**It's a Matter of Fact** Angie Miller, 2018-04-09 In this new book from Routledge and MiddleWeb, author Angie Miller shows how you can turn your students into informed citizens by teaching them how to research effectively. In today's information-saturated world research skills have moved beyond fact-finding, into fact-sifting, fact-sorting, and fact-assessing. Miller shows you how to help students check sources, take good notes, make use of information, and synthesize and present information across the subject areas. She also shows how to make research a daily practice, not a one-time essay or project. With examples and online handouts you can use immediately, this practical book is a valuable resource for educators seeking to engage students in their work and encourage them toward higher level thinking.

*What Am I Here For?* Martin C. Bala, 2024-03-18 We all go through life with similar struggles and desires, but not everyone follows their childhood dreams, not everyone is successful, or at least feels that way. There are also moments in your life when something unusual happens. An accident, a health problem, or something bigger than your job, your career. In those moments, life loses its meaning and you start to think: Is what I am doing now all there is? Is this what I dreamed of as a child? What am I here for? Similar questions have been on my mind for more than two decades of my life, and I have found answers that I am willing to share with you in this book. People who are truly successful do things differently than most, and it is not too late for you to learn what they know. Without finding your purpose, true success can be very difficult to achieve. It is never too late to change the way you think, to act differently, and to make a difference. Everyone needs to believe in something, even if it is only in their own abilities. I invite you on an exciting journey of self-discovery and the beginning of a new phase of your life. What you will find in this book is a great insight into the psychology of who you are and a different perspective on widely accepted truths. It will teach you how to work on yourself and apply the knowledge you find to your own life. I've turned my life around, and so can you. You already have what you need. Find out how you can live the life of your dreams! The world of subjective contrast and compassion Is a false world, built entirely By each person's imagination. Nothing is as it seems..." ~ Zen proverb

The Quote Manual Robert G. Moscatelli,2005-07-15 THE TROUBLE WITH QUOTE BOOKS, to paraphrase something Napoleon once said about books in general, is that in them one has to read so many bad quotes to find some that are really good. Most authors of quote books include in their pages numerous forgettable quotes among the few that are really worth remembering. Not so with this quote book. This book is an unpadded collection of carefully selected quotes. Each quote is guaranteed to cause the reader to think, learn, grow or, in some cases, laugh. Open this book to any page and you will find selected gems of the spoken and written word that you will use again and again. It is a comprehensive resource that will give you an appropriate quote for almost any subject you want to address in your speaking or writing. Bob Moscatelli is a 1958 graduate of West Point. He accumulated the quotes in this book over a fifty-year period which included twenty-six years as a career Army officer, eight as a financial programmer and four in politics. He is also the author of Too Soon Old, Too Late Smart, a book on the fundamentals of personal finance. This book is an ideal gift for readers of all ages. Buy a copy for yourself and for everyone you care about who will appreciate a useful gift that will have a beneficial influence on his or her life for years to come.

Get Out of Your Own Way Dave Hollis,2020-03-10 The idea that you could be more but got in your own way should wake

you up in the middle of the night. Dave Hollis used to think that “personal growth” was just for broken people, then he woke up. When a looming career funk, a growing drinking problem, and a challenging trek through therapy battered Dave Hollis, a Disney executive and father of four, he began to realize he was letting untruths about himself dictate his life. As he sank to the bottom of his valley, he had to make a choice. Would he push himself out of his comfort zone to become the best man he was capable of being, or would he play it safe and settle for mediocrity? In *Get Out of Your Own Way*, Dave tackles topics he once found it difficult to be honest about, things like his struggles with alcohol and his insecurities about being a dad. Offering encouragement, challenges, and a hundred moments to laugh, Dave will help you: Discover the way for those of us who are, like he was, skeptical of self-help but wanting something more than the status quo Drop negative ideas about who we are supposed to be and finally start living as who we really are See our own journeys more clearly as he unpacks the lies he once believed—such as “I Have to Have It All Together” and “Failure Means You’re Weak” Learn the tools that helped him change his life, and may change your life too *Get Out of Your Own Way* is a call to arms for anyone who’s interested in a more fulfilled life, who, along the way, may have lost their “why” and now wonders how to unlock their potential or be better for their loved ones.

