Remembering the Light Within Mary R. Hulnick, Ph.D., H. Ronald Hulnick, Ph.D., 2017-02-21 Two leading spiritual psychologists offer a “life-changing book” that will help you awaken to your innate spiritual power and most authentic self (Jack Canfield, co-author of the Chicken Soup for the Soul) What if you discovered—not as a concept, but rather as a profound inner knowing born from the crucible of your own experience—that the essence of your very nature is, has always been, and always will be, the presence of love? That awareness would change everything. Your consciousness would be transformed, and you would move forward into a Soul-Centered life—your unique and beautiful life of meaning, purpose, and fulfillment. The book you hold in your hands is a vehicle for fostering just such an epiphany through the use of the empowering tools of Spiritual Psychology in your everyday life. As co-directors of the University of Santa Monica, the Worldwide Center for the Study and Practice of Spiritual Psychology, Drs. Ron and Mary Hulnick have had many years of experience in applying these principles and practices in their own lives as well as supporting thousands of students in doing the same. Their intention is nothing less than providing you with inspiration, practical tools, encouragement, and opportunities for learning how to live into the Spiritual Context—the awareness that you are a Soul and that your life serves spiritual purpose. As you read and engage with this book, you’ll learn practical ways for waking up more fully into the awareness of the loving being that you are. You will be remembering the Light within—remembering your essential nature. Can you imagine walking through this world in a consciousness that is Awake to Love? Wouldn’t that be amazing Grace? Opportunities for just such experiences are available to you, and this book will be your guide through this process.

He Can Do His Own Laundry Joe Florentino,2013 Will I ever stop crying? When will I feel like me again? Am I financially ruined? How do I begin to rebuild? If you are one of the thousands of women in this country living through the craziness of divorce, this book is for you. This is a book to pick up every time you think, What was he thinking? Joey Florentino is a police officer, a father, and a divorcée. This is not a touchy-feely self-help book. It's not an ex-bashing book with tips for revenge. And it's not a clinical book dispensing diagnoses. He Can Do His Own Laundry is straight talk from an everyday guy. Through his own recovery from divorce, he has discovered tools to navigate the emotional, physical, financial, and spiritual aspects of divorce. While there are no magic words to make things better overnight, you can begin the process towards real growth in all areas of your life. By putting your former marriage behind you, you can start living the life you were meant to live. And on days when it's hard to see how any good can come of this, remember: He Can Do His Own Laundry!
