I Can't Believe It's Not Buddha! Bodhipaksa, 2018-11-06 Quotes from the Buddha are everywhere: on Facebook, Instagram, coffee mugs, posters. There's only one problem: the Buddha didn't actually say most of them. This humorous and informative book takes these fake Buddha quotes as a launching point for a discussion on what the Buddha really did say, and is a great entry point for those interested in learning more about Buddhism--what it is, and what it isn't. Bodhipaksa, a well-known Buddhist teacher and the founder of fakebuddhaquotes.com, takes a look at some of the quotes that are erroneously attributed to the Buddha, explains the ways in which these disagree (or sometimes agree) with Buddhist teachings, and offers some genuine examples of the Buddha's words. The perfect gift for the Buddhist in your life and an essential addition to any Buddhist library, I Can't Believe It's Not Buddha! is at once humorous and scholarly, and a timely antidote to the fake news that can surround some of the Buddha's teachings.

**365 Buddha Quotes** Xabier K. Fernao, 2019-05-20 Shocking Statistics An Average American Reads 1 Book a Year and 50% of those are Romance Novels... Look! I do not know who you are but I am sure you are on this page right now because you are someone who wants more. You are someone who do not settle for average. You see, I totally understand the desire to want to learn and yet dread reading a long and thick book at the same time! That is why we created this book... More about this book: What if everything which we've always wanted are already inside of us? Think about it. Why do we want the expensive cars, houses, bags and watches? Why do we want the perfect relationship with the people we love? Why do we want to be healthy? Emotion. We want what we want because of what we think achieving it will make us feel. It is not the car(s) that matters... it is the feeling we think having that car will give us. Gautama Buddha was born a Prince. However, upon seeing the sufferings of people outside of his palace, he decided to seek answers. After a long spiritual search,

discovered the state of enlightenment... or otherwise known as Buddhahood. This book is not about the life story of Buddha. It is, however, about the life teachings of Buddha. Quotes are so special because they provide us a foundation for teaching, analyzing and relating... and yet... they do not tell us what to think and how to think. It is absolutely up to our own will on what each quote means to us. Act Now by Clicking the Buy Now With 1-Click Button at the Top of This Page Right Now! P.S. **I Am God (And so Are You, My Friend)** Danny Rongo, 2018-11-11 I Am God (and So Are You, My Friend): A Common Man's Guide to Oneness is a book that presents itself at an extremely urgent time for our race (the human race). As the walls of separation, hatred, and divisiveness become more apparent with each passing day, it becomes obvious that traditional methods for peace have not worked. Oneness is the state of being completely united with one and all. It is our inherent nature that our society has grown away from due to many things, but mainly our ego. The only way back to living in peace is through the unity that oneness represents. This book explains how our society got to this boiling point of separation through our own collective consciousness (yes, our world is in this shape from our own doing). And the only way to reverse that current collective consciousness is through oneness. This book not only proves how we are connected at our very core but it also gives examples of how understanding oneness changes your life immediately, which in turn effects our world collectively.

**Stress and Peace** Stanley V. Johnson Mba, 2013-06 We are all looking for life to be joyful, happy, and at peace. Life is not easy and can be very complicated. The simpler we make our life, the easier it becomes. We have mentioned numerous ways to overcome stress and accomplish peace. We may never accomplish complete peace, but we will feel less stress and more at peace during our life. It all depends on how we manage our life, relationship with God, family, friends and others. We face ups and downs in life, which we must learn to accept positively and live with contentment. Life becomes more joyful,

hopeful, and peaceful when we learn to love others as they are. The more we love others, the better our life becomes and will provide us more peace and less stress. We share our time, talent, and resources with others in need. We start feeling good about our life and feel more peaceful. God created us with sufficient time, talent, and resources to lead a peaceful life. Along with this, He gave us freedom to lead the life we want. We have been given a choice of living our own way or choosing a life with Him. We see it happen all around us and all throughout the world that sometimes we try to live without Him. Time does not wait for anyone, and we are allowed only a limited time on Earth. It is essential that we live the best we can for us and others. We do not know when life will end. However we must live in happiness, peace, and hope, and when our time comes, we will be at peace.