**Deliberately Simple Life Quotes** Dr. Stephen Zemanek, 2013-06-19 Life can become complex and challenging for all of us. If we are not consciously working towards expanding our thinking we will slide into a tiny life with few options. One of the best ways we can expand our view on life is by considering the thoughts of others. At times the thoughts of others will be proven wrong. At times the thoughts of others will prove themselves to be exceedingly insightful. Regardless of the conclusion we reach about another's view our lives become bigger simply by the act of considering them. Thoughts, ideas, concepts, and humor develop us into the person we are becoming. A world without keen or witty thoughts is drab and empty. This book is designed to take you through each day of the year with a new thought to consider. Some of these thoughts you will love and others you will disagree with. However, as you read through this book you will discover new ideas to consider each day.

*The Journey of God* Jonathan D. Lyonhart, 2025-06-24 *The Journey of God* is an exploration into the rich tapestry of Christianity, designed to captivate both mind and soul. *The Journey of God* transcends traditional theology writing, weaving a compelling narrative that journeys through the six pivotal acts of the Christian story—Creation, Fall, Nation, Redemption, Church, and End. Each chapter unfurls as part novel, part sermon, and part philosophical inquiry, challenging readers to engage with deep theological questions in the order they naturally arise. Through this unique format, you’ll explore the complexities and nuances of Christian thought from multiple perspectives. While blending literature, philosophy, science, history, comedy, drama, and more, *The Journey of God* explores topics such as: Does science challenge faith? Why do humans have so much capacity for good and for messing things up? Is there objective right and wrong, and who decides? Why did

Jesus have to die? What's the point of the church when so many people have been hurt by it? Do all religions teach the same basic things? Whether you're a layperson, scholar, or minister, *The Journey of God* invites you to deepen your understanding and devotion while reflecting on the intertwined narratives of faith and reason. Whether used in seminary classrooms or personal study, *The Journey of God* stands as a contemporary, refreshing introduction to Christianity, offering a well-rounded understanding of the faith that is both intellectually stimulating and spiritually uplifting.

**The Little Book of Gratitude Quotes** Kathleen Welton, 2011-03 *The Little Book of Gratitude Quotes* shares appreciation for the people, places, and events that shape and enrich our lives. Here is joy. Here is kindness. Here is inspiration to be inspired and to keep inspiring others. Give thanks. Give it freely. An uplifting collection of 365 quotes, this book encourages kindness, thankfulness, and being appreciative for what life offers. Thematically arranged in twelve sections that include Compassion, Forgiveness, Kindness, Success, and Wisdom the book includes a gratitude checklist and lots of food for thought. The book shares unforgettable quotes from more than 100 authors including Emily Dickinson, Albert Einstein, Ralph Waldo Emerson, John Keats, Eleanor Roosevelt, and William Shakespeare. This is an accessible book that readers will pick up again and again to help find the right words for inspiration. Timeless, classic, and filled with grace, *The Little Book of Gratitude Quotes* is the perfect exchange of thanksgiving and praise. An accoutrement to both giving and receiving thanks, this charming tutorial is organized to show appreciation every day, year in and year out, to those who make a difference in our lives--and it celebrates our willingness to spread kind words. These quotes have stood the test of time and each can be used for inspiration, motivation, or encouragement. There's so much to be thankful for and this book is a jumping off point to begin the simple act of praise and thanksgiving. Make today a day of fellowship and good cheer.

