Did another take this one and keep it all these years? When a close neighbor is murdered, Joe and Marybeth face new questions: Who is after the book? Box, 2015-05-05 From the #1 New York Times bestselling author of the Joe Pickett series comes a thrilling collection of suspense stories about the Wyoming he knows so well—and the dark deeds and impulses that can be found there... C. J. Box has been hailed for his brilliant storytelling, with a style rich in character, suspense, and sense of place. That same brilliance is exemplified in the ten riveting stories—three of them never before published—that make up *Shots Fired*. In “One-Car Bridge,” one of four Joe Pickett stories, Pickett goes up against a just plain mean landowner, with disastrous results. In “Shots Fired,” his investigation into a radio call nearly ends up being the last thing he ever does. “Pirates of Yellowstone,” features two Eastern European tough guys who find out what it means to be strangers in a strange land, and in “Le Sauvage Noble,” the stranger is a Lakota in Paris who enjoys playing the noble savage for the French women—until he meets Sophie. Then he discovers what savage really means.... *Shots Fired* is proof once again why “Box is a force to be reckoned with” (The Providence Journal-Bulletin).

Even after the discovery of two more bodies, and the resolution of the case by local police, Joe continues to investigate. As Joe digs deeper into the murders, he soon discovers that the outfitter brought more than death to his backdoor: he brought Joe an endangered species, thought to be extinct, which is now living in his woodpile. But if word of this rare species gets out, it will destroy any chance of InterWest, a multi-national natural gas company, building an oil pipeline through the mountains and forests of Twelve Sleep. Even after the outfitter murders, as they have been dubbed by the local press after the discovery of the two more bodies, are solved, Joe continues to investigate, uneasy with the easy explanation offered by the local police. As Joe digs deeper into the murders, he soon discovers that the outfitter brought more than death to his backdoor: he brought Joe an endangered species, thought to be extinct, which is now living in his woodpile. But if word of the existence of this endangered species gets out, it will destroy any chance of InterWest, a multi-national natural gas company, building an oil pipeline that would bring the company billions of dollars across Wyoming, through the mountains and forests of Twelve Sleep.
