When Angels Come Calling Sharmee Divan, 2020-06-07 This book is divided into four parts. The first part about my journey into Angelic Therapy. I have talked about how it all began for me, what did I do, where did I go, the people I met, the workshops I attended, the work that I did to get where I am today as a successful teacher in Angelic Therapy. The second part of this book is about the theoretical tools in Angelic Therapy where I have discussed about Angels, Archangels, Ascended Masters, Fairies, Spirit Guides, and so on and then the third section leads my readers to the use of Angelic Therapy in their day to day lives. I have given some very useful meditations, invocations, some prayers, guidelines on how to do an oracle or angel card reading, so on and so forth. The fourth and final section of this book talks about how a person can get started with

their practice and profession as an Angelic Therapy Practitioner.

*Glorieon* James Hall,2021-07-22 A riveting fantasy about fallen angels who rebelled since the beginning of time. An untold story of a wingless entity arriving on Earth to awaken a tree in hibernation. A mysterious girl grows up in the wilderness among flora and fauna. Her innocence limits her perception of the worldly domain. She dwells in a place where the folds of space do not hold onto time. Her adventures bring her through the various ecosystems in search of divine purpose. Many of the forest inhabitants conceal their true identity. Since the beginning of time, a few rebellious angels remained in the far reaches of the universe. Ancient tribes once wrote about such planets that got buried in Earth's history. Forbidden scrolls and lost tribes await her destiny. A strange encounter with a peculiar divine orb gives rise to cosmic flight. Near the Persian Gulf, a forgotten riverbed leads toward a sleeping tree beneath holy soils. The mystery of black energy restricts man from opening wormholes to connecting galaxies. Such is the angelic power that bears a key for safe passage through black holes. Glorieon has awakened the tree that sounds like a heart-pumping river of life. Leapfrogging across galaxies brings home cryogenic vessels filled with precious entities teeming with renewed hope. The tree's once forbidden apple has opened man's eyes to the dawn of self-awareness. Darkness has taught us all to believe in something greater than ourselves. The soul shall rise again through faith to grow back its cosmic wings. Many astronomers and ocean-bearing captains have reported mysterious-looking orbs sighting for eons.

*Angels* Luiz Santos,2024-10-31 Angels - Alliance with Beings of Light Amid the invisible boundaries of reality lies a silent, enigmatic force—a light-filled alliance that echoes beyond human understanding. Angels - Alliance with Beings of Light unveils the subtle universe of angels and the energies that surround us, guiding the reader along a carefully charted path of connection and revelation. Each page of this book is an invitation to awaken, a key to portals of wisdom few have dared to cross. This work offers not only techniques of ritual and meditation but a powerful method of expanding consciousness. Readers are led to understand the unseen signs around them, to hear the silence laden with meaning, and to open to the presence of celestial beings who guide and protect. This is no ordinary manual; here, knowledge transcends words and transforms into experience, shaping itself as a profound, personal alliance with ancient forces. Among practices of purification and spiritual elevation, you will find instructions to create a sacred space, understand angelic symbols, and perceive subtle messages from higher realms. With each chapter, readers plunge deeper into a web of spiritual connections that prompt them to question and reimagine their very existence. It is a mystical encounter, where the inner journey intertwines with divine guidance, revealing a presence as old as time itself. Within this alliance with beings of light lies a promise: that by opening the doors of heart and mind, a world of protection and wisdom becomes accessible, awaiting the right moment to guide the seeker's steps. Angels - Alliance with Beings of Light thus transforms into an essential guide for those seeking not only safety but a profound understanding of the sacred that has always been within reach, yet few have had the courage to unveil.
