How to Get Manifold More Wives - the Bible Way John Talbot, 2005-11 The Lord Jesus said in Luke 18:29-30 that, if we leave our wife for the kingdom of God's sake, we shall receive manifold more wives in this present age. This book is both a Bible study on this subject and an account of the author's experience. If you love women this book is for you.

All the Promises of the Bible Herbert Lockyer, 2017-06-06 Promises You Can Stand On Through Thick and Thin The Bible is filled with hundreds of what the apostle Peter called exceeding great and precious promises: definite, explicit declarations God has made that you can count on. In All the Promises of the Bible, Dr. Herbert Lockyer discusses the nature of God's promises - their substance, simplicity, surety, source, security, scope. Lockyer's in-depth look at the scope of God's promises arranges them in categories that cover the full array of human concerns, from the spiritual to the material and the corporate to the personal. As you come to understand God's promises and how they apply to every aspect of your life, you'll gain a trust in God that will sustain you through the worst of times and be your source of rejoicing in the best. Forty Years in the Wilderness: Moses Leads the Bible's Lost Generation Sue Sandidge, 2005-12-22 The escape from Egypt is the pivotal event in the Old Testament. Through it God gave his people their freedom. For forty tumultuous years God and Moses and a chronically rebellious people suffered and fought and established the foundations of a legal system and a system of ethics that changed the world. The Old Testament reminds us that we must never forget the Exodus, or we will forget who we are. And as we learn about the Exodus, we learn who we are.

Heroes of the Bible Devotional Joshua Cooley, 2014-03-21 Every kid has an inner hero waiting to be inspired. Ask any 12-year-old kid to describe a hero, and you will get some of the following answers: a superstar athlete, a soldier on the front lines, or a guy in a cape who can jump over buildings. Most of our "heroes" are related to human achievement and glory, but the Bible has a very different concept. The list of people who were great in God's eyes might shock you. This Christian devotional book is about their stories. The 90 devotions feature the qualities of Bible characters that made them heroic. From Moses to Esther to Jesus, kids ages 8-12 will learn more about how these Bible people pleased God. Joshua Cooley, father of four and a former children's minister, teaches kids that qualities like courage, worshiping God, and being a true friend are

heroic actions. Each day features: An engaging devotion on a biblical hero Scripture verses connected to the topic An action step boys and girls can take to put into practice what they've learned Comic-book-style line drawings of the Bible characters to help the stories come alive As kids learn about these role models of the faith, they'll understand what it means to be a true hero—and how to live like one.

How to Read the Bible James L. Kugel,2012-05-01 James Kugel's essential introduction and companion to the Bible combines modern scholarship with the wisdom of ancient interpreters for the entire Hebrew Bible. As soon as it appeared, *How to Read the Bible* was recognized as a masterwork, "awesome, thrilling" (The New York Times), "wonderfully interesting, extremely well presented" (The Washington Post), and "a tour de force...a stunning narrative" (Publishers Weekly). Now, this classic remains the clearest, most inviting and readable guide to the Hebrew Bible around—and a profound meditation on the effect that modern biblical scholarship has had on traditional belief. Moving chapter by chapter, Harvard professor James Kugel covers the Bible's most significant stories—the Creation of the world, Adam and Eve, Cain and Abel, Noah and the flood, Abraham and Sarah, Jacob and his wives, Moses and the exodus, David's mighty kingdom, plus the writings of Isaiah, Jeremiah, and the other prophets, and on to the Babylonian conquest and the eventual return to Zion. Throughout, Kugel contrasts the way modern scholars understand these events with the way Christians and Jews have traditionally understood them. The latter is not, Kugel shows, a naïve reading; rather, it is the product of a school of sophisticated interpreters who flourished toward the end of the biblical period. These highly ideological readers sought to put their own spin on texts that had been around for centuries, utterly transforming them in the process. Their interpretations became what the Bible meant for centuries and centuries—until modern scholarship came along. The question that this book ultimately asks is: What now? As one reviewer wrote, Kugel's answer provides "a contemporary model of how to read Sacred Scripture amidst the oppositional pulls of modern scholarship and tradition."
