The Bad Muslim Discount Syed M. Masood, 2021-02-02 Following two families from Pakistan and Iraq in the 1990s to San Francisco in 2016, *The Bad Muslim Discount* is an inclusive, comic novel about Muslim immigrants finding their way in modern America. “Masood’s novel presents a stereoscopic, three-dimensional view of contemporary Muslim America: the way historical conflict in the Middle East lingers in individual lives, the way gossip travels in a close-knit immigrant community.” —The New York Times Book Review It is 1995, and Anvar Faris is a restless, rebellious, and sharp-tongued boy doing his best to grow up in Karachi, Pakistan. As fundamentalism takes root within the social order and the zealots next door attempt to make Islam great again, his family decides, not quite unanimously, to start life over in California. Ironically, Anvar's deeply devout mother and his model-Muslim brother adjust easily to life in America, while his fun-loving father can't find anyone he relates to. For his part, Anvar fully commits to being a bad Muslim. At the same time, thousands of miles away, Safwa, a young girl living in war-torn Baghdad with her grief-stricken, conservative father will find a very different and far more dangerous path to America. When Anvar and Safwa's worlds collide as two remarkable, strong-willed adults, their contradictory, intertwined fates will rock their community, and families, to their core. *The Bad Muslim Discount* is an irreverent, poignant, and often hysterically funny debut novel by an amazing new voice. With deep insight, warmth, and an irreverent sense of humor, Syed M. Masood examines universal questions of identity, faith (or lack thereof), and belonging through the lens of Muslim Americans.

The Last Man in Paradise Syed M Masood, 2025-03-18 A darkly humorous and emotional homecoming story about a young Muslim-American man reconciling with his estranged, traditional family and finding the way back to love, from the author of *The Bad Muslim Discount*. A decade ago, Azaan, a rebellious teenager with dreams of becoming an actor, was exiled from Redding, California to a religious academy in Egypt by his imam father. His crime? Getting caught kissing Madison, the girlfriend he wasn't supposed to have. But while letting his family believe he is studying to become a preacher, Azaan ditched school and embarked on an acting career. Given that he has minimal contact and nonexistent plans to return home, he figured no one would ever know. Now, however, Azaan's grandfather has a dying wish: he wants to see his grandson one last time. In order to maintain the story he's told his family for years, Azaan decides to become a fake imam. Playing at being a religious leader, he finds a community in Redding on the brink of a scandal involving his family. It'll be the most challenging role of his life. Navigating his new identity and old relationships, Azaan reunites with Madison, connects with old friends, and uncovers a shocking truth about his family history that threatens to expose his father as a fraud. It turns out, Azaan isn't the only one pretending to be something he isn't. Before he can finish weighing the consequences of exposing his father or protecting him, an untimely death shakes Azaan's priorities. He is forced to grapple with his religion, future, and family in a way that is sure to break hearts, but might heal a few along the way.
