Mechanically Inclined Jeff Anderson,2023-10-10 Some teachers love grammar and some hate it, but nearly all struggle to find ways of making the mechanics of English meaningful to kids. As a middle school teacher, Jeff Anderson also discovered that his students were not grasping the basics, and that it was preventing them from reaching their potential as writers. Jeff readily admits, "I am not a grammarian, nor am I punctilious about anything," so he began researching and testing the ideas of scores of grammar experts in his classroom, gradually finding successful ways of integrating grammar instruction into writer's workshop. Mechanically Inclined is the culmination of years of experimentation that merges the best of writer's workshop elements with relevant theory about how and why skills should be taught. It connects theory about using grammar in context with practical instructional strategies, explains why kids often don't understand or apply grammar and mechanics correctly, focuses on attending to the "high payoff," or most common errors in student writing, and shows how to carefully construct a workshop environment that can best support grammar and mechanics concepts. Jeff emphasizes four key elements in his teaching:short daily instruction in grammar and mechanics within writer's workshop;using high-quality mentor texts to teach grammar and mechanics in context;visual scaffolds, including wall charts, and visual cues that can be pasted into writer's notebooks;regular, short routines, like "express-lane edits," that help students spot and correct errors

automatically. Comprising an overview of the research-based context for grammar instruction, a series of over thirty detailed lessons, and an appendix of helpful forms and instructional tools, *Mechanically Inclined* is a boon to teachers regardless of their level of grammar-phobia. It shifts the negative, rule-plagued emphasis of much grammar instruction into one which celebrates the power and beauty these tools have in shaping all forms of writing.

The New Yale Book of Quotations Fred R. Shapiro, 2021-08-31 A revised, enlarged, and updated edition of this authoritative and entertaining reference book —named the #2 essential home library reference book by the Wall Street

Journal "Shapiro does original research, earning [this] volume a place on the quotation shelf next to Bartlett's and Oxford's."—William Safire, *New York Times Magazine* (on the original edition) "A quotations book with footnotes that are as fascinating to read as the quotes themselves."—Arthur Spiegelman, *Washington Post Book World* (on the original edition) Updated to include more than a thousand new quotations, this reader-friendly volume contains over twelve thousand famous quotations, arranged alphabetically by author and sourced from literature, history, popular culture, sports, digital culture, science, politics, law, the social sciences, and all other aspects of human activity. Contemporaries added to this edition include Beyoncé, Sandra Cisneros, James Comey, Drake, Louise Glück, LeBron James, Brett Kavanaugh, Lady Gaga, Lin-Manuel Miranda, Barack Obama, John Oliver, Nancy Pelosi, Vladimir Putin, Bernie Sanders, Donald Trump, and David Foster Wallace. The volume also reflects path-breaking recent research resulting in the updating of quotations from the first edition with more accurate wording or attribution. It has also incorporated noncontemporary quotations that have become relevant to the present day. In addition, *The New Yale Book of Quotations* reveals the striking fact that women originated many familiar quotations, yet their roles have been forgotten and their verbal inventions have often been credited to prominent men instead. This book's quotations, annotations, extensive cross-references, and large keyword index will satisfy both the reader who seeks specific information and the curious browser who appreciates an amble through entertaining pages.

Bookclub-in-a-Box Discusses Khaled Hosseini's novel, The Kite Runner Marilyn Herbert, 2011-03-25 *The Kite Runner* has the distinction of being the first English-language fiction written about Afghanistan, by Khaled Hosseini, a former Afghan doctor who fled his native country in 1980 as it became immersed in civil war. The novel tells of the relationship of two boys

who are born, live, and play side by side, yet there is no equality in their connection. Hosseini takes his story through three decades, which include communism and Soviet occupation, as well as the arrival of the Mujahideen and the reign of terror that followed. Bookclub-in-a-Box will review and examine the following topics:

- The complex relationship of Amir and Hassan, especially juxtaposed against the political and cultural backdrop of their times.
- Through the relationship of the two boys with each other and with others, the reader will reflect on how those personal and political realities can be intertwined. There will be references to the concepts of master and bully.
- The images of the kite and the kite runner are appropriate symbols for Afghanistan and will be considered in that light. Readers will be inspired to seek out other metaphors in this rich novel.
- Afghanistan has been forever changed by its different masters, for example, the Russians and the Taliban.
- Examine the devastation of Afghanistan, as portrayed in the lives of the novel's characters, and to see and understand the kind of human suffering that occurred behind the newspaper headlines. Every Bookclub-in-a-Box discussion guide includes complete coverage of the themes and symbols, writing style, and interesting background information on the novel and the author. Bookclub-in-a-box Presents the Discussion Companion for Khaled Hosseini's Novel The Kite Runner Marilyn Herbert, Khaled Hosseini, 2006-02 Discusses the novel, *The Kite Runner*.

The Kite Runner Khaled Hosseini, 2009-02-24 The #1 New York Times bestselling debut novel that introduced Khaled Hosseini to millions of readers all over the world. Amir and Hassan are childhood friends in the alleys and orchards of Kabul in the sunny days before the invasion of the Soviet army and Afghanistan's descent into fanaticism. Both motherless, they grow up as close as brothers, but their fates are to be different. Amir's father is a wealthy merchant; Hassan's father is his manservant. Amir belongs to the ruling caste of Pashtuns, Hassan to the despised Hazaras. This fragile idyll is broken by the mounting ethnic, religious and political tensions that begin to divide Afghanistan further. An unspeakable assault on Hassan by a gang of local boys tears the friends apart; and when the Soviets invade Afghanistan, Amir and his father flee to San Francisco, leaving Hassan and his father to a pitiless fate. Only years later will Amir have an opportunity to redeem himself

by returning to Afghanistan to begin to repay the debt long owed to the man who should have been his brother. Compelling, heartrending and etched with details of a history never before told in fiction, *The Kite Runner* is a story of the ways in which we're damned by our moral failures, and of the extravagant cost of redemption.

