Early Broadway Sheet Music Donald J. Stubblebine, 2015-06-08 This work, a companion to the author's Broadway Sheet Music: A Comprehensive Listing of Published Music from Broadway and Other Stage Shows, 1918 through 1993 (McFarland 1996), provides information about all sheet music published (1843-1918) from all Broadway productions--plus music from local shows, minstrel shows, night club acts, vaudeville acts, touring companies, and shows on the road that never made it to Broadway--and all the major musicals from Chicago.

Sweet Mystery Ellen M. Peck, 2020-09-18 Rida Johnson Young (ca. 1869-1926) was one of the most prolific female playwrights of her time, as well as a lyricist and librettist in the musical theater. She wrote more than thirty full-length plays, operettas, and musical comedies, 500 songs, and four novels, including Naughty Marietta, Lady Luxury, The Red Petticoat, and When Love is Young . Despite her extensive output, no significant study of her work has been produced. This book looks at her musical theater works with in-depth analyses of her librettos and lyrics, as well as her working relationships with other writers, performers, and producers, particularly Lee and J. J. Shubert. Using archival materials such as original typescripts, correspondence, and reviews, the book contextualizes her work in the early twentieth century professional theater and provides a window into the standard practices of writing and production of the era.

THE PRIEST AND THE TERRORIST T.R. HANEY, 2009-06-16 Once again Father Mike is drawn into another felony. An anonymous man comes to him with what he calls an unpardonable sin and whispers the words, Ebola virus. Through his friend Hollywood actress, Jill Chamberlain, Father Mike becomes involved in a terrorist plot to take over the United States, the Roman Catholic Church and perhaps the whole world. The plot is traced to a mega international conglomerate, being

funded by an anonymous trillionaire. Jill is abducted. Her fiancé, Larry Clausen, who works for this conglomerate, is murdered. Father Mike, working with the local police and the FBI, follows the clues in a rapid paced, twist and turn story, trying to solve the problem of the terrorist plot and bring the anonymous trillionaire and others to justice.

Broadway Sheet Music Donald J. Stubblebine,1995 Stubblebine, also the author of Cinema Sheet Music (1991), provides a comprehensive listing of the published songs from every composer in all Broadway shows, 1918 through 1993. Each of the 2,562 entries include the show's title, year the show opened, a listing of all songs in the production with composers and lyricists, and the show's leading players. The sheet music cover is also described, along with a one-line synopsis of the show. A limited number of shows that closed before reaching Broadway are also included. Indexed by song and by composer/lyricist. c. Book News Inc.

Caleb Kirsten Osbourne,2021-12-07 When Natalie Smythe moves to the small town of Bagley, Texas to follow her dreams and open a candy store, she has no intention to do anything other than work. Socializing is not on her calendar until the store is up and running. It doesn't even cross her mind that the morning she opens, a man will come into the store, she cannot say no to. Caleb McClain knows he's next in line to marry, because his brothers have started the domino effect, and they're

falling one by one. The oldest two are married, and he's third in line. He knows he can't avoid it forever, but if he can just avoid meeting anyone new, he's sure it will help. When he follows a sugar craving and checks out the new candy store in town, he keeps his eyes on the display and won't even look at the woman behind the counter. When their eyes meet, he knows he's done for. Will he be able to convince her that she's the only woman for him? Or will he be the first McClain in generations to not marry?

The Art of the Blues Bill Dahl, 2016-11-01 This stunning book charts the rich history of the blues, through the dazzling array of posters, album covers, and advertisements that have shaped its identity over the past hundred years. The blues have been one of the most ubiquitous but diverse elements of American popular music at large, and the visual art associated with this unique sound has been just as varied and dynamic. There is no better guide to this fascinating graphical world than Bill Dahl—a longtime music journalist and historian who has written liner notes for countless reissues of classic blues, soul, R&B, and rock albums. With his deep knowledge and incisive commentary—complementing more than three hundred and fifty lavishly reproduced images—the history of the blues comes musically and visually to life. What will astonish readers who thumb through these pages is the amazing range of ways that the blues have been represented—whether via album covers, posters, flyers, 78 rpm labels, advertising, or other promotional materials. We see the blues as it was first visually captured in the highly colorful sheet music covers of the early twentieth century. We see striking and hard-to-find label designs from labels big (Columbia) and small (Rhumboogie). We see William Alexander's humorous artwork on postwar Miltone Records; the cherished ephemera of concert and movie posters; and Chess Records' iconic early albums designed by Don Bronstein, which would set a new standard for modern album cover design. What these images collectively portray is the evolution of a distinctively American art form. And they do so in the richest way imaginable. The result is a sumptuous book, a visual treasury as alive in spirit as the music it so vibrantly captures.
