

Rabbi Menachem Mendel Schneerson

Simon Jacobson

The Rebbe Samuel Heilman, Menachem Friedman, 2012-03-25 A biography of Rabbi Menachem Mendel Schneerson that discusses his childhood in Russia, education in Germany and Paris, messianic conviction, religious leadership, legacy, and other related topics.

Rebbe Joseph Telushkin, 2016-06-14 "One of the greatest religious biographies ever written." – Dennis Prager In this enlightening biography, Joseph Telushkin offers a captivating portrait of the late Rabbi Menachem Mendel Schneerson, a towering figure who saw beyond conventional boundaries to turn his movement, Chabad-Lubavitch, into one of the most dynamic and widespread organizations ever seen in the Jewish world. At once an incisive work of history and a compendium of Rabbi Schneerson's teachings, *Rebbe* is the definitive guide to understanding one of the most vital, intriguing figures of the last centuries. From his modest headquarters in Crown Heights, Brooklyn, the Rebbe advised some of the world's greatest leaders and shaped matters of state and society. Statesmen and artists as diverse as Ronald Reagan, Robert F. Kennedy, Yitzchak Rabin, Menachem Begin, Elie Wiesel, and Bob Dylan span the spectrum of those who sought his counsel. *Rebbe* explores Schneerson's overarching philosophies against the backdrop of treacherous history, revealing his clandestine operations to rescue and sustain Jews in the Soviet Union, and his critical role in the expansion of the food stamp program throughout the United States. More broadly, it examines how he became in effect an ambassador for Jews globally, and how he came to be viewed by many as not only a spiritual archetype but a savior. Telushkin also delves deep into the more controversial aspects of the Rebbe's leadership, analyzing his views on modern science and territorial compromise in Israel, and how in the last years of his life, many of his followers believed that he would soon be revealed as the Messiah, a source of contention until this day.

Toward a Meaningful Life, New Edition Simon Jacobson, 2002-08-20 With a new foreword and chapter that address the upheaval that followed the events of September 11, this revised edition of *Toward a Meaningful Life* traces the root causes of our fear and uncertainty and lucidly outlines strategies for recovery and redemption. Profound yet accessible to readers of all backgrounds and beliefs, *Toward a Meaningful Life* provides comfort and renewed hope, showing us how to find solace even as we endure overwhelming suffering and inexplicable loss. *Toward a Meaningful Life* is a spiritual road map for living based on the teachings of one of the foremost religious leaders of our time: Rabbi Menachem Mendel Schneerson. Head of the

Lubavitcher movement for forty-four years and recognized throughout the world simply as the Rebbe, Menachem Mendel Schneerson, who passed away in June 1994, was a sage and visionary of the highest order. Although the Rebbe's teachings are firmly anchored in more than three thousand years of scholarship, the urgent relevance of these age-old truths to contemporary life has never been more manifest. The principles the Rebbe derived from the sages embody a distinctly universal message, calling for humankind at all times to lead productive and virtuous lives, and for unity among all peoples and all nations. The new chapter, *Upheaval and Change*, guides us through the challenges of the new millennium. *Toward a Meaningful Life* gives modern readers -- even the most secular -- fresh perspectives on every aspect of their lives, from everyday cares to the most profound crisis of the soul. The book brings the Rebbe's perspective to the full range of life's cycles -- birth to death, youth to old age; marriage, love, intimacy, and family; the persistent issues of career, health, pain, and suffering; and education, faith, science, and government. We learn to bridge the divisions between accelerated technology and decelerated morality, between unprecedented worldwide unity and unparalleled personal disunity. At the threshold of a new world where matter and spirit converge -- an age of knowledge and information -- *Toward a Meaningful Life* proposes spiritual principles that unite people as opposed to the materialism that divides them. Guided by the wisdom of the sages, readers discover that we are indispensable and can and must make our unique indelible marks in our common future. A true leader, the Rebbe continues to lead us toward personal and universal redemption, toward a meaningful life, and toward God.

