

Santa Maria Delle Grotte

Barbara Bottacchiari

Santa Maria delle Grotte e l'insediamento di San Valentino Barbara Bottacchiari,2018-08-16 Su un lungo terrazzo tufaceo al di sotto della località Pian di Rustica, nel comune di Gallese, si apre una serie di cavità artificiali la cui funzione è collegata ad una chiesa rupestre che si trova al centro dell'insediamento. Un'attenta analisi dei segni di scavo, delle caratteristiche peculiari specifiche di ciascun ambiente e un dettagliato ragionamento critico dei rapporti tra di essi (l'indagine speleologica) consente di raccogliere una notevole quantità di dati. L'interpretazione dell'insediamento si avvarrà delle informazioni raccolte in sede d'indagine, sposandoli alla storia del monachesimo in generale, riflesso in quello locale. Un'importante scoperta documentale permetterà di chiarire la dedizione della chiesa rupestre, intorno alla quale le cavità artificiali assumono una propria identità.

Can You See Me? Gokce Irten,2021-09-07 For kids starting to think about their place in the world, here's a unique look at point of view. Being small — or big — is not always what we think it is! We all know which things are big, and which are small, right? But do we really? Or do things look different, depending on who's doing the looking? For example, to a human, an orangutan is small like a child. But to a flea, it's gigantic! Here's a quirky and original introduction to the idea of perspective and the importance of recognizing that each of us has our own way of seeing things. Kids who feel too small — or too big — in the world will be happy to learn: Size is in the eye of the beholder!
