Bound by Blood and Sand Becky Allen,2016-10-11 Jae is a slave in a dying desert world. Once verdant with water from a magical Well, the land is drying up, and no one remembers the magic needed to keep the water flowing. If a new source isn't found soon, the people will perish. Jae doesn't mind, in a way. By law, she is bound by a curse to obey every order given her, no matter how vile. At least in death, she'll be free. Elan's family rules the fading realm. He comes to the estate where Jae works, searching for the hidden magic needed to replenish the Well, but it's Jae who finds it, and she who must wield it. Desperate to save his realm, Elan begs her to use it to locate the Well. But why would a slave—abused, beaten, and treated as less than human—want to save the system that shackles her? Jae would rather see the world burn. Though revenge clouds her vision, she agrees to help if the realm's slaves are freed. Then Elan's father arrives. The ruler's cruelty knows no limits. He is determined that the class system will not change—and that Jae will remain a slave forever. Ferocious and intelligent. —Kirkus Reviews Allen's lush debut mixes current, pressing questions with fantasy while exploring systematic injustice and historical oppression...readers will clamor for the sequel. —Publishers Weekly

Even Vampires Get the Blues Katie Macalister,2024-08-11 It is a truth universally acknowledged, that a vampire

without a soul must be in want of a wife...unless your ideal women wallows in the sunlight, can speak to houses, and is tangled in peril so great it might just destroy them both. Paen Scott is a Dark One: a vampire without a soul. And his mother is about to lose hers too if Paen can't repay a debt to a demon by finding a relic known as the Jilin God in five days. Half-elf Samantha Cosse may have gotten kicked out of the Order of Diviners, but she's still good at finding things, talking to houses, and powering up in sunlight...which Paen can't tolerate at all. And while her delicious Dark One is the only man to set her elf senses tingling, chances for a happy future looks nonexistent. Although Sam is convinced that she is Paen's Beloved—the woman who can give him back his soul—fate doesn't seem to want them together, throwing them into a dire situation that threatens more than just their loved ones. With a jealous monkey god trying to destroy Sam, will Paen realize his world would be bleak without the Sam in time to save them both...or will tragedy be the only way through to their happiness?

The sword of light Ursula Williams,2020-12-17 The protagonist, the 16-year-old Amanda is the only child of an Inn keeper in the scottish Highlands. Her life was pretty uneventful and protected until one cold January morning some dreadful news turned everything upside down. “Clouds of powdery snow drifted across the frozen meadows like bands of golden gossamer as the sun rose over Glen Orchy. Amanda lay awake, gazing at the crystalline ice flowers that had covered her window overnight. Soon she would have to get out of her cosy bed to help her grandmother to prepare the food for the inn’s early guests. Today was the first market day after Hogmanay so that the Inn would be crowded with travelling tradesman, farmers and people from the surrounding villages and hamlets. Amanda eagerly looked forward to hearing, the latest news and juicy gossip but most of all, to the visit of her best friends. It is going to be a fantastic day; she thought as she closed her eyes, hoping she could remain in bed a bit longer. Little did she know that the news she longed to hear would shatter her life and replace the feeling of tranquillity with fear and tribulation. Soon, very soon, she would learn that her very survival depended on her friends loyalty, the ability to fight and the help from beings she believed to only exist in myths and legends.
