Summary of Heart of Darkness by Joseph Conrad getAbstract AG,2019-09-17 It's with bated breath that the reader follows the brief but harrowing account of Charlie Marlow, who, in dense prose, recounts his journey up the Congo River and into the heart of Africa - and the "heart of darkness" - for it is also a journey into the dark places of the human soul. In the latter days of European colonialism, Marlow becomes the captain of a run-down steamer for a Belgian trading company. When he arrives in Africa, he hears rumors about a Mr. Kurtz, who reportedly lives (and rules) hundreds of miles upriver. Having a charismatic personality, Kurtz is the most successful trading agent of the company, delivering huge amounts of ivory. Overcoming much adversity, Marlow travels upriver to meet the man - an encounter that leaves a deep and lifelong mark on Marlow. Throughout the novel, author Joseph Conrad's detailed and realistic description of the wilderness and cruel colonial rule stands in contrast to the narrative symbolism of the story. As white men confront a starkly depicted primeval world, Conrad evokes a dark and terrifying image of human nature and creates one of the bleakest narratives on European colonial rule in modern literature. of English literature, was born on December 3, 1857, in Berdichev, Ukraine, which was then part of the Russian Empire. His birth name was Józef Teodor Konrad Korzeniowski. His early life was marked by tragedy when his parents, ardent Polish nationalists, were exiled to Russia. Conrad began his seafaring career at a young age, which provided him with the experiences that would later influence his writing. He became a British subject in 1886 and adopted the name Joseph Conrad. He sailed to various parts of the world, including Africa and Southeast Asia, as a merchant mariner. Conrad's literary career began later in life, and English was his third language after Polish and French. Despite this, he is renowned for his command of the English language. Some of his most famous works include *Heart of Darkness*, *Lord Jim*, and *Nostromo*. These novels often explore themes of human nature, imperialism, and moral ambiguity. *Heart of Darkness* is particularly celebrated for its exploration of the dark heart of colonialism in Africa. It continues to be studied and adapted into various forms of media. Joseph Conrad passed away on August 3, 1924, in England. His writing legacy endures, with his novels regarded as classics of English literature, and his profound exploration of the human psyche and the consequences of imperialism continue to captivate readers worldwide.

Heart of Darkness Joseph Conrad, 2017-09-02 Dark allegory describes Marlow's journey up the Congo River and his meeting with, and fascination by, Mr. Kurtz, a mysterious personage who dominates the unruly inhabitants of the region. Masterly blend of adventure, character development, psychological penetration. Considered by many Conrad's finest, most enigmatic story. About Joseph Conrad : Joseph Conrad books was a Polish-born English novelist who today is most famous for *Heart of Darkness* Conrad, his fictionalized account of Colonial Africa. Conrad left his native Poland in his middle teens to avoid conscription into the Russian Army. He joined the French Merchant Marine and briefly employed himself as a wartime gunrunner. He then began to work aboard British ships, learning English from his shipmates. He was made a Master Mariner, and served more than sixteen years before an event inspired him to try his hand at writing. He was hired to take a steamship into Africa, and according to Conrad, the experience of seeing firsthand the horrors of colonial rule left him a changed man. Joseph Conrad settled in England in 1894, the year before he published his first novel. He was deeply

