

Wandering Souls Cecile Pin

Jan Philipsz Schabaelje

Wandering Souls Cecile Pin, 2023-03-21 One of Time Magazine's Must-Read Books of the Year Longlisted for the Andrew Carnegie Medal of Excellence in Fiction 2024 Longlisted for the Women's Prize for Fiction 2023 "A deeply humane and genre-defying work of love and uncompromising hope." —Ocean Vuong, author of *On Earth We're Briefly Gorgeous* and *Time Is a Mother* There are the goodbyes and then the fishing out of the bodies—everything in between is speculation. After the last American troops leave Vietnam, siblings Anh, Minh, and Thanh journey to Hong Kong with the promise that their parents and younger siblings will soon follow. But when tragedy strikes, the three children are left orphaned, and sixteen-year-old Anh becomes the caretaker for her two younger brothers overnight. In the years that follow, Anh and her brothers immigrate to the UK, living first in overcrowded camps and resettlement centers and then, later, in a modernizing London plagued by social inequality. Anh works in a factory to pay the bills. Minh loiters about with fellow high school dropouts. Thanh, the youngest, plays soccer with his friends after class. As they mature, each sibling reckons with survivor's guilt, unmoored by their parents' absence. And with every choice, their paths diverge further, until it's unclear if love alone can keep them together. Told through lyrical narrative threads, historical research, voices from lost family, and notes by an unnamed narrator determined to chart these siblings' fates, *Wandering Souls* captures the lives of a family marked by loss yet relentless in the pursuit of a better future. With urgency and precision, it affirms that the most important stories are those we claim for ourselves, establishing Cecile Pin as a masterful new literary voice.

The Routledge Companion to Literatures and Crisis Silvia Pellicer-Ortín, Julia Kuznetski, Chiara Battisti, 2024-10-22 The Routledge Companion to Literatures and Crisis provides deep insight into a complex and multi-layered phenomenon. The third decade of the twenty-first century is being marked by a polycrisis caused by various world crises, such as the COVID-19 pandemic, armed conflicts and climate change leading to economic, geopolitical, environmental, health and security crises. Featuring 42 chapters, the collection examines crises through literary texts in relation to the environment, finance, migration and diaspora, war, human rights, values and identity, health, politics, terrorism and technology. It illuminates the many faces of the current permacrisis as well as the multifarious crises of the past and their representation in literatures across ages and cultures—from the Viking wars, Black Death in mediaeval Europe, technology in ancient China and the crisis of power in Elizabethan England to imperial biopower in nineteenth-century India, the genocides in the twentieth century, upsurge of

domestic violence during the Covid lockdown in Spain and the development of AI. The Companion connects diverse cultures, disciplines and academic traditions to show how and why literature, media and art can voice all types of crises across times. It will be a key resource for students and researchers in a broad range of areas including literature, film studies, narrative studies, cultural studies, international politics and ecocriticism. Chapters: Chapter 6 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution (CC-BY) 4.0 license.

Chinese and Any Other Asian Anna Sulan Masing, 2025-02-06 'Chinese' or 'Any other Asian'. The boxes that people of vastly varied East and South East Asian heritage have to tick when declaring their ethnicity on many forms in the UK. This represents a shameful sweeping together of a diverse heritage and experience. East and South East Asian people have lived and worked in the UK for centuries, fought for the British Army in both world wars, have influenced British culture through food, writing, music and art in a multitude of ways. And yet this influence is often overlooked. People of ESEA heritage experience unique forms of racism. Asian food is mocked as unhealthy and Asian restaurants as dirty. ESEA women are exoticised and sexualised, and assumed to be the nanny of their mixed-race children. The community was scapegoated for the Covid-19 pandemic. Anna Sulan Masing addresses these issues in a comprehensive way. She explores what it means to be East and South East Asian in Britain today, and celebrates the varied experiences that make up ESEA identity. Powerful, moving and illuminating, this will be a must-read for anyone interested in the make-up of our multicultural society. 'Vital reading, but also vital in the truest sense - real, alive, full of humanity, interrogatory, empathetic, energising' Claire Kohda, author of WOMAN, EATING

Black Butterflies Priscilla Morris, 2025-07-22 SHORT-LISTED FOR THE WOMEN'S PRIZE FOR FICTION. A timeless story of strife and hope set during the conflict in the Balkans in the early '90s—a searing debut novel about a woman who faces the war on her doorstep with courage, fierceness, and an unshakable belief in the power of art. “A reflective novel . . . that tells us life goes on, love stories develop, humanity remains in the most inhumane of times.” —Irish Independent
Sarajevo, spring 1992. Each night, nationalist gangs erect makeshift barricades, splitting the city into ethnic enclaves. Each morning, the people who live there—whether Muslim, Croat, or Serb—push the barriers aside. When violence erupts and becomes, finally, unavoidable, Zora, an artist and teacher, sends her husband and elderly mother to safety in England. She stays behind, reluctant to believe that hostilities will last more than a few weeks. As the city falls under siege, everything she loves about her home is laid to waste, black ashes floating over the rooftops. Yet Zora and her friends find ways to rebuild themselves, over and over. Told with breathtaking immediacy, this is a story of disintegration, resilience, and hope—a stirring debut from a commanding new voice.

