**Contemporary Chinese Novels in Translation since 1978** Yun Wu, 2024-10-14 This book aims to complement the traditional focus of translation studies, which has primarily centered on translating English into other languages. It presents a comprehensive analysis of the reverse translation trajectory, exploring the movement of Chinese literature into the core English literary domain. The book aims to explore the ideological and sociological dynamics that underlie the translation of contemporary Chinese novels. This is achieved through an examination of the translation selection process, translation paratexts, and the roles of translation agents. Case studies are employed to illustrate specific linguistic, literary, and cultural challenges within translation. It dissects the cultural and literary implications of translating genres such as women's writing, science fiction, and Internet literature. The argument presented is that the translation of peripheral literature is indispensable in shaping global literature. Beyond its literary implications, the book identifies the political significance inherent in such reverse translation endeavors. It suggests that the translation of Chinese literature holds notable political interest for the Chinese government, which aims to reshape China's image and bolster the nation's soft power through literary translation. This work will be an essential read to students and scholars of translation studies, comparative literature, and Chinese studies.

**Fate Hack: My Backers Rule The World** Mark A Hickman, Ye Liufeng transmigrated into a fantasy world, only to begin his journey with his spirit body dug out, his dantian crippled, his cultivation stolen, and slandered by those he once loved and trusted—left in a desperate situation facing certain death. At the critical moment, he awakens the Fate Rewriting System, altering his destiny to become the long-lost son of the City Lord and his wife. The moment his background is rewritten, City Lord Zhao Tianhe leads countless powerful cultivators to rescue him. Zhao Tianhe: A bunch of bastards dare try to kill my son? Kill them all! Faced with a tide of demonic beasts? Rewrites fate—becomes the life-saving benefactor of the Fox Clan Princess. All beasts bow in worship! Faced with retaliation from powerful sects? Rewrites fate—becomes the successor of the sect's founder. You want to kill me? Ask my master if he agrees first! Ye Liufeng: The martial world isn't all about fighting and killing—it's about connections and relationships! My backers aren't just many... they're absurdly powerful!
