Break Free From Your Dirty Little Secrets Gretchen Hydo, 2023-02-28 Millions of women carry secrets. Not just the lie on the résumé, the bankruptcy, or the affair—but the private truths that feel too dangerous to say out loud: I’m failing. I’m exhausted. I’m not doing enough—or doing it right—as a woman, mother, partner, daughter, or friend. These secrets take root as beliefs like: Be good. Do more. Hold it all together—to prove you’re enough. Left unspoken, they shape your identity, control your choices, and quietly erode your power, clarity, and joy. You’ve followed the rules. Built the life. Checked every box. Behind closed doors you’re tired of carrying the mental, emotional, and invisible load of being everything to everyone. At times you wonder – was all my hard work for this? That’s a secret, too. In *Break Free from Your Dirty Little Secrets: A New You in 10 Secret-Breaking Stages*, Master Coach Gretchen Hydo shares her proven 10-Stage Secret-Breaking System™—a radical, life-changing process to help high-achieving women dismantle the internal rules they’ve been following so that they can step out of “good enough” living in exchange for a life of satisfaction and purpose. Through bold truth-telling, practical tools, and the unfiltered confessions of hundreds of women—and Gretchen herself—this book offers more than insight. It rewires how you think, how you show up, and what you’ll no longer tolerate. Your relationships will sharpen. Your career will realign. Your energy, time, and money will finally serve you. This is self-help with teeth—not to fix you, but to free you so that you can live your great big life!

Using transformational coaching techniques, examples, exercises and metaphors, Jamie talks the reader through the three key changes they need to achieve the results they are after and inspire others to do the same. Based on the principles of The Clarity Coaching Model, the reader will learn how to de-congest their mind to think more clearly, make better decisions and improve performance - achieving the 'flow' state attributed to the results of top-flight individuals. Clearer thinking removes the stress and anxiety from decision making and allows you to focus on your goals. Rather than a step-by-step process, the reader is encouraged to form a deep understanding of themselves to awaken their inner potential and improve their innate abilities including better listening, deeper connections, more motivation and greater innovation and creativity.

Accelerating Automatic Tim Wigham, 2020-04-16 I believe that any competent team can achieve high-performance. With this book I have attempted to map a simple model which I've used to help accelerate team-journeys to automatic excellence. I am convinced that any average leader can command respect and champion a cause if they understand how to elevate their influence. This book outlines a "3M" formula which distils the lessons I've learned working with elite teams in a dozen countries, numerous industries, and over several decades! For a leader or team to transform from Average to Automatic, a shift is needed in 3 areas: Mindset, Method, and Mood [3M]. Find out what "3M" Means and Master a new reality by applying some of the ideas contained within. Winning sports teams and elite organisations exemplify the 3M formula. Several of these examples are referenced in this book. The connection between each M as it relates to leadership, teamwork, and discipline is also unpacked. Accelerate from where you are today, to where 3M-excellence is Automatic.