Блуждающие души Сесиль Пин, 2023-09-29 «Я пытаюсь выстроить историю между ужасом и сказкой, отыскать хоть какой-то проблеск истины». В конце 1970-х годов глава семьи Фан принимает решение эмигрировать из Вьетнама

- решение, которое разрушит их семью и перевернет жизнь уехавших с ног на голову. Часть детей – старшая сестра Ань и двое братьев Минь и Тхань – едут первыми, ожидая, что воссоединятся с семьей в лагере беженцев в Гонконге. Этому плану не суждено сбыться – внезапная трагедия оставляет троих детей сиротами. Шестнадцатилетняя Ань в одночасье становится нянькой для своих младших братьев. Вскоре все трое иммигрируют в Великобританию времен Тэтчер. Смогут ли они обрести счастье в незнакомой стране и справиться с преследующей их виной выжившего? Будут ли оправданы гибель родных и жертвы, на которые пришлось пойти Ань? Ответы вы найдете в этом глубоком поэтичном тексте, написанном как манифест человечности и ценности жизни. «Блуждающие души» – это невероятно сильный дебютный роман о любви, утратах, эмиграции, последствиях колониализма. Для поклонников книг «Сочувствующий» Вьет Тхань Нгуена и «Корабль любви, Тайбэй» Эбигейл Хин Вэнь.

Les âmes errantes Cecile Pin, 2023-08-23 « Il y a les adieux, et puis on repêche les corps – entre les deux, tout est spéculation. » Sur le sable d'une plage hongkongaise, une main soulève des draps. La jeune Anh, 16 ans, reconnaît ses parents et quatre de ses frères et sœurs, noyés. Anh et ses deux frères, Thanh et Minh, sont désormais seuls au monde. Il y a quelques mois à peine, ils étaient encore une famille. Une famille obligée de fuir le Vietnam après le départ des dernières troupes américaines. Alors que les fantômes des absents et la culpabilité leur collent à la peau, qu'ils dérivent de camps de réfugiés en centres de réinstallation, les trois orphelins finissent par poser leurs valises à Londres, dans la Grande-Bretagne de Thatcher. Une nouvelle vie commence. Un premier roman éblouissant qui explore les blessures générationnelles et le pouvoir guérisseur des mots. Traduit de l'anglais par Carine Chichereau

Dolende zielen Cecile Pin, 2023-03-14 Er is het afscheid en daarna het uit het water vissen van de lijken - al het tussenliggende is speculatie.

Anime erranti Cecile Pin, 2025-05-12 Dopo la partenza delle ultime truppe americane dal Vietnam, nel 1978, i fratelli Anh, Thanh e Minh intraprendono un pericoloso viaggio verso Hong Kong dove dovranno presto riunirsi con i genitori e i fratelli minori, e con loro iniziare una nuova vita negli Stati Uniti. Ma la sventura colpisce e i tre ragazzi si trovano ad affrontare da soli la loro nuova identità di rifugiati in un mondo sconosciuto. Anime erranti è il ritratto di chi è straniero ovunque, di chi ha dovuto imparare a sopravvivere prima ancora di vivere, di chi pretende una voce altrimenti negata dalla Storia. «La nuova Didion della diaspora asiatica». «Kirkus Review» «Un atto d'amore e di incrollabile speranza». Ocean Vuong Nel 1978 la guerra è finita, ma il Vietnam non ha ancora trovato pace. Anh e i suoi fratelli sono costretti a scappare, unendosi alla schiera delle centinaia di migliaia di quelli che saranno in seguito definiti boat people, e lasciandosi tutto alle spalle: la casa, gli odori della cucina materna, le voci dei più piccoli. Il mare che dovrebbe portarli in salvo si trasforma in una linea di confine tra speranza e tragedia. Quando finalmente arrivano a Hong Kong, sono soli. Dei genitori e dei fratelli minori non resta che un ricordo sbiadito, una foto da custodire come un talismano contro l'oblio, e la voce disincarnata di un

