Rebecca Godfrey

Under the Bridge Michael Harmon, 2013-11-12 Tate's younger brother Indy is probably the best skateboarder in Spokane. He's also really smart though he couldn't care less about school. But when Indy clashes with his father one too many times and drops out of school, it's up to Tate to win his brother back from the seedier elements of Spokane. Can Tate convince Indy to come home, finish his high school degree, and return to skating Under the bridge with their crew? Michael Harmon's fast-paced and highly charged novel captures the enduring bond between brothers and their struggle for survival on the gritty streets of Spokane.

Under the Bridge and Back Again Mike Bradford, 2003-12-11 The Winthorpe Mysteries, Part One Under the Bridge and Back Again By: Mike Bradford Set in Louisville, Kentucky, this first presentation of the Winthorpe Mysteries tells the story of the growth of a man and the forming of a family. It is a romance, but the driving forces are suspense, deception and bloody murder. The man, Davis Winthorpe, is a jaded, cynical, user of people. In the beginning of these stories he is a lonely man without any useful purpose beyond paying his bills and being his own boss. The villain describes him as a two-bit call-him-when-you-need-him errand boy. His sweetheart gives him the name of Taskmaster. In the end of the matter, Davis and Kitty Winthorpe transform into a dynamic team of creative problem solvers. They each make their own journey toward

personal acceptance and individual worth. Winthorpe, through his business, is used as a stooge by a relentless property developer, one Harry M. Snapp. The hero is sent upon a wild goose chase by the villain to create a smoke screen as an alibi and cover up for murder. Harry Snapp's wife is shot in the head, one time. At the supposed time of the shooting Snapp has Winthorpe out for a ride on the historic riverboat, The Belle of Louisville. Martha Snapp is shot as Harry and Davis go upriver, under the bridge and back again. Harry Snapp is guilty, and Winthorpe knows it. In the end, only two people know the truth. Sent to New York City on what the villain assumes is an impossible mission, Winthorpe discovers information which reveals Harry Snapp to be a liar. In the city he meets his love interest, Kitty Servideo. Together they pursue both the evil intent of Snapp and each other in what proves to be a sensual blending of lonely hearts and lust for adventure. Kitty is a dynamic vivacious schemer who brings out the best in Davis Winthorpe while constantly frustrating him with her unpredictable nature, and her own deep dark secret over promises once made to her dying mother. Humor, caprice and serendipity blend into a suspenseful unfolding of the truth about Harry. Davis and Kitty do become man and wife, and Harry is found to be guilty. Harry is guilty of murder all right, but he didn't kill his wife. In the final chapter Winthorpe uncovers the truth. SYNOPSIS, Under the Bridge and Back Again page two Martha Snapp, Harry's wife, is guilty too. She beat Harry at his own game. She showed him up in front of the boy's club. Harry declares that it takes balls of brass to do the things he does. When Martha shows that a woman can beat him at the game, she is marked for murder. She committed the one sin Harry could not forgive. The story, twenty-six chapters in length, is set in Louisville, Kentucky. It explores the attraction of Louisville's riverfront and the separate society that exists in the special part of town known as Old Louisville. Pursuit of the truth about Harry takes Kitty and Davis to Atlanta for one hot night, and to the coast of North Carolina in a capricious chase after the one witness to the crime. The Sense of place and character development is strong with the two central characters forming an attractive relationship with the reader that leaves the reader wondering what the two are going to do next. In addition, there is a subplot that begins in Under the Bridge and slowly unfolds as the stories proceed. Kitty Servideo, Mrs. Winthorpe, has a secret. The Winthorpe Mysteries are ongoing in nature. The author knows more about this man who makes his living performing tasks. Subsequent stories include The Hole in the Bottom of the Sea, While Searching for Air, Patterns in the Sand and The Mistress of Tavern Hill.

Water Under the Bridge Holley Trent, 2022-10-18 River Williams is good at two things: swimming and conflict. Becoming the king of the underwater dominion his mermaid mother abandoned should be right up his alley. It is, until he learns what kind of mess his deposed uncle left for him to clean up. And with his little sister recently married and coronated in the family's other ancestral territory, he feels has to be everywhere at once to help smooth the transitions of power. The absolute last thing he needs at the moment is to have to deal with his human ex. Since childhood, Aliah pictured herself settling down with a wealthy go-getter who could guarantee her a stable future. Her fling with fellow military brat River as a teen was the

one relationship she stumbled into without premeditation. She had to outgrow him, but she could never forget him. She can't. The same magic that allows River to hurl and shape water decided long ago that she would be his. Despite what the magic says, Aliah's not prepared for the tumultuous world the Williams family now lives in, and River refuses to be one more stepping stone for Aliah's upward climb. If she can't convince him that her intentions are different than before, and if he can't recognize the strength the extroverted socialite could bring to a healing kingdom, the two will live forever adrift, lacking the equilibrium both desperately need.

Photoshop CS2 RAW Mikkel Aaland,2006-03-15 The RAW file format is the uncompressed data file captured by a digital camera's electronic sensor. When your camera saves an image in RAW format, settings like white balance, sharpening, contrast and saturation are not applied to the image but are saved instead in a separate header. Because RAW files remain virtually untouched by in-camera processing, they are essentially the digital equivalent to exposed but undeveloped film. This makes RAW an increasingly popular format with amateur and professional digital photographers, because it affords greater flexibility and control during the editing process-if you know how to work with RAW files. Most digital camera manufacturers supply their own software for converting RAW data, as do some third party vendors. Increasingly, however, the RAW converter of choice is a plug-in included in the latest version of Adobe Photoshop, the most popular and widely-used digital image editing tool in the world. Adobe Photoshop CS2 is emerging as the best place to edit RAW images, and the best way to master this new format is with Photoshop CS2 RAW. An important book dedicated to working with RAW in Photoshop, this comprehensive guide features a unique design that helps readers grasp the subject through visual instruction and prompts. The entire RAW process is explored, from shooting to using the Adobe plug-in converter and new Bridge navigation software. The primary focus of Photoshop RAW is, as the title suggests, Photoshop editing technique: automating RAW workflow, correcting exposures, extending exposure range, manipulating grayscale and working with the new DNG (Digital Negative) open standard that Adobe supports. Presented by photographer Mikkel Aaland, a pioneer of digital photography and author of eight books, including O'Reilly's Photoshop for the Web and the award-winning Shooting Digital, Photoshop CS2 RAW investigates and instructs in an accessible visual style. Required reading for professionals and dedicated photo hobbyists alike.
