*Romance Fiction* Kristin Ramsdell, 2012-03-02 A comprehensive guide that defines the literature and the outlines the best-selling genre of all time: romance fiction. More than 2,000 romances are published annually, making it difficult for fans and the librarians who advise them to keep pace with new titles, emerging authors, and constant evolution of this dynamic genre. Fortunately, romance expert and librarian Kristin Ramsdell provides a definitive guide to this fiction genre that serves as an indispensable resource for those interested in it—including fans searching for reading material—as well as for library staff, scholars, and romance writers themselves. This title updates the last edition of *Romance Fiction: A Guide to the Genre*, published in 1999. While the emphasis is on newer titles, many of the important older classics are retained, keeping the focus of the book on the entire genre, instead of only those titles published during the last decade. Specific changes include new chapters on linked and continuing romances, a new section on Chick Lit in the Contemporary Romance chapter, an expansion of coverage on the alternative reality subset. This is THE romance genre guide to have.

**The Crossing - Boxed Set - Two Romantic Suspense & Adventure Novels** Faith Mortimer, Two Complete Novels tell the story of *The Crossing* *The Seeds Of Time* This intensely romantic yet realistic action and adventure novel spans two generations and the unimaginable gulf between the Second World War and the present. When Englishman Richard Barker suffers a devastating loss he learns to come to terms with his grief. He is helped by two beautiful women, newly discovered quiet and smouldering American, Sorrel and the tempestuous and wilful, Miranda an old flame from long ago. While Richard

is battling with his feelings, by chance he enters into the dark, often surreal world of his dead father's past life spent during the Second World War. It is Sorrel's Grandfather, an American Air Force pilot, who contacts Richard with some intriguing news which helps Richard to his senses. Richard lives in a world that is sometimes as tragic as *A Farewell to Arms* and as sensuous as *The English Patient*. His story and that of his father are crafted from the ruins of war and the indestructibility of love. The action is non-stop, the locations are intriguing and the characters are appealing. There is tension, romance and harrowing escapes all woven within a story that captures the imagination and keeps the reader guessing until the very end. *HARVEST* Continues Richard and Billy's stories which begun in *The Seeds of Time*. Billy returns home and marries his love, while Richard has to make a decision between the two beautiful women in his life. Richard discovers he is torn between love and duty. In Sorrel he finds what he believes is his soul-mate, whereas sexy Miranda keeps Richard guessing. When Richard discovers an old war-torn photograph of a woman and two children he is shaken to the core. What was it his father did & never divulged to his wife and family? *Harvest* is a world where tragedy rests alongside joy. *Harvest* deals with harsh, cruel, & often despicable conditions - at the same time describing the indestructibility of love in past & present lives. This is a story of deep romance, bravery, survival, heartbreak and happiness, all poignantly & convincingly conveyed. Richard's compelling desire to finally lay his father's dark secrets to rest brings warmth and understanding into the two intertwined stories. All perfectly blended with non-stop action, intriguing locations, and appealing characters.
