Beauty Bites Beast Ellen Snortland,1998 Looks at how family, religion, history, news and entertainment keep women thinking they are defenseless. Snortland contends that women are capable of defending themselves and their loved ones--if they learn how. She argues that is not the female's size, it is her culturally induced ignorance that makes her think she is helpless. Snortland offers a clarion call to all women to wake up and take charge of their own self-defense--both verbal and physical--and celebrates women (and kids) who fought back. --Adapted from publisher description.

The Jasper Love Trilogy Onyx Cantor, 2020-03-02 This is the story of one man's triumph over Cult Religion. As a preacher's son, Jasper Love struggled to comply with the dogma and bigotry of the unpredictably changeable Doctrine of Good Enough dictated by Cult Religion. He and four sisters labored to comply with cult demands consistent with their mother's mantra: "People expect preacher's kids to be perfect." The Voice of Truth (bestowed on Jasper as a child in a genuine salvation encounter with Jesus Christ) conflicts with voices of deception from pulpits and pews, triggering crippling anxiety, depression, and suicidal ideation. Further compounding his confusion is a terrifying awareness of the cult's distortion of scripture concerning his innate identity. When a Connecticut preacher detects his private struggle, the Bible scholar promises: "If you marry a good Pentecostal girl, this thing will just fade away." Jasper foolishly accepts the challenge, believing that the pastor's counsel is based on Truth. A 32-year battle ensues, during which a Pentecostal preacher's daughter who, aware of his struggle and trained in Exploitation of Advantage, manipulates and controls the miserable husband who strives to suppress and conceal an innate identity which "simply won't leave me alone." Cultists despise his genuine relationship with God when the Holy Spirit weakens the tenacious grasp of the antiChrist's claim on his soul, rescuing him from abominable doctrines through Spiritual Enlightenment to Truth Absolute. Spiritual Warfare ensues, during which he is molested by authority figures, betrayed by cult dishonesty, falls into sin, is attacked by demons, and is delivered by the Holy Ghost through visions of spiritual combat between the demons of Cult Religion and the Angels of Truth. In the

end, his foolish attempt to conform with the Doctrine of Good Enough predictably results in the destruction of everything he wasted a lifetime building: marriage, family, home, career, material wealth, and reputation. Yet, in losing all, he is delivered from the Darkness of cult idolatry, whereupon he is finally free to immerse himself in genuine Truth, Light, and Love, breaking the tyrannical chains of Cult Religion. Released by the Holy Spirit from cult bondage, he is at last unleashed to fulfill his destiny: To teach the Truth about Jasper Love (that boundless, unconditional love known only to those who genuinely experience Spiritual Enlightenment) to a people deceived by the hateful harlots of idolatry who are nothing more than power-crazed, authoritarian, self-aggrandizing, despotic antiChrist heretics who worship only one god - CONTROL.

Queer Horror Sean Abley, Tyler Doupé, 2024-08-20 From the beginning, horror has been part of the cinema landscape. Despite some of the earliest genre films with gay directors such as F.W. Murnau (*Nosferatu*) and James Whale (*Frankenstein*, *The Invisible Man*, *Bride of Frankenstein*), LGBTQIA characters have rarely been portrayed in full view. For decades, filmmakers have included coded content in their films with the homosexual experience translated into censor-friendly subtext for consumption by general audiences. Gradually, LGBTQIA characters and themes have moved from the background to the

foreground as the horror genre has grown along with its audience's tastes and attitudes. Likewise, more and more LGBTQIA writers and directors have begun to offer their queer-centric takes on scary movies and today, queer horror is a thriving film genre. With more than 900 entries, this critical filmography is a comprehensive, critical, yet playful examination of the history of LGBTQIA content in horror films. Eight journalistic contributors dig into every era of scary movies, including the early silents, pre- and post-Hays Code content, grindhouse sleaze, LGBTQIA indies, and megaplex studio releases. From Whale's *The Old Dark House* (1932) to Don Mancini's *Chucky* films and everything in between, this collection explores what can be found at the intersection of LGBTQIA and horror in the film industry.
