Rated A Darshana Sreedhar Mini, 2024-08-06 A free ebook version of this title is available through Luminos, University of California Press's Open Access publishing program. Visit [www.luminosoa.org](http://www.luminosoa.org) to learn more. In the 1990s, India's mediascape saw the efflorescence of edgy soft-porn films in the Malayalam-speaking state of Kerala. In *Rated A*, Darshana Sreedhar Mini examines the local and transnational influences that shaped Malayalam soft-porn cinema—such as vernacular pulp fiction, illustrated erotic tales, and American exploitation cinema—and maps the genre's circulation among blue-collar workers of the Indian diaspora in the Middle East, where pirated versions circulate alongside low-budget Bangladeshi films and Pakistani mujra dance films as South Asian pornography. Through a mix of archival and ethnographic research, Mini also explores the soft-porn industry's utilization of gendered labor and trust-based arrangements, as well as how actresses and production personnel who are marked by their involvement with a taboo form negotiate their social lives. By locating the tense negotiations between sexuality, import policy, and censorship in contemporary India, this study offers a model for understanding film genres outside of screen space, emphasizing that they constitute not just industrial formations but entire fields of social relations and gendered imaginaries.

**Story of an Era Told Without Ill-will** M K K Nayar, 2014-02-24 The author, M K K Nayar's impressionable childhood, schooling and university years began in early 1920s - the most turbulent period of India's independence struggle. After graduating in 1940 and spending two years in Travancore Civil Service, M K K Nayar joined the Ordnance Department of British India in Hyderabad. During this phase of his career, he risked his life more than once to bring nefarious going-ons in the princely state of Hyderabad to the attention of national leaders like Sardar Vallabhai Patel and defuse conspiracies that were jeopardizing India's national interests. In 1948, M K K Nayar joined the IAS and was involved prominently in India's national development - notably in building the Bhilai Steel Plant and fertilizer plants that also seeded several other industries in the Cochin Industrial Belt, and by propagating modern agriculture throughout South India. His friendship and intimacy with national leaders like Pandit Jawaharlal Nehru, illustrious civil servants like V P Menon, industrialists like J R D Tata and innumerable opinion-leaders all over India gave him a ringside view of and insider information on some of the most important and interesting episodes of Indian history until mid 1970s. !Destiny took him to Kerala in 1959 to head India's pioneer fertilizer company, The Fertilisers And Chemicals Travancore Ltd (FACT) which he developed into a multifaceted

organization that grew over twenty-fold during the decade of his tenure in it. This period that ended in 1971 also found him raising Kathakali, one of the most stylized forms of mime dance-drama from a destitute existence on the fringes of Kerala's social milieu to the forefront of international recognition. Success in everything he did even outside of his vocation, from resolving political imbroglios to promoting art and literature, took him to the forefront of life in Kerala and the national capital. Jealousies it aroused resulted in court cases being instituted against him on frivolous charges and they took 12 years for him to be fully exonerated. In that time, India lost the services of one of its ablest go-getters during what should have been his peak years. Between June 1986 until his premature passing away in September 1987, he penned a series of articles about his life and times. It was serialized under the title of *Aarodum Paribhavamillathe, Oru Kalaghattathinte Katha* in the popular Malayalam weekly, *Kala Kaumudi*. It was later published as a book which became a big hit with Malayali readers and is printed and published even now. M K K Nayar emphasizes that this was not an autobiography but an attempt to share without bitterness or ill-will some of his experiences and the joy, pain and terrible sadness they brought him. The renowned historian, author and academician, M G S Narayan says that M K K Nayar's 'memoirs did not get the due recognition it deserved' and acknowledges it as a 'historical chronicle of pre and post independent India'. The book has been translated into English by Gopakumar M Nair, who was an executive of FACT during a part of M K K Nayar's tenure there. Though Gopakumar is a popular amateur writer from his college days in IIT Madras, this translation named *The Story of an Era, Told Without Ill-will* is his first book.

**Linguistic Theory and South Asian Languages** Josef Bayer,Tanmoy Bhattacharya,M.T. Hany Babu,2007-05-16 The South Asian languages, mainly Indo-Aryan and Dravidian, have become a focus of interest in the formal study of language as a natural consequence of the research program of the Principle and Parameters approach and an enforced interest in exploring the parametrical space of human language. The contributions to the present volume combine theoretical reasoning in syntax and phonology with a comparative research agenda in which South Asian languages figure prominently. The topics range from issues of clause structure, serial verb constructions, cleft- and question formation, to the question of what the

proper syntactic format of modification should be, issues of binding theory and raising, and issues of complementation, the clausal periphery and clausal typing. The collection of articles concludes with two chapters on Dravidian and comparative phonology and a chapter on the shaping of phonological awareness by different writing systems. The authors and the editors devote this piece of work to Professor K.A. Jayaseelan, one of present-day India's most influential linguists.