bambino perduto nelle profondità delle acque. Da un campo profughi ai margini di una metropoli estranea fino alle strade grigie di Londra, il viaggio dei protagonisti diventa una ricerca incessante di stabilità e appartenenza. La lingua è un muro invalicabile, la solitudine un'ombra costante. Anh si assume il ruolo di madre e padre per i fratelli, lavorando prima in una fabbrica, poi in uno studio contabile, mentre cerca di costruire un futuro che sembra sempre sfuggirle dalle mani. Minh si ribella a un mondo che non sente suo, in cerca di una via d'uscita. Thanh, il più piccolo, cresce con il sogno di toccare le stelle, mentre la memoria della famiglia perduta continua a sussurrare nel loro cuore. Con una scrittura delicata e intensa, Cecile Pin ci accompagna in un racconto di perdita e resistenza, di memorie che affiorano come onde e di legami che nemmeno la distanza può spezzare. Anime erranti è il ritratto di chi si è trovato straniero ovunque, di chi ha dovuto imparare a sopravvivere prima ancora di vivere, di chi porta nel cuore un luogo che forse non esiste più. È un romanzo struggente e luminoso, capace di trasformare il dolore in poesia, di dare voce a chi la storia ha cercato di dimenticare. «Anime erranti è coinvolgente, creativo e molto toccante». «Good morning America» «Potente... un esordio coraggioso che sperimenta nuove vie per raccontare la storia dei boat people vietnamiti approdati in Gran Bretagna, un tema troppo trascurato nella narrativa - fino ad ora». «The Times» «Una saga struggente da una promessa di grande ambizione e talento». «The Guardian»

Vandrande själar Cecile Pin, 2023 När de sista amerikanska soldaterna har lämnat Vietnam inleder syskonen Anh, Thanh och Minh en riskabel resa till Hong Kong. Deras föräldrar och yngre syskon ska snart komma efter, men tragedin slår till och de tre syskonen står med ens föräldralösa. Barnen hamnar i England, först i överfyllda flyktingläger och förläggningar och därefter i ett kokande London. Margaret Thatcher är premiärminister och vill hellre ta emot vita flyktingar från Rhodesia, staden slits sönder av sociala orättvisor och växande främlingshat. I sin kamp att finna en identitet får de tre allt svårare att hålla ihop. Cecile Pin berättar omväxlande poetiskt och sakligt, dokumentärt och meditativt om en familj som krossas av krig och förlust men där hoppet om ett värdigt liv lever kvar i spillrorna. Cecile Pin växte upp i Paris och New York. Som artonåring flyttade hon till London för att studera filosofi och senare arbeta på bokförlag. Vandrande själar, hennes första roman, är på väg ut i ett flertal länder.

Wandering Souls Cecile Pin, 2023-05-04 »Ein Werk von tiefer Menschlichkeit, voller Liebe und unbeugsamer Hoffnung.« Ocean Vuong Dieser unvergessliche Roman erzählt die Geschichte der drei Geschwister Anh, Thanh und Minh, die nach Ende des Vietnam-Krieges Ende der Siebzigerjahre mit ihrer Familie in die USA fliehen wollen. Sie stranden in einem Lager in Hongkong, wo sie vergebens auf ihre Eltern warten. Plötzlich liegt es an der sechzehnjährigen Anh, für ihre Geschwister das Versprechen einer besseren Zukunft wahr werden zu lassen. Gemeinsam gelangen die drei nach England. Geplagt von der Schuld der Überlebenden und ohne die schützende Hand der Eltern, müssen sie in dem fremden Land lernen, auf sich selbst zu vertrauen, ohne sich einander zu verlieren.

Celestial Lights Exaie PB Cecile Pin, 2026-03-26

Celestial Lights Hb Cecile Pin,2026-03-26

Celestial Lights Cecile Pin,2026-04-14 A coming-of-age tale inspired by Odysseus set both on Earth and in space, *Celestial Lights* is perfect for fans of *Orbital* and *Normal People*. Oliver Ines is one of the most renowned astronauts of all time, having embarked on a mission further into the cosmos than anyone has ever been. *Celestial Lights* is his story. Born on January 28, 1986, at the same time the Challenger shuttle fell out of the sky and into the sea, it seems that his journey into space was almost preordained. His idyllic childhood in a small English village takes place against the backdrop of his bedroom's glow-in-the-dark wallpaper upon which planets and rocket ships shine brightly. During college and later a stint in the Navy, his fascination with the celestial sharpens into a focus often mistaken for aloofness. Still, he is able to make lasting bonds with a close friend and eventually a wife, a scientist, uncovering ways of life, with whom he is playful and tender. When an enterprising billionaire taps him to train to become an astronaut and later lead a mission to Europa, Oliver makes the choice to leave her and his loved ones behind. Aboard his spacecraft, he is accompanied by only three crew members who mightily depend on each other. But as commander, he must once again hold himself apart. Oliver details the voyage in a private log, and unreachable by anyone on Earth, he mourns those he leaves behind, to a present that is happening without him, while dreaming of a future that can only happen because of him. *Celestial Lights* is a portrait of a complicated man whose vision and unparalleled understanding of the universe don't always translate into stellar relationships on Earth. It explores the sacrifices required to achieve greatness—but more importantly, the idea that greatness is not always what it seems. This breathtaking tale which reveals how personal choices can send a world spinning, will make every reader lift their head to the night sky and marvel while also cherishing the connections that make our planet home.
