AW Chickering

6 Times We Almost Kissed (And One Time We Did) Tess Sharpe, 2023-01-24 Nina LaCour meets Jenny Han in this beautiful and charming story of six moments that lead to two girls, one kiss, and eventually, three little words that were maybe always true. After years of bickering, Penny and Tate have called a truce: they'll play nice. They have to. Their mothers (life-long best friends) need them to be perfect, drama-free daughters when Penny's mother becomes a living liver donor to Tate's mom. Forced to live together as their moms recover, the girls' truce is essential in keeping everything—their jobs, the house, the finances, the Moms' healing—running smoothly. They've got to let this thing between them go. There's one little hitch: Penny and Tate keep almost kissing. It's just this confusing thing that keeps happening. You know, from time to time. For basically their entire teenaged existence. They've never talked about it. They've always ignored it in the aftermath. But now they're living across the hall from each other. And some things—like their kisses—can't be almosts forever. Told through the two girls' present and six moments from their past, this dynamic love story shows that sometimes the person you need the most has been there for you all along.

Six Times We Almost Kissed (And One Time We Did) Tess Sharpe, 2023-02-02 Six fun facts about PENNY and TATE: 1. They've known each other their whole lives 2. Their moms are best friends 3. They are DEFINITELY NOT friends 4. They keep almost kissing 5. They don't talk about it 6. Thanks to their moms, they're moving in together ... But when an almost-kiss goes from almost to I am now wearing your lip gloss, Penny and Tate have no choice but to finally face the music ... right? An utterly compelling will-they-won't-they slow-burn queer romance from the author of THE GIRLS I'VE BEEN. Praise for *The Girls I've Been*: 'Unlike anything I've read before... immediate, gripping, incredibly tense, heart-breaking, heart-warming and FUN!' Holly Jackson, author of *A Good Girl's Guide to Murder* 'Slick, stylish and full of suspense' Sophie McKenzie 'Grifters! Secret identities! Death-defying escapes! *The Girls I've Been* is a powerful gut-punch of a book that will leave you reeling long after its final pages. I couldn't put it down!' Chelsea Pitcher 'Oh my god, I could hardly breathe until I finished. The tension! Absolutely loved it' Emily Barr

The Conscious Style Guide Karen Yin, 2024-05-28 A timeless, indispensable guide for anyone who wants to communicate with sensitivity and compassion. Most of us want to choose inclusive, respectful, and empowering language. But language—and how we use it—continually evolves, along with cultural norms. When contradictory opinions muddle our

purpose, how do we align our word choices with our beliefs? Who has the final say when people disagree? And why is it so hard to let go of certain words? Afraid of getting something wrong or offending, we too often treat words as dos or don'ts, regardless of context and nuance. Thankfully, in *The Conscious Style Guide*, award-winning editor Karen Yin provides a road map for writing and speaking with equity in mind—no matter how the world around us changes. Readers will learn: How to identify biased language How to use inclusive language to bring attention to specific groups of people How to adopt conscious language as a tool for self-awareness and critical thinking How to make digital materials more accessible, from event flyers to websites How to alleviate the stress of experiencing exclusionary language How to collaborate with others and work across differences How to create a style sheet to help support your practice And much more With practical advice and hundreds of relatable examples, *The Conscious Style Guide* invites us to challenge binary thinking, embrace flexibility and creativity, and explore truly effective communication—in all aspects of our lives.
