Summary of Dolores Cannon's Between Death and Life – Conversations with a Spirit Everest

Media,2022-04-15T22:59:00Z Please note: This is a companion version & not the original book. Sample Book Insights: #1 I am a regressionist, which is a popular term for a hypnotist who specializes in past life regressions and historical research. I have found that many people are afraid of the in-between life plane, which is called the dead state by regressionists. #2 I had to go back and remember my beliefs and thoughts as they were before the light entered. I wanted to write books about the people's versions of these historical periods, because each unknowingly corroborated the others' stories while in deep trance. #3 I have found that there is no reason to fear death. We subconsciously know what happens and what lies over there. We have all gone through it countless times before. So in my study of death, I have found the celebration of life. #4 When death occurs, there is a feeling of coldness and then suddenly the spirit is standing by the side of the bed or wherever it is, looking at their body. They usually can't understand why the other people in the room are so upset because they feel so wonderful.

Life Between Death and Rebirth Rudolf Steiner,1975-04 He listened extremely attentively, apparently not looking at me at all, but totally devoted to my words. --Franz Kafka The only love that you can show me is to call me anytime, day or night, when you need me. --Rudolf Steiner (to Friedrich Rittelmeyer) For Peter Selg, if Anthroposophy to be a living reality, we must learn to know and love Rudolf Steiner as he appeared to those who knew and loved him: namely, as a spiritual

teacher. To help us do so, he gathered recollections of those of who knew Steiner personally--historical witnesses to the 'living phenomenon' of the 'figure of the teacher. It is his hope that these firsthand accounts will help readers see and experience the amazing, ever-mysterious person that Rudolf Steiner was--a dynamic, energetic dual citizen of both the spiritual and the physical worlds. He moved constantly between these two realities, while his whole life was dedicated in service to the spiritual evolution of humanity. Nonetheless, he was also deeply sociable and a true friend, convivial, cheerful, humorous, and always able to enjoy--and tell--a good joke. He was also austere and painfully serious. In other words, Rudolf Steiner was a paradox. Steiner was imposing, but it would be difficult to say why. He was slim; there was no heaviness in him. Indeed, what seemed to strike most people first was his lightness. He moved rhythmically, youthfully, artistically, with quick, light steps, his posture erect but fluid, his head seeming to float between Heaven and Earth. Yet he was fully grounded. When he stood, it was as if nothing could move him. When he spoke, his gestures and tone expressed perfectly what he had to say. He was completely one with what he said, so that he changed as the content changed. Those who listened to his lectures found themselves transported to the source of what they were hearing. Sometimes ten Steiners would pass before them. To hear a lecture, was a meditation experience. Quite another figure appeared in conversations, which filled his every public moment. One experienced luminous kindness, selfless interest, and intense listening attention. It was as though one were singled out in the world and having a sense of being allowed complete inner freedom. All who came to him for advice felt Steiner's love. They felt that he saw the best in them and spoke from that point of view, whether it was a matter of life's journey or esoteric training. By his example, then, he sought to exemplify the kind of spiritual community toward which he hoped anthroposophists would strive. For anyone who has wondered what Rudolf Steiner was like, this book will open many windows.

Between Death and Life Anil Kumar, 2003

Between Death and Rebirth Rudolf Steiner, 2021-10-28 In an absorbing series of lectures, Rudolf Steiner discloses factors in a person's life on Earth that will influence their experiences in the spiritual world after their death - and conversely, factors in the spiritual world that will affect their next life on Earth. Steiner focuses on the period in the afterlife when the individual has been through kamaloka - the purgatorial place where the soul is purified. Once the soul has been cleansed of its astral sheath, it becomes open to cosmic influences, expanding into the planetary sphere. Now it can begin preparation for reincarnation - for a new human life on Earth. Steiner addresses the vital relationship of the living to the dead - in particular, how those on Earth can influence the souls of the dead. He also speaks on themes of 'Sleep and death', 'The seven-year life cycles of man', and offers a 'Christmas gift' in the form of a lecture on Christian Rosenkreutz and Gautama Buddha. He ends with a mighty picture of the Mystery of Golgotha: Jesus Christ's death on the cross was only seemingly a death; in reality it enabled the momentous birth of the Earth-Soul. Long out-of-print, the freshly-revised text of the ten

lectures in this new edition is complemented with an introduction, notes and appendices by Professor Frederick Amrine, and also features an index.

Spirit and Trauma Shelly Rambo, 2010-09-02 Rambo draws on contemporary studies in trauma to rethink a central claim of the Christian faith: that new life arises from death. Reexamining the narrative of the death and resurrection of Jesus from the middle day-liturgically named as Holy Saturday-she seeks a theology that addresses the experience of living in the aftermath of trauma. Through a reinterpretation of remaining in the Johannine Gospel, she proposes a new theology of the Spirit that challenges traditional conceptions of redemption. Offered, in its place, is a vision of the Spirit's witness from within the depths of human suffering to the persistence of divine love.

Between Death and Resurrection Stephen Yates, 2018-08-09 Christians look with hope to the resurrection of the dead and the restoration of all things. But what of those who have already died? Do they also await these things, or have they in some sense already happened for them? Within the Catholic theological community, this question has traditionally been answered in terms of the disembodied souls of human beings awaiting bodily resurrection. Since the 1960s, Catholic theologians have proposed two alternatives: resurrection at death into the Last Day and the consummation of all things, or resurrection in death into an interim state in which the embodied dead await, with us, the final consummation of all things. This book critically examines the Scriptural, philosophical and theological reasons for these alternatives and, on the basis of this analysis, offers an account of the traditional schema which makes clear that in spite of these challenges it remains the preferable option.

The Anthroposophical Soul Calendar and the Incarnation Cycle of Man Roland Schrapp, 2020-12-09 This book takes a completely new look at the Anthroposophical Soul Calendar. It is about the deeper meaning of the fifty-two weekly verses, which has remained essentially unexplored in the last hundred years since the first edition by Rudolf Steiner. A dense veil of Isis was spread over them, of which is well known that no mortal person can lift it. Only the immortal, psycho-spiritual human being, who knows himself at home in the extrasensory, higher worlds, is capable of doing this. Only to him the weekly verses reveal themselves as a travel guide through these worlds and lift him up to ever higher spiritual-cosmic realms until he reaches the experience of God, from where he gradually descends again into a new life on Earth, enriched in spirit and fertilized in his soul. If the reader embarks on this journey, the spiritual archetype of the Soul Calendar is ultimately unveiled to him and he achieves an extended understanding of Man and Christ. By many quotations from Rudolf Steiner's lectures and

books, the author virtually lets Steiners himself elucidate the breathtaking depths of his mysterious weekly verses.
