* delivers an insightful portrayal of the darkest day in modern Norwegian history.

Outa My Mind Edgar Goldenthal, 2008-03 World War II veteran, dentist, and university professor Edgar J. Goldenthal draws on the rich experiences and thoughts of his own life to deliver this fascinating and provocative collection of short stories. From the attack on Pearl Harbor in 1941 to the happenings at a scientific research center in 2053 Florida, Goldenthal's tales explore the curious nature of life's inevitabilities. *The Fourth Floor* tells of a grieving husband heartbroken over his wife's death, while *58th and Broadway* reveals the subconscious thoughts of a man hit by a drunk driver in New York City. *Sabcha* recounts one woman's experience hiding from the Russians during World War II, and *Nicolas* tells of a kindergarten teacher who decides to divulge the truth about Santa Claus to her unsuspecting students. Ranging from the serious to the downright zany, the stories in *Outa My Mind* encompass one man's unique, often surprising, and always entertaining take on the world.

Both Hunter and Hunted Vincent Joyce, 2001-01-15 A cold war adventure that can now be told In 1975, a Foreign Service officer who doubled as a CIA agent wrote a novel disguising a climactic espionage encounter that took place in Istanbul, the outcome of which altered the balance of power between cold war adversaries. He submitted his manuscript to headquarters which arbitrarily refused to grant clearance and it languished in agency files stamped Most Secret do not release. However, a senior agency analyst recently purloined a copy from headquarters and passed to the ex-agent. This story of action, adventure, romance and two improbable heroes can now be told in *Both Hunter and Hunted*.

Reflections Peter James Ford, 2024-03-27 Peter James Ford, *The Unlikely Messenger*, is a unique individual with a broad understanding of life from having lived life from many lifestyles. Peter experienced the good, the bad, the ugly, and then an

awakening and redemption. His younger years found him struggling with alcoholism and the drugs of the sixties, with having learning disabilities, including attention deficit disorder, and growing up in a violent environment. Peter turned to physical training and motorcycles and found much satisfaction in both. At an early age Peter crawled into the 12-step recovery program a broken man. This was the beginning of Peter's spiritual journey. Over the years, Peter attained the promises of the program and began living a great life. Many years later, Peter was initiated into a yogic path that had begun thousands of years ago by an ancient lineage of Masters. Peter did not realize that his profound spiritual experience at that time was actually a powerful "Kundalini Awakening" within him. Shortly after his awakening, these mystic tales of past lives and powerful wisdom truths began flowing. Peter has just completed his seventh book about his life adventures and spiritual journey. Peter hopes people find something useful in his writings, or at least that they will bring a smile to your face when thinking about Peter, this "Unlikely Messenger."
