The Women of Waterloo Bridge Jan Casey,2020-05-21 London, 1940. After her fiancé breaks off their engagement, Evelyn decides to do her part for the war effort by signing up for construction work on Waterloo Bridge. Enjoying the physical work and her newfound purpose, she begins to realise that there could be so much more to her life than anything she'd ever dared to dream of. Grieving after her little boy dies in an air raid, Gwen is completely lost when her husband sends their younger children to the countryside for safety. Enlisting as a construction worker, she is partnered with cheerful Evelyn. Despite Gwen's initial reticence, the two women strike up a heartwarming friendship – but will it be enough to save Gwen from her sorrow? Musical prodigy Joan's life has always been dictated by her controlling mother. When an affair nearly ends in scandal, Joan finally takes her life into her own hands. Determined never to touch a violin again, she soon finds work at Waterloo Bridge. Yet there are other troubles for her to overcome... For these three women, only one thing is certain: the Second World War will change their lives forever. A heart-wrenching new WW2 saga for fans of Jenny Holmes and Soraya M. Lane.

Growing a Courageous Heart Wendy J. Mahill,2009-05 Growing a Courageous Heart is a Christ-centered curriculum for women in recovery for all types of eating disorders. It provides clear definitions of eating disorders and explores the physical damage they cause, their protective denial systems, their root causes, and their cognitive processes. It also explores, emotional, relational and spiritual damage caused by eating disorders and provides practical tools for overcoming them. The curriculum could be used in support groups or in one-one therapy sessions. Even those who struggle with disordered eating patterns and body image problems would also benefit from studying this material. This curriculum will help eating disorder survivors grow in their relationship with God and with others as they courageously face fears concerning food, relationships, life, and body image. It'll help remove the shame of having eating disorders as women learn to depend on God for healing in this area of their lives. Growing a Courageous Heart is packed with incredible material to assist those suffering with disordered eating. Wendy addresses the physical, emotional, cognitive, and spiritual struggles that people face daily. While Growing a Courageous Heart is user friendly, it addresses the deeper complexities unique to eating disorders. Many of my clients have successfully worked through the book, some individually and others in a group setting. I highly recommend Wendy's book for those needing help to overcome disordered eating patterns. Nancy Keller, MFT Wendy Mahill has created another great tool for healing. Just like Growing A Passionate Heart for sexual abuse, Growing A Courageous Heart for eating disorders is thorough, grace-filled, and a giant step on the road to healing and living free.
