Live by the Sword Gus Russo,1998 In this fascinating and masterful work of research, Gus Russo finally unmask the hidden secrets that have surrounded the Kennedy assassination for 35 years. It is packed with never-before-seen documents and photographs, and never-before-known information -- the result of tireless research and exhaustive interviews with countless key players in the Kennedy and Johnson Administrations. The question never asked was not WHO killed JFK, but WHY he was killed. And the answer to this question is the reason for over thirty years of government cover-ups. Gus Russo attacks this very question. Guiding the reader through the labyrinth of information and intrigue, he explores the assassination in context, explaining the atmosphere of the times as well as the actions that led, inexorably, to the defining

moment of this generation.