The Immortality of Influence Salome Thomas-EL, Cecil Murphey, 2010-02-01 Salome Thomas-EL, award-winning educator and the highly-praised author of *I Choose to Stay*, has helped hundreds of troubled children get into magnet high schools, major colleges, and universities. Yet he still finds himself devastated by the long-ago death of a promising student named Willow Briggs. Salome worked with and consistently encouraged this troubled boy, who ultimately became one of the school's top chess players and students. But when Willow moved on to high school, he found no real positive influences. He struggled academically and was murdered on a street corner at the age of sixteen. More than any other factor, Willow's death launched Salome Thomas-EL on his mission to be a positive influence, and to encourage all of us to set the best example possible for the young people in our lives. *The Immortality of Influence* is a refreshing, common-sense roadmap to helping kids achieve their dreams in which Thomas-EL movingly describes the methods he has used to help his students succeed. It all started in Vaux Middle School, where he began a chess club to teach boys and girls how to think critically and resolve conflicts with their minds instead of their fists. Not only did his students win eight national championships and become local heroes, they also scored high on the SATs and got into top colleges. When Thomas-EL found himself faced with kids who didn't exercise or eat well, he started a summer program in which the students walked to museums and other cultural events around the city. Recognizing the importance of exposing kids to the world outside their own neighborhoods, he took fifteen African-American students to rural Vermont, where they interacted with white children their age and

discovered how much they had in common. All of these students were later accepted to the best magnet high schools. These are just a few examples of what can happen when kids are mentored in a positive way--not only at home, but in the community at large. For parents, guardians, educators--anyone who wants the best for kids, this book is an essential, inspirational reference. It's all about making a difference--not just for today, but forever. Sometimes, it only takes one special person to set a child on the right path, but more often, it does indeed take a village. The Immortality of Influence will inspire you to band together with other caring adults and start making a difference--now.

Hooked Rita Felski, 2020-11-20 "Examines the way we connect to novels, films, paintings and music, and argues that our enthusiasms should be an integral part of conversations about art." —Helen Thaventhiran, London Review of Books How does a novel entice or enlist us? How does a song surprise or seduce us? Why do we bristle when a friend belittles a book we love, or fall into a funk when a favored TV series comes to an end? What characterizes the aesthetic experiences of feeling captivated by works of art? In *Hooked*, Rita Felski challenges the ethos of critical aloofness that is a part of modern intellectuals' self-image. The result is sure to be as widely read as Felski's book, *The Limits of Critique*. Wresting the language of affinity away from accusations of sticky sentiment and manipulative marketing, Felski argues that "being hooked" is as fundamental to the appreciation of high art as to the enjoyment of popular culture. *Hooked* zeroes in on three attachment devices that connect audiences to works of art: identification, attunement, and interpretation. Drawing on examples from literature, film, music, and painting—from Joni Mitchell to Matisse, from Thomas Bernhard to Thelma and Louise—Felski brings the language of attachment into the academy. *Hooked* returns us to the fundamentals of aesthetic experience, showing that the social meanings of artworks are generated not just by critics, but also by the responses of captivated audiences. "[*Hooked*] is an exposé aimed at critics who disavow their personal allegiances." —Matthew Rubery, Public Books "There are many insights in *Hooked* that will facilitate a productive interdisciplinary conversation about aesthetics, politics, and the future of critique." —Michael Gallope, nonsite.org

Grace Under Pressure John Baldoni, 2023-04-04 *Grace Under Pressure: Leading Through Change and Crisis* focuses on three things leaders need to do when change and adversity strike: take care of their people, take care of themselves, and prepare for the future. And they must do it all with a sense of grace—calmly, collectedly, and compassionately. John Baldoni has established a career as a highly sought-after executive coach, where he's had the privilege of working with senior leaders

in virtually every industry from pharmaceutical to real estate, packaged goods to automobiles, and finance to healthcare. He shares his expertise here, focusing on how leaders need to prepare for change by focusing on what matters most—their people. Among the themes Baldoni explores are fear and loss as well as empathy, resilience, and hope. This book also provides a roadmap for leaders seeking to create community as they meet the coming challenges with dignity and grace.

Reading Khaled Hosseini Rebecca Stuhr, 2009-09-03 One of the most important emerging novelists today, Khaled Hosseini has enjoyed critical success and popular accolades. His first book, *The Kite Runner*, was voted Reading Group Book of the Year in 2006 and 2007 and was made into a major motion picture. His second book, *A Thousand Splendid Suns*, seems destined to follow the same path. Written for book club members and students, this guide overviews Hosseini's works, themes, characters, and contexts and relates his fiction to current events and popular culture. Sidebars present interesting information, and chapters contain questions to stimulate book club discussions and student research. The volume closes with a selected, general bibliography of print and electronic resources. The book begins with a glance at Hosseini's life and his use of the novel form. It then looks at his novels, summarizing their plots and discussing his characters, themes, and contexts. The book gives close attention to his handling of current events in his works, and to the presence of his fiction in popular culture. Chapters include sidebars of interesting information, along with discussion questions designed to promote book club discussion and student research.
