**A Biographical Dictionary of Silent Film Western Actors and Actresses** George A. Katchmer,2015-05-20 Long before sound became an essential part of motion pictures, Westerns were an established genre. The men and women who brought to life cowboys, cowgirls, villains, sidekicks, distressed damsels and outraged townspeople often continued with their film careers, finding success and fame well into the sound era--always knowing that it was in silent Westerns that their careers began. More than a thousand of these once-silent Western players are featured in this fully indexed encyclopedic work. Each entry includes a detailed biography, covering both personal and professional milestones and a complete Western filmography. A foreword is supplied by Diana Serra Cary (formerly the child star Baby Peggy), who performed with many of the actors herein.

And they fired his wife and two of his sisters and a niece. And they threatened him with bodily harm. And they sued him on trumped-up charges and convicted him in a kangaroo court and left him with a judgment that denied him credit from any bank. And they burned his house to the ground while the fire department stood around watching the flames consume the night. And they stoned the church at which he pastored. And fired shotguns at him out of the dark. But he was not Job, and so he fired back and called the police, who did not come and kept not coming. Then he fled, driving north at eighty-five miles an hour over country roads, until he was across the state line. Soon after, they burned his church to the ground and charged him, for having shot back that night, with felonious assault with a deadly weapon, and so he became an official fugitive from justice. In time, the governor of his state announced they would not pursue this minister who had caused all the trouble, and said of him: Good riddance.
