How To Be An Amazing Speaker Lloyd Luna,2015-12-04 This book is about how to become an amazing public speaker, creative communicator, effective presenter, and humorous messenger. Summing up, it tells many stories of triumph and defeat, stories of pride and terrible shame, stories of friendship and stories of enmity, inspiring stories on how Lloyd Luna became one of the highest paid motivational speaker in the Philippines and Asia today. From the introduction After an hour of motivational talk that I'd spice up with nonstop humor, the audience often just couldn't get enough of me. They would shout "More! More!" in chorus and I would then oblige them by extending my talk for another 30 minutes or so. Often, after only the first five minutes, the audience in a good many of such talks would rather that the speaker stop and leave the stage. Why then would they want an extension in my case? Do they love my presentation? Do they love being entertained while being taught at the same time? Or do they just plain love me? Make a guess. Because unless you see me on stage or watch me on YouTube, you won't have a proper appreciation of how I do it. But as tempting as it is to make this book about me, it really isn't about me. It's really about you. It's just that I can only do it by talking about me. I just need to tell stories about me to make a point, that's all. For this book is not a product of a routine Google search or the typical how-to that you find in the Internet. To teach you about public speaking, I can only talk about my own successes and failures in doing it. Indeed, this is about my real-life experiences in public speaking.