Turning Judaism Outward Chaim Miller, 2014 Rabbi Menachem Mendel Schneerson (1902-1994), the Lubavitcher Rebbe, took an insular Chasidic group that was almost decimated by the Holocaust and transformed it into one of the most influential and controversial forces in world Jewry. This superbly crafted biography draws on recently uncovered documents and archives of personal correspondence, painting an exceptionally human and charming portrait of a man who was well known but little understood. With a sharp attention to detail and an effortless style, Chaim Miller takes us on a soaring journey through the life, mind and struggles of one of the most interesting religious personalities of the Twentieth Century. --

The Final Redeemer Alon Dahan,2016-01-18 Throughout the latter half of the twentieth century, Rabbi Menachem Mendel Schneerson served as Grand Rabbi or Rebbe of the Chabad Chassidic dynasty. Under his leadership, the previously small and exclusive Chassidic group expanded into a major force, whose influence was even felt in the non-Jewish world. A substantial portion of his disciples began to seriously contemplate whether he was the Messiah. Dr. Alon Dahan's study on the Lubavitcher Rebbe, Menachem Mendel Schneerson, is the most comprehensive, methodical and in-depth analysis yet written about this individual, who has served as a central figure in the spiritual world of twentieth century Jewry. Prof. Joseph Dan, Israel Prize Laureate, Hebrew University ...Dr. Dahan's study is unique in its clarity and systematic as it explores and explains the foundations of Messianic spiritualism and its global, societal influence from its inception after World War II until today... Prof. Rachel Elior, Jewish Philosophy professor, Hebrew University ...The Final Redeemer will take the reader to the depths of the Messianic drama, the theosophical structure and messianic consciousness existing within Hassidism and the entire Jewish community... Prof. Yoram Bilu, Israel Prize Laureate, Hebrew University ...Alon Dahan has provided us with a comprehensive work about the man he studied. The author delved into books and tractates that no researcher before him has included and has shared with us the Rebbe's visions and teachings. Guy Kantor, Journalist Dr. Alon Dahan is a lecturer of Jewish Thought at the Hebrew University of Jerusalem. In 2007, he was awarded the Schlomiuk Prize.

I Will Write It in Their Hearts Menachem Mendel Schneerson, 2002

Rabbi Kameleon Issachar Levi Schneerson, 2015-08-21 Rabbi Issachar Levi Schneerson speaks out about the extremely distant relationship he had with his father Chassidic grand rabbi 'The Rebbe' Menachem Mendel Schneerson. They were 5,862 kilometers apart, had a single phone call once every three months, and only two meetings in forty years. His father passed away in 1994 but today Issachar still does not know why his father kept him at bay. He was the grand rabbi's only son and it would have been in line with Chassidic tradition if he had succeeded his father, but his father did not even allow him inside his movement. His father even kept his existence a secret from most of his followers! Was his son's extramarital birth an embarrassment after all? Or did he want to protect his son from the religious fundamentalism and messianic frenzy that came to hold his movement in an ever tightening grip? As an adolescent Issachar felt rejected by his father and as an adult he was hurt time after time by his father's aloofness. Had he not done everything he could to adjust? He had converted to Judaism the Orthodox way, he observed the Jewish rites and rituals, he married a Jewish woman, he studied Judaism, and he even moved to Israel so his children would grow up in an entirely Jewish environment! He had done nothing wrong, so why would his father not have him? Until his father passed away on June 12, 1994, he continued to hope that one day he would call him, make his existence public, acknowledge him, but then his last hope was dashed and he became desperate. He broke down and underwent psychological treatment. He recovered somewhat, but gradually traumas from his work in the Dutch security forces took over his life and in 2007 he had to stop working. In the summer of 2014 he published his story, this book.

The Educational Teachings of Rabbi Menachem M. Schneerson Aryeh Solomon, 2000-02 Rabbi Schneerson's educational contribution has been largely unexamined and remains undisclosed to both the Jewish world beyond Habad and to contemporary students of religious and moral education. Through the analysis in this book, it will be argued that Rabbi Schneerson's teachings hold import not only for the Habad fraternity but for communities and individuals in the wider world.-BOOK JACKET.
