Taming Your Money Monster Doug Lynam,2025-07-08 Finance expert Doug Lynam offers a groundbreaking exploration of our complex relationship with money, budgeting, and finances through the transformative lens of the Enneagram. Confront financial fears, engage with money habits and behaviors, and develop a personal understanding of how the mind and personality affect money decisions. With compassion, wisdom, and humor, Lynam will guide readers on a journey to financial health and personal growth. Drawing from his diverse experiences as a marine, monk, and money manager, Lynam introduces readers to our money monsters, which correspond to our Enneagram type and attachment style to money. These archetypes represent our deepest financial fears and self-sabotaging behaviors. But Lynam doesn't just identify our financial foibles—he provides a clear, actionable path to overcome them. With sharp wit and profound understanding, he shows you how to: recognize and understand your money monster's origins in your childhood experiences; identify and understand your ego addictions and their impact on your financial decisions; transform your financial vices into virtues, creating a foundation for lasting abundance; discover your unique sacred gift and how to use it to build wealth and create positive change in the world; and adjust how you earn, save, and invest to become a money master. Taming Your Money Monster isn't just about improving your bank balance—it's about healing your relationship with money on a deep, spiritual level. Lynam's approach acknowledges that true financial mastery comes from aligning your monetary practices with your deepest values and authentic self. This is more than a financial advice book—it's a compassionate guide to personal growth, spiritual enlightenment, and financial freedom. Because when we heal our relationship with money, we heal our relationship with ourselves.

Creativity and Spirituality Earle J. Coleman, 1998-02-27 From the architecture of Frank Lloyd Wright to the rock gardens of Zen Buddhism, Coleman explores applied, fine, and folk arts in order to uncover points of coalescence between art and religion. Drawing from six living faiths (Buddhism, Christianity, Hinduism, Islam, Judaism, and Taoism), this book philosophically analyzes relations between art and religion in order to explain how the concepts art, beauty, creativity, and aesthetic experience find their place or counterparts in religious discourse and experience. Coleman repeatedly shows that aesthetic ideas can serve as bridges to spiritual categories, as when he relates aesthetic bliss to the peace that passes all understanding. The author follows a three-fold approach; first, he examines ideas and motifs from religious classics in world literature, such as Lao Tzu's Tao Te Ching and The Interior Castle by Teresa of Avila, in order to relate them to aesthetic phenomena. Second, he turns to the statements of artists, such as Leo Tolstoy, Vincent van Gogh, Paul Gauguin, Shih-t'ao, and Wassily Kandinsky, for themes and practices that have religious significance. Third, he analyzes and evaluates the writings of various theoreticians—philosophers, theologians, art critics, sociologists, and psychologists—on the relations between art and religion. Coleman demonstrates, for example, that Martin Buber's I-Thou relationship captures much that is central to art, creativity, and aesthetic experience as well as to religious life. Among the themes that receive sustained treatment are: the varieties of union in art and religion, the child as a paradigm for artists and saints, and creativity as essential to religion. Finally, the author critically weighs proposed distinctions between art and religion and between the broader categories of the aesthetic and the spiritual, rejecting some and showing how others are compatible with his proposal that the aesthetic and the spiritual are cognate categories.

Friendship Can Save the World Carrie Stephens, Morgan Stephens, 2023-09-26 God uses diverse friendships to fulfill his miraculous will in the world. In an increasingly polarized world, our collective ability to navigate friendships with people whose backgrounds, experiences, and views differ from our own has diminished. Along the way, valuing diversity has come to be seen by many Christians as a secular pursuit. However, we love and serve a diverse God (being three unique persons himself) who taught us to love those we tend to have a hard time loving: outsiders, enemies, foreigners, the poor, and the weak. In *Friendship Can Save the World*, Carrie and Morgan Stephens offer an invigorating retelling of Ruth, Boaz, and Naomi to help us love people unlike us. Weaving in real life stories from their multiethnic, multigenerational, and socioeconomically diverse church, they highlight the power of unique friendships in God's greater missional story. Readers will find inspiration to love and be loved more courageously as we all forge a path into a more redemptive future.

The White Chapel BROTHER "BERNARD FRANCIS", 2011-08-25 This book resulted from the requests of family care givers for a talk about death and dying. They were losing a loved and wanted to know what to expect. As nurse practitioner I

gained insights from Oncology Nurses, Hospice Nurses and Critical Care Nurses on how to help terminal patients obtain the most out of their remaining time. I went from a fear of talking with those dying, to feeling blessed to share this intimate time with them. After 41 years of nursing, research and lecturing on this subject I began to understand, as I applied my own suffering from a disabling illness, of the comfort available from the Communion of Saints. Especially from those who said yes to God's request they suffer and join this suffering to that of His Son to help other souls, out of love for Him. Through my experiences with loved ones, patients and myself, I found tremendous help in turning to the Bible and the writings of Saints. This book is a blending of spiritual hope & frank facts regarding suffering & dying that it is my prayer will bring strength to patients & care givers, be they physicians, nurses, aides or family.
