The Real Dirt Peter Burkard,2009-01-29 This book calls for a return to the fundamental American values which our society today seems to desperately need to rediscover: frugal living, resourcefulness, the Golden Rule, and growing one's own food. A memoir is used as the context into which is woven inspirational wisdom, food growing how-to, and marvelous quotes from luminaries the author admires. Dreaming of a simpler but happier life, while longing to leave the world better than you found it? Here is the inspiration to do all of that.

**Seahorses are Real** Zillah Bethell,2009-01-01 Marly's had enough of the cramped little rundown flat and wounded grey street where she lives with her fiancé, David. If they could just move away, escape to a rose-covered cottage by the sea, she's sure she would get better and everything would be alright... Seahorses are real is a powerful debut novel of love and damage. Zillah Bethell tells the haunting tale of a relationship warped by depression, at once tender and destructive, where violence is not only perpetrated by men and love is not necessarily enough.

*El Clasico: Barcelona V Real Madrid* Richard Fitzpatrick,2012-10-01 An investigation of the intrigue, politics and culture behind El Clásico - the hard-fought, long-running contest between two of the world's biggest football clubs - explaining the place sport's greatest rivalry has in Spanish life and the world of football.

**Real Success Without College** Bill Martin Vivatson,2010-02 This thesis expressly addresses the plight of young American males ages 15 to 25. The current (2009) crisis is their total lack of education, lack of basic skills, employability, ambition, manners and morality. This is all enforced by their 20 - 27% unemployment numbers and the fact that employers would rather hire women than them by a 15% margin. It is a hard hitting expose of the death of our nation and those who caused it. It begins with a study of man's inherent ignorance and penchant for self destruction. It addresses the cause and effect' when deeply flawed leaders and politicians chose to enrich themselves by raiding the public treasury. But the most damning message of all is the onslaught of wickedness imposed on our nation by the advent of the rebellious Hippie Generations! America will never, ever recover from this curse. But it is a serious and encouraging message to our young men, 15 to 25, that even after surviving 12 years of the ravages of Public Education; they can change and even prosper without a college education!

Real and Phantom Pains ,2014-10-09 An anthology of ten plays embodying the Russian literary movement that began in the late twentieth century. The plays selected for this anthology reflect the issues and styles typical of the new wave of dramatic writing in Russia. New drama flourished (almost) exclusively in small spaces, often in dingy basements that employed and accommodated small numbers of people. The big theaters largely turned a blind eye to what was happening on small stages and in backrooms in playhouses, libraries, and community centers in a few chosen hot spots around Russia: primarily Moscow, Yekaterinburg and Togliatti. In many cases, they took actively hostile stances toward it. This would change, however. And by the beginning of the century's second decade, new drama was threatening to become a mainstream phenomenon. Not every theater staged plays associated with new drama, but almost every one began staging plays influenced by the themes, methods, and language of the new drama movement. Featuring work from Yuri Klavdiev, Olga Mukhina, Pavel Pryazhko, Vasily Sigarev, Maksym Kurochkin, Mikhail Durnenkov, Vyacheslav Durnenkov, Yaroslava Pulinovich, Yelena Gremina, and Maxim Osipov. "Few people know more about what is happening on the Moscow scene than John Freedman (including few Russians). As Moscow Times theater critic throughout the post-Soviet period John could well have seen more theatrical productions in Russia than anyone else. I can't imagine anyone who would do a better job." —Blair A. Ruble, Director, Program on Global Sustainability & Resilience, Woodrow Wilson Center "While other existing volumes focus on 18th, 19th, and early 20th century Russian drama, Freedman's edition would present the unique and important contributions of the new generation of Russian writers portraying the realities and experiences of a post-Soviet generation. John has carefully selected a representative cohort of ten of the most visible, productive, and influential of these writers for the volume." —Thomas J. Garza, University Distinguished Teaching Associate Professor, University of Texas at Austin
