Clammed Up Barbara Ross, 2013-09-03 Summer has come to Busman's Harbor, Maine, and tourists are lining up for a taste of authentic New England seafood, courtesy of the Snowden Family Clambake Company. But there's something sinister on the boil this season. A killer has crashed a wedding party, adding mystery to the menu at the worst possible moment. . . Julia Snowden returned to her hometown to rescue her family's struggling clambake business—not to solve crimes. But that was before a catered wedding on picturesque Morrow Island turned into a reception for murder. When the best man's corpse is found hanging from the grand staircase in the Snowden family mansion, Julia must put the chowder pot on the back burner and join the search for the killer. And with suspicion falling on her old crush, Chris Durand, the recipe for saving her business and salvaging her love life might be one and the same. . . Includes Traditional Maine Clambake Recipes! covered in ice. Snowden Family Clambake Company proprietor Julia Snowden and her mother, Jacqueline, are hunkered down for the winter when a mysterious package arrives—heating up February with an unexpected case of murder... Inside the mystery package is an enormous black diamond necklace that once belonged to Julia's great-grandmother and disappeared in the 1920s. Who could have sent it—and why? Julia's search for clues takes her on a perilous journey through her mother's troubled family history, from a squabble over the family fortune in “frozen water” to the recent unexplained death of Jacqueline's long-lost cousin Hugh—who'd been missing and presumed drowned for more than forty years. To protect her mother's inheritance, Julia must fend off a small army of feuding relatives, solve the mystery surrounding Hugh's demise, and get back home before the next blizzard buries them all... It's summertime in Busman's Harbor, Maine, and the clamming is easy—or it was until a mysterious new neighbor blocks access to the beach, cutting off the Snowden Family Clambake's supply. Julia Snowden is just one of many townspeople angered by Bartholomew Frick's decision. But which one of them was angry enough to kill? Beachcombers, lighthouse buffs, and clammers are outraged after Frick puts up a gate in front of his newly inherited mansion. When Julia urges him to reconsider, she's the last to see him alive—except the person who stabs him in the neck with a clam rake. As she pores through a long list of suspects, Julia meets disgruntled employees, rival heirs, and a pair of tourists determined to visit every lighthouse in America. They all have secrets, and Julia will have to work fast to expose the guilty party—or see this season's clam harvest dry up for good. Boiled Over Barbara Ross, 2014-05-06 For Julia Snowden, the Founder's Day summer celebration in Busman's Harbor, Maine, means helping her family's clambake company to prepare an authentic taste of New England seafood. Any Mainer will tell you that a real clambake needs wood for the fire . . . so why is there a foot sticking out of the oven? The townspeople want to pin the murder of the RV park owner on Cabe Stone, a new employee of the Snowden Family Clambake Company—who bolted from the crime scene and disappeared. Julia knows having another murder associated with her family's business is a recipe for disaster . . . but who is the killer? Cooking up a proper investigation doesn't leave much time for the rest of Julia's life, and this is one killer who'll do anything to stop her from digging up clues . . . Includes Traditional Maine Clambake Recipes! Praise for *Clammed Up* Will leave readers clamoring for second helpings. --Leslie Meier

Shifty David Thwing—the "Mussel King" of upscale seafood restaurants—is sniffing around town for a new location. But serving iffy clams turns out to be the least of his troubles... When Thwing is found sleeping with the fishes beneath a local lobsterman's boat, the police quickly finger Julia's brother-in-law Sonny as the one who cooked up the crime. Sure, everyone knows Sonny despised the Mussel King...but Julia believes he's innocent. Proving it won't be easy, though. It seems there's a lot more than murder on the menu, and Julia needs to act fast... Includes Traditional Maine Clambake Recipes! Praise for *Musselled Out* "A lobster pot full of secrets and deceit. Then Andie turns up dead, floating by her dock in the SCUBA gear she wears when harvesting her oysters. Julia's head start puts her in a perfect position to help her friends in the Maine State police major crimes unit with the investigation. When the Russian demo team clearing out the mansion discovers a room that's been sealed off for decades, Julia's baffled as to its purpose and what secrets it might have held. Tensions are already simmering with the crew, but when one of the workers is found murdered, things come to a boil. With the discovery of another body—and a mysterious diary with Cyrillic text in the hidden room—the pressure's on Julia to dig up a real killer fast. But she'll have to sort through a pile of suspects, including ex-spouses, a spurned lover, and a recently released prisoner, to fish out one clammed-up killer. Nothing's colder than a corpse--especially one stashed inside a sub-zero fridge. The victim spent his last night on earth dining at the restaurant bar, so naturally Julia finds herself at the center of the ensuing investigation. Lost in the November fog, however, is who'd want to kill the unidentified stranger--and why. It might have something to do with a suspicious group of retirees and a decades-old tragedy to which they're all connected. One thing's for sure: Julia's going to make solving this mystery her early bird special... Includes Traditional Maine Clambake Recipes! Praise for Clammed Up Readers can enjoy both figuring out the mystery and taking an armchair visit to coastal Maine. --Library Journal
