

Stephen King Finders Keepers

A Book a Day

Finders Keepers Stephen King, 2016-01-05 Wake up, genius. So begins King's instantly riveting story about a vengeful reader. The genius is John Rothstein, an iconic author who created a famous character, Jimmy Gold, but who hasn't published a book for decades. Morris Bellamy is livid, not just because Rothstein has stopped providing books, but because the nonconformist Jimmy Gold has sold out for a career in advertising. Morris kills Rothstein and empties his safe of cash, yes, but the real treasure is a trove of notebooks containing at least one more Gold novel. Morris hides the money and the notebooks, and then he is locked away for another crime. Decades later, a boy named Pete Saubers finds the treasure, and now it is Pete and his family that Bill Hodges, Holly Gibney, and Jerome Robinson must rescue from the ever-more deranged and vengeful Morris when he's released from prison after thirty-five years --provided by publisher.

Violence in the Films of Stephen King Michael J. Blouin, Tony Magistrale, 2021-07-29 In *Violence in the Films of Stephen King*, contributors analyze the theme of violence in the film adaptations of Stephen King's work—ranging from the earliest films in the King canon to his most recent iterations—through a variety of lenses. Investigating the diverse and varying roles that violence continues to play as both the level of violence and the gendered depictions of violence have evolved, many of the contributors come to the conclusion that King's films have grown more violent over time. This book also examines the fine line between necessary violence and sensationalist violence, discussing the complexity of determining what constitutes violence with a narrative and ethical significance versus violence intended solely to titillate, repulse, or otherwise draw an emotional reaction from viewers. Scholars of film studies, horror studies, literary studies, and gender studies will find this book particularly useful.