interested in a small number of writers both in French and English whose work he studied carefully. This was useful when, because a need to come to terms with his experience, lead him to write *Heart of Darkness*, in 1899, which was followed by other fictionalized explorations of his life. It was a breathtaking read. There are few books which make such a powerful impression as 'Heart of darkness' does. Written more than a century ago, the book and its undying theme hold just as much significance even today. Intense and compelling, it looks into the darkest recesses of human nature. Conrad takes the reader through a horrific tale in a very gripping voice. I couldn't say enough about Conrad's mastery of prose. Not a single word is out of place. Among several things, I liked Marlow expressing his difficulty in sharing his experiences with his listeners and his comments on insignificance of some of the dialogue exchanged aloud between him and Kurtz. The bond between the two was much deeper. Whatever words he uses to describe them, no one can really understand in full measure what he had been through. In Marlow's words: . . . No, it is impossible; it is impossible to convey the life-sensation of any given epoch of one's existence--that which makes its truth, its meaning--its subtle and penetrating essence. It is impossible. We live, as we dream--alone. . . . This was the first time I read this book which doesn't seem enough to fathom its profound meaning and all the symbolism. It deserves multiple reads. When I was a child, my father caught me frowning at a very small gift wrapped package I'd received. The dashed hopes for a larger package were broadcast across my face. Dynamite comes in small packages. My father counseled me. The literal and figurative truth of this statement has revealed itself throughout my life. This story is specifically relevant to Joseph Conrad's *Heart of Darkness*. It is a small book. (Surprisingly small.) And it is pure dynamite. (Super powerful dynamite!) Conrad later wrote he wanted to bring home the experience of *Heart of Darkness* to the minds and bosoms of the readers. He succeeded. Big time. *Heart of Darkness* is a masterpiece. Divided into three sections, it is one of the greatest creations of English literature I've had the pleasure to read.

Heart of Darkness Joseph Conrad, 2017-01-30 *Heart of Darkness* (1899) is a novella by Polish-British novelist Joseph Conrad, about a voyage up the Congo River into the Congo Free State, in the heart of Africa, by the story's narrator Marlow. Marlow tells his story to friends aboard a boat anchored on the River Thames, London, England. This setting provides the frame for Marlow's story of his obsession with the ivory trader Kurtz, which enables Conrad to create a parallel between London and Africa as places of darkness.. Central to Conrad's work is the idea that there is little difference between so-called civilised people and those described as savages; *Heart of Darkness* raises questions about imperialism and racism...Summary : Aboard the *Nellie*, anchored in the River Thames near Gravesend, England, Charles Marlow tells his fellow sailors about the events that led to his appointment as captain of a river steamboat for an ivory trading company. As a child, Marlow had been fascinated by the blank spaces on maps, particularly by the biggest, which by the time he had grown up was no longer blank but turned into a place of darkness (Conrad 10). Yet there remained a big river, resembling an immense snake uncoiled, with its head in the sea, its body at rest curving afar over a vast country and its tail lost in the depths of the land (Conrad 10). The

image of this river on the map fascinated Marlow as a snake would a bird (Conrad 10). Feeling as though instead of going to the centre of a continent I were about to set off for the centre of the earth, Marlow takes passage on a French steamer bound for the African coast and then into the interior...Extrait : 'I flew around like mad to get ready, and before forty-eight hours I was crossing the Channel to show myself to my employers, and sign the contract. In a very few hours I arrived in a city that always makes me think of a whited sepulchre. Prejudice no doubt. I had no difficulty in finding the Company's offices. It was the biggest thing in the town, and everybody I met was full of it. They were going to run an over-sea empire, and make no end of coin by trade.' A narrow and deserted street in deep shadow, high houses, innumerable windows with venetian blinds, a dead silence, grass sprouting right and left, immense double doors standing ponderously ajar. I slipped through one of these cracks, went up a swept and ungarnished staircase, as arid as a desert, and opened the first door I came to. Two women, one fat and the other slim, sat on straw-bottomed chairs, knitting black wool. The slim one got up and walked straight at me-- still knitting with downcast eyes--and only just as I began to think of getting out of her way, as you would for a somnambulist, stood still, and looked up. Her dress was as plain as an umbrella-cover, and she turned round without a word and preceded me into a waiting-room. I gave my name, and looked about. Deal table in the middle, plain chairs all round the walls, on one end a large shining map, marked with all the colours of a rainbow...Biography : Joseph Conrad born at 3 December 1857 - 3 August 1924 was a Polish-British writer regarded as one of the greatest novelists to write in the English language. He joined the British merchant marine in 1878, and was granted British nationality in 1886. Though he did not speak English fluently until his twenties, he was a master prose stylist who brought a non-English sensibility into English literature. He wrote stories and novels, many with a nautical setting, that depict trials of the human spirit in the midst of an impassive, inscrutable universe. Conrad is considered an early modernist, though his works still contain elements of 19th-century realism. His narrative style and anti-heroic characters have influenced many authors, including F. Scott Fitzgerald...
