**The Dictionary of Modern Proverbs** ,2012-05-22 You can't unring a bell. It takes a village to raise a child. Life is just a bowl of cherries. We sometimes think of proverbs as expressions of ancient wisdom, but in fact new proverbs are constantly arising. This unique volume is devoted exclusively to English language proverbs that originated in the twentieth and twenty-first centuries. The most complete and accurate such collection ever compiled, The Yale Book of Modern Proverbs presents more than 1,400 individual proverbs gathered and researched with the help of electronic full-text databases not previously used for such a project. Entries are organized alphabetically by key words, with information about the earliest datable appearance, origin, history, and meaning of each proverb. Mundane or sublime, serious or jocular, these memorable sayings represent virtually every aspect of the modern experience. Readers will find the book almost impossible to put down once opened; every page offers further proof of the immense vitality of proverbs and their colorful contributions to the oral traditions of today.

**Journey to the Centre Of The Cramps** Dick Porter,2015-01-12 Based upon work and materials compiled for the acclaimed and now much sought after 2007 Cramps biography A Short History of Rock'n'Roll Psychosis, Journey To The Centre Of The Cramps goes far beyond being a revised and updated edition: Completely overhauled, rewritten and vastly expanded, it now represents the definitive work on the group. In addition to unseen interview material from Ivy, Lux and other former band members, Journey To The Centre Of The Cramps also sees the Cramps' story through to its conclusion, recounting Lux's unexpected death in 2009, the subsequent dissolution of the group and their enduring legacy. The Cramps' history, influences and the cast of characters in and around the group are likewise explored in far greater depth. Features unseen first-hand interview material from Lux Interior and Poison Ivy. A wealth of new interview material with former band members and other key players in the band's history and never before seen/rare photographs and ephemera to help illustrate the book.

*America, You Sexy Bitch* Meghan McCain,Michael Ian Black,2012-06-12 She is a single, twentysomething, gun-loving, Christian, Republican writer and blogger, the daughter of a Senator and 2008 Republican presidential nominee. He is a married, forty-year-old, gun-fearing, atheist, Democrat comedian, the son of a lesbian former Social Security employee.

Meghan McCain and Michael Ian Black barely know each other. But they are about to change the way politics is discussed in America. Or at least the way politics are discussed in their crappy RV. In *America, You Sexy Bitch*, Meghan and Michael embark on a balls-out, cross-country tour starting in California, the heart of liberal America, and ending in the state of Connecticut, the home of blue-blood Wall Street billionaires. Along the way, they visit such cultural touchstones as Graceland and Branson, party in Las Vegas and New Orleans, pretend to be Mormon in Salt Lake City (only for a second), and go to a mosque in Dearborn, Michigan. They tour the nation's capital; they fire semiautomatic weapons. But mostly Meghan McCain and Michael Ian Black talk to each other: about their differences, their similarities, and how American politics has gotten so divided.

*The Peace of the Hall: Rules of Engagement for the New Witch Wars* Katessa Harkey, 2017-05 The new Witch Wars blaze through our community with all the heat and fury of a Medieval inquisition. In this era of social media, former friends turn bitter & dangerous rivals over any perceived slight. We need an approach to encountering our differences in a healthy and

productive manner - one that does minimal damage to our relationships, organizations, & spaces. Sadly, we must also stand prepared to do battle when our fellows just won't honor the Peace of the Hall. Katessa S. Harkey is the Storyteller of Spiral Cult Circus, a small Hermetic Fraternal Order in Portland, OR. A member of the occult community for 14 years, she has weathered through many a spat in this fracas - and hopes to see just as few of them into the future as possible!

**Wooden Horses and Iron Men** Dale W. Merriam PhD PE,2020-02-24 It's a story of an American family, and a truly unique American industry. One that is colorful with its own lifestyle, its cast of characters, its sub-culture, and, yes, to some extent, its own language. From its birthplace at the 1893 Columbian Exhibition in Chicago, to its present popularity at State, and County Fairs, the Carnival industry is uniquely American. Meet the Cast who make it fun. The Merriam family, Pete Leslie, who sold tickets on the snake show, and One Ball Eddie, who somehow kept that last milk bottle standing upright. Learn the difference between a Circus, and a Carnival. A Circus you only have to watch to enjoy. A Carnival you have to participate. Throw the dart, eat the corndog, win the prize, and give your best gal a squeeze as you go over the top of one of the descendants of Ferris's magnificent wheel.

*Situating Child Consumption* Anna Sparrman, Bengt Sandin, Johanna Sjöberg, 2015-01-01 Providing extensive examples of the conditions of children's everyday consumption as well as how children themselves understand issues of work, money, scarcity, and consumer products, this book challenges the prevailing theories of consumption and opens up new ways of thinking about children. Arguing that consumption simultaneously reflects on the changing social role of children, family relations, market interaction, and state regulations, this account marries consumer studies with perspectives that emanate from the disciplines of childhood sociology and the history of childhood. With contributions from novice and established researchers, it generates consumer values no longer based on the idea of the naïve or competent child.