**You've Got This!** Margie Warrell, 2020-02-25 A masterclass to build self-trust, beat self-doubt and make your boldest aspirations a reality. Does fear hold you back? We all have moments when we succumb to doubt and let our fears call the shots. Each time they do, we limit our lives. It's why learning to trust in ourselves is crucial to rising above our biggest challenges and enjoying true happiness and success — in our careers, relationships, leadership and life. Written with heart and humour but grounded in research, *You've Got This!* is a handbook for unleashing our untapped potential and passion, creativity and courage, to thrive in today's uncertain world. Filled with compelling stories and hard-won wisdom, author Margie Warrell draws on her background in business, coaching and doctoral studies as well as her challenges raising four children while living and working around the world. Applying the practical advice and twelve powerful principles in this book will help you: Defy negative self-talk and take the bold actions you've been putting off Become your greatest cheerleader, not your loudest critic Embrace vulnerability and trust your intuition Combat stress and thrive amid uncertainty Amplify your power as a leader and 'change maker' Hailed as a "high five to the human spirit", *You've Got This!* is a must-read for everyone, from seasoned leaders, to those embarking on their adult lives, and anyone in between who just needs

encouragement to rise to their take that leap. When we trust ourselves to handle anything, it liberates us for everything.

*The Long Goodbye* Emily Evans,2021-05-13 Allie Bryant and her identical twin sister Fiona are the best of friends. Although the girls are polar opposites at school, Fiona a popular athlete and Allie an introverted scholar, they have an unbreakable bond that no one outside of their own world could understand. One terrible night, Fiona is stolen from Allie's life. Fate and poor choices cost Fiona the ultimate price. Allie is left alone to reenter the world without Fiona's support. Everything Allie thought she knew about herself, her parents, and her twin comes into question. When she discovers Fiona's hidden journal, Allie realizes that Fiona had hidden many secrets. She comes to the frightening realization that she didn't know Fiona nearly as well as she thought. The mystery surrounding her sister's life and choices weighs heavily on Allie as she journeys through her grief. Her parents' struggle makes her own pain almost insurmountable, if it weren't for an unexpected friendship Allie finds with a young man. Shaun has found peace with a similar loss in his life and helps Allie find her way through the dark. In spite of chaos and loss, Allie finds the value of family, friendship, and her own gifts. Following Allie through her first year without her sister, *The Long Goodbye* asks the question, how does one continue to live without the person they lived for?

**I Love You** Donna Hanks, 2015-11-25 There are so many unhappy people in the world. But moving from unhappy to happy is a lot easier than people might think. It begins with positive thinking and self-love. Donna Hanks, a self-development author and coach, explores how to lead a more fulfilling life by moving past hurt, shunning the need for approval, and overcoming beliefs that prevent you from taking charge of your life. Her main message is that being happy starts with loving yourself, being you, and being true to yourself. You can have anything you want, you can change anything you want, and you can create anything you want as long as you believe you can do it! If something in your life is not working, then it's time to think differently. Change your actions, thoughts, and feelings and take responsibility for your future by applying the strategies in I Love You.

**Unexpected** Jen Bailey, 2023-08-22 Juno meets Heartstopper in Jen Bailey's Unexpected, a poignant and emotional story about found family, what it means to be a parent, and falling in love. Benjamin Morrison is about to start junior year of high school and while his family is challenging, he is pretty content with his life, with his two best friends, and being a part of the robotics club. Until an experiment at science camp has completely unexpected consequences. He is going to be a father. Something his mother was not expecting after he came out as gay and she certainly wasn't expecting that he would want to raise the baby as a single father. But together they come up with a plan to prepare Ben for fatherhood and fight for his rights. The weight of Ben's decision presses down on him. He's always tired, his grades fall, and tension rises between his mom and stepfather. He's letting down his friends in the robotics club whose future hinges on his expertise. If it wasn't for his renewed friendship (and maybe more) with a boy from his past, he wouldn't be able to face the daily ridicule at school or the crumbling relationship with his best friends. With every new challenge, every new sacrifice he has to make, Ben

questions his choice. He's lived with a void in his heart where a father's presence should have been, and the fear of putting his own child through that keeps him clinging to his decision. When the baby might be in danger, Ben's faced with a heart-wrenching realization: sometimes being a parent means making the hard choices even if they are the choices you don't want to make...
