**The Complete Novels of John Buchan** John Buchan, 2023-12-29 In The Complete Novels of John Buchan, readers are invited into the intricate world of early 20th-century adventure and espionage through a compendium of Buchan's literary works. Renowned for his deft storytelling and sharp social observation, Buchan's prose combines suspense and intellectual rigor, reflecting the zeitgeist of a post-World War I society grappling with modernity. The anthology includes well-known titles such as *The Thirty-Nine Steps*, where themes of identity and loyalty are woven into a thrilling narrative that redefined the spy genre. Buchan's use of vivid landscapes and dynamic characters engages readers, transporting them to a world where danger and intrigue lurk around every corner. John Buchan, a Scottish author, politician, and Lord Tweedsmuir, was profoundly influenced by his education at the universities of Glasgow and Oxford, and his experiences as a war correspondent during the First World War. His background in law and politics, coupled with his fascination for adventure and the complexities of human nature, forged the narrative style evident in his novels. Buchan's unique perspective on British imperialism, warfare, and societal change lends significant depth to his storytelling. This anthology is highly recommended for readers who appreciate classic literature infused with suspense and historical richness. Buchan's deftly crafted stories resonate beyond their era, offering a window into the British psyche while remaining captivating for contemporary audiences. Dive into this complete collection to explore the thrilling escapades and enduring themes that showcase Buchan's literary genius.

**Where We Find Ourselves** R. Thomas Risk,2011-07 On Christmas Day, 6-year-old Randolph runs into the family room and cries, Daddy! Two men - William and Cyrus - answer his call. In his quest to unravel the mystery of two fathers, which leads to a reunion with his birth mother and the exposure of grim secrets William tried to bury half a century ago, Randolph rediscovers himself. Thirty-three years after that ominous Christmas Day, as William tries to atone from his deathbed for a lifetime of deceit, Randolph realizes that he has solved a far greater question: Does God exist? The practical implications of his answer will astonish you. Where We Find Ourselves is a true story, told by one of those rare individuals in whom the old world and the new coalesce. In this tale of betrayal and liberation, R. Thomas Risk enlists the analytical skills of a lawyer, the savvy of an investigator and the eloquence of an award-winning poet to forever change your perception of society's sacred institutions - the three most insidious of which are Religion, Celebrity and National Politics ... a positively unholy trinity.
